

Localized Policy Manual

Update 79

Denton ISD

Your Localized Update 79 addresses School FIRST rules and other recent statutory and regulatory changes as well as (LOCAL) policy revisions regarding the superintendent's job description and performance evaluation, the establishment of board committees, the delegation of purchasing authority, and term contract nonrenewal.

Please bear in mind that the (LEGAL) policies reflect the ever-changing legal context for governance and management of the district. They should NOT be adopted but, rather, should inform local decision making. The (LOCAL) policy recommendations in this update will need close attention by both the administration and the board to ensure that they reflect the practices of the district and the intentions of the board. Board action is needed to adopt, revise, or repeal (LOCAL) policy.

To better focus board attention and expedite its review, your Localized Update 79 packet contains:

- ***Vantage Points—A Board Member's Guide to Update 79***, copies of which may be found in the separately wrapped package accompanying this packet. ***Vantage Points*** offers a highly summarized overview of the update and is intended to provide local officials a first glance at the scope of the update—as a prelude to studying the detailed Explanatory Notes and policy text within the packet. **Please distribute *Vantage Points* to your board members** at the earliest possible opportunity, preferably with their review copies of this update.
- Your Localized Update, which includes:
 - INSTRUCTIONS . . .** providing specific, policy-by-policy directions on how this update, if accepted as prepared, should be incorporated into your Localized Policy Manuals.
 - EXPLANATORY NOTES . . .** summarizing changes in the policies in each code and how those changes affect your policy manual. Please note that, where appropriate, the Explanatory Notes ask you to **verify that a particular policy continues to reflect your current practice and to advise us of changes needed** so that our records and your manual accurately track the district's actual practice.

Update 79 materials can be identified by the DATE ISSUED—11/07/2006—in the lower left corner of each page. If you have any questions concerning this Update, please call your Policy Consultant/Analyst, Kaye Teaff, at 800-580-7529 or 512-467-0222.

Regarding board action on Update 79 . . .

- Board action on Localized Update 79 must occur within a properly posted, open meeting of the board and may be addressed on the agenda posting as “Policy Update 79, affecting (LOCAL) policies (see attached list).” Using the Instruction Sheet as a guide, create and attach to the posting a list of the (LOCAL) policy codes added, revised, or deleted **and the titles/subtitles of those policies**. BoardBook compilers should use “Policy Update 79, affecting (LOCAL) policies” as the agenda item and, as agenda sub-items, the code and name of each of the (LOCAL) policies affected by the update.
- An appropriate motion for board action on Localized Update 79 is as follows:

“I move that the board add, revise, or delete (LOCAL) policies as recommended by TASB Policy Service and according to the Instruction Sheet for TASB Localized Policy Manual Update 79 [with the following changes:]”
- The board’s action on Localized Update 79 must be reflected in board minutes. The Instruction Sheet—annotated to reflect any changes made by the board—and the Explanatory Notes for the update should be filed with the minutes where they make up the authoritative record of your board’s actions. Include a copy of new, replaced, or rescinded (**LOCAL**) policies.
- In maintaining the separate historical record of the manual, the emphasis is on tracking the history of individual policies. For guidance on maintaining this record, please refer to the **Policy Administrator’s Guide** at https://www.tasb.org/docs-mytasb/gov_svcs/policy_svc/adminguide/policy_admin_guide.pdf.cfm.

Regarding manual maintenance and administrative regulations . . .

- **Notify your Policy Consultant/Analyst of any changes made by the board so that Policy Service records—forming the basis for these and subsequent updating recommendations—exactly mirror your manual.**
- The update should be incorporated into each of the district’s Localized Policy Manuals as soon as practicable. If the district uses *Policy On Line*, you will need to notify us of the board’s action on Update 79 so that your district’s Localized Policy Manual as it appears on TASB’s Web server can be updated. *Policy On Line* staff may be reached by phone (800–580–7529 or 512–467–0222), fax (512–467–3618, using the pink form enclosed), e-mail (pol-support@tasb.org), or Internet feedback form (<http://www.tasb.org/policy/pol/private/polfdbk.html>).
- Administrative procedures and documents—including formal REGULATIONS, handbooks, and guides—that may be affected by Update 79 policy changes should be inspected and revised as needed. If the district routinely submits REGULATIONS to Policy Service for processing or desires that the updated REGULATION be included in the district’s *Policy On Line* manual, please submit these changes to your Policy Consultant/Analyst at your earliest convenience.

PLEASE NOTE: This Localized Update packet and the Update 79 **Vantage Points** may not be considered as legal advice and are not intended as a substitute for the advice of the board’s own legal counsel.

