## Board Agenda Item Synopsis

### **Subject: Designation of Non-Business Days for Purposes of the Texas Public Information Act**

#### **Background Information**

This past session, the Texas legislature passed HB3033, which amends Chapter 552 of the Texas Government Code by adding Section 552.0031. The statute, effective September 1, 2023, clarifies business days and requires establishing non-business days under the Texas Public Information Act (TPIA). The new law defines “business day” as a day other than a Saturday or Sunday, a national holiday, or a state holiday. Additionally, the new rule requires a governmental body to identify ten days each calendar year that the governmental body’s administrative offices are closed or operating with minimum staffing as non-business days. The law is based on a traditional 12-month calendar, not the school calendar.

#### **Administrative Consideration**

The following dates are recommended as “non-business days” for Graham ISD for the period of January 1, 2026, through December 31, 2026:
