To Whom It May Concern:

It is with mixed emotion that I submit this letter of resignation from Waskom Independent School District. My tenure at Waskom has been a great one. I have made many friends among the teachers and staff. I am leaving my current position because I have been offered a job that will be less driving and in a private school setting.

Thank you for your support over the past five years. I know I will continue to hear great things about Waskom Independent School District. I wish you good luck and continued success.

Sincerely,

A handwritten signature in cursive script that reads "Ashley Hooper". The signature is written in dark ink and is positioned above the printed name and title.
