If the Superintendent cancels school, all 30 hours of instructional time are built into the calendar that would not need to be made up. If additional time is necessary to be made up, May 24-28 may be used or time may be added to the remaining instructional days at the discretion of the Superintendent.

In case of excessive inclement weather, please schedule summer travel after May 31st.

\*The alternate format calendar allows the district to use instructional minutes to determine the school calendar.
