

Committee on School Improvement and Performance Measures Goals for 2009/2010

Goal: October – December Meetings

Continue to learn data analysis protocols, so that teachers and administrators can be informed by the results from common formative assessments.

Measure:

Report to the Board at the January worksession

Goal: January – February Meetings

Discuss the In-services on common formative assessment, and how these In-services increase teacher's knowledge of the use of common formative assessment.

Measure:

Report to the Board at the February business meeting

Goal: March Meetings

Review and discuss how the AVID (Advancement Via Individual Determination) philosophy is being used throughout Parkrose schools.

Measure:

Report to the Board at April 2009 worksession

Goal: April – June Meetings

Discuss the data and results of teacher's use of common formative assessments.

Measure:

Report to the Board at the June business meeting
