

LPS - Athletic Interest Survey

Numerous requests have been received over the past many years to consider adding sports at the high school level. It has been the position of the Athletic Council and LPS that the District has not been in a financial position to add sports/teams. It has been the recommendation of the Athletic Council that a survey be conducted to assess student interest at such time if/when the district is in a position to consider adding sports/teams.

Results from the survey below will be used to help evaluate interest related to additional high school sport offerings. In addition, a cost analysis will be necessary to determine the feasibility of adding any additional sport offering(s). Again, this survey is the first of a series of steps to help determine if/when a recommendation will be made to the Board of Education regarding additional sport offerings.

Please complete the survey using your school email account and only if you wish to participate in school-sponsored sports if the sport(s) indicated were an option. Thank you for your participation.

Your email address (sarch@livoniapublicschools.org) will be recorded when you submit this form. Not you? [Sign out](#)

* Required

1. What is your current grade in school? *

Choose ▼

2. What school do you currently attend? *

Choose ▼

3. What is your gender? *

Choose ▼

4. Do you presently participate in the LPS athletic program (middle school or high school)? *

Choose ▼

5. In what sport have you been a member of a FALL sports school team? *

Choose ▼

6. In what sport have you been a member of a WINTER sports school team? *

Choose ▼

7. In what sport have you been a member of a SPRING sports school team? *

Choose ▼

Each LPS high school is a member of the Michigan High School Athletic Association (MHSAA). MHSAA member schools agree to abide by and enforce a standard set of rules, regulations, and qualifications concerning such things as eligibility, game rules, and schedules. LPS currently offers twenty-two of the twenty-eight MHSAA tournament sponsored sports.

For questions 8-10, please rank each sport listed based on whether you would definitely participate on a high school team if you had the opportunity. Please select the number that coincides with your order of preference. For example, if Bowling is your first choice, select the number "1" after the entry "Bowling." Select "N/A" to indicate the sport listed is not one in which you would participate on a school team.

8. Bowling *

Choose ▼

9. Lacrosse *

Choose ▼

10. Skiing *

Choose ▼

11. List any sport, if any, in which you would be interested in participating if the sport was offered at the high school level.
