**Re: RECALL OF BOARD MEMBER JORGE L. RODRIGUEZ
AND REPLACEMENT ELECTION**

Dear Mrs. Farabough:

On January 28, 2009, the Chief Appraiser received notification, by resolution, of the call to recall Laredo Independent School District's (LISD) member Jorge Luis Rodriguez who is currently serving on the Appraisal District Board of Directors. The official action also includes LISD's 520 votes in favor of the recall of that member.

Pursuant to Section 6.033 of the Texas Property Tax Code (TPTC), LISD's action established that the Chief Appraiser shall count votes in favor of the recall. If the number of votes cast in favor of the recall equals or exceeds a majority of the votes cast for the member in the appointment to the Board, the member is recalled and ceases to be a member on the Board of Directors for the Appraisal District. Since LISD has cast its 520 votes in favor of the recall of its Board Member, which exceeds a majority of the votes cast for the member in the appointment of the Board, the former member Jorge L. Rodriguez is recalled and ceases to be a member of the District's Board of Directors.

In addition, LISD also nominated a candidate, Jesus Martinez, and cast their votes to elect him as their new representative for the remainder of the 2008-2009 term which ends on December 31, 2009. In summary, LISD by resolution has nominated their candidate and cast their 520 votes to elect him to the Webb County Appraisal District Board of Directors.

Pursuant to the TPTC, when a vacancy on the Board occurs, as a result of a recall, the taxing units who originally cast their votes for that position during the regular Board of Directors election process will determine the replacement member. Each taxing entity is entitled to the same number of votes in the replacement process as their share of

votes cast in the regular election. Once the votes are cast, the Chief Appraiser shall count the votes and declare the candidate who received the largest vote total.

Please be advised, in the regular 2007 Board of Directors election, the LISD member received votes as follows:

Member	Laredo ISD Votes	United ISD Votes	Total Votes
Jorge Rodriguez	520	457	977

As noted above, LISD and United Independent School District (UISD) were the only two (2) taxing units that cast votes for that position. Pursuant to Section 6.013 of the TPTC, only these two (2) entities can vote and nominate in the replacement process. As part of the process, the Chief Appraiser has counted and declared the votes cast to replace the member recalled, and has determined that LISD has cast 520 votes out of 977 total votes, which exceeds a majority of the votes cast for Mr. Jorge L. Rodriguez in the regular election. As a result, the District is pleased to announce that LISD's Board Member Jesus Martinez has been elected to the Webb County Appraisal District Board of Directors for the remainder of the 2008-2009 terms. It should be noted that the vacancy on the Board that was created by the recall can only be determined by those taxing entities who originally cast their votes for that position during the 2007 Board of Directors election.

Thank you for your attention to this matter. The recall and replacement process has been completed. We would like to take this opportunity to thank former member Jorge L. Rodriguez for his service to this District and we look forward to fostering a good working relationship with the newly elected Board Member Jesus Martinez. If you should have any questions, please call or email me at your convenience.

Sincerely,

Martin Villarreal
Chief Appriaser