TASB Localized Policy Manual Update 79

District: Denton ISD

BBB (LEGAL) BOARD MEMBERS
ELECTIONS

On page 2, JOINT ELECTIONS REQUIRED has been added in accordance with a HB 1 requirement from the third called session of the 79th Legislature. While school districts previously had the option of holding regular trustee elections in May or November, that option is now qualified by a coordination requirement. Under the new law and in accordance with information provided by the Texas Secretary of State, a school district that customarily elects its trustees in May can continue to do so IF an incorporated municipality within the district holds its election on that date, and the concurrent elections must be held jointly and with common polling places. If such an election partner does not exist, the district must move its board member elections to the November uniform election date. In even numbered years, this will coincide with the general election for state, county, and national offices. Guidance regarding transitions, terms of office, and the interplay with court-ordered plans may be found on the Secretary of State's Web site at <http://www.sos.state.tx.us/elections/laws/hb1faq.shtml>.

Obsolete provisions pertaining to VOTERS WITH DISABILITIES have been deleted from page 4. The Secretary of State has determined that the 2002 Federal "Help America Vote Act" supersedes Texas law, the basis of these Texas Administrative Code rules, and therefore renders these sections obsolete. Also, the Secretary of State's certification that federal voting requirements apply to all forms of voting at a polling place allows for tightening of the policy to reflect only currently applicable law.

In addition, a provision prohibiting the district from changing its board election dates after December 31, 2005, has been deleted to avoid confusion resulting from the coordination of elections required by HB 1. This law remains in force, however, and would prevent the district from changing previously established election dates unless required by law or court order.

BBC (LEGAL) BOARD MEMBERS
VACANCIES AND REMOVAL FROM OFFICE

The HOLDOVER DOCTRINE section, on page 1, replaces EFFECT OF TRUSTEE RESIGNATION to make clear that the doctrine applies whenever a trustee yields his or her seat. This provision also appears, within the context of nepotism, at DBE(LEGAL).

According to the doctrine, a board member essentially continues in office until his or her successor is sworn in; until that point, the board member continues to exercise all the duties and powers of office (except voting on the appointment of a successor). This exception is drawn from the Attorney General Opinions cited.

BBD (LEGAL) BOARD MEMBERS
TRAINING AND ORIENTATION

On page 3—at SPECIFIC OPEN MEETINGS TRAINING and at SPECIFIC OPEN RECORDS TRAINING—the language has been revised to clarify that only training received after the trustee is sworn in will fulfill the requirement.

BDAA (LOCAL) OFFICERS AND OFFICIALS
DUTIES AND REQUIREMENTS OF BOARD OFFICERS

The listing of officer duties in this policy is intended as a "bare bones" statement of essential responsibilities not otherwise prescribed by specific policies. Previously the policy included—under specific duties of the board president—"appoint all Board committees, unless otherwise provided by policy or Board consensus." Since this function is more fully addressed at BDB(LOCAL), we have deleted it from this policy.

Explanatory Notes

TASB Localized Policy Manual Update 79

BDAF (LEGAL) OFFICERS AND OFFICIALS SELECTION AND DUTIES OF CHIEF TAX OFFICIALS

At item 2 under the DUTIES of the ASSESSOR may be found language added by HB 1 from the third called session of the 79th Legislature: tax bills subsequently prepared and mailed by the assessor must now contain even more detail than the eighteen items previously prescribed by statute. Rather than recite this lengthy requirement in policy, we point to the Tax Code provision in which it is found; a similar approach—referencing rather than reciting statutory detail—is taken in the Comptroller’s *2006 Truth in Taxation Guide* at <http://www.window.state.tx.us/taxinfo/proptax/tnt06schools>.

Tax bills must now define (within the bill or in a separate statement):

- The maintenance and operations rate of the district;
- The district’s outstanding debt rate;
- The preceding tax year’s M&O rate;
- The debt rate for the current tax year, under Section 26.012;
- The debt rate for the previous tax year, under Section 26.012; and
- The total tax rate of the district for the preceding tax year.

BDB (LOCAL) BOARD INTERNAL ORGANIZATION INTERNAL COMMITTEES

The first sentence of this policy has been revised to clarify that:

- The board approves the creation of special committees; and
- Members of each committee are appointed by the board president, unless the board specifies otherwise.

BF (LEGAL) BOARD POLICIES

With HB 1 (from the third called session of the 79th Legislature), the authority of the Commissioner of Education to grant waivers to the mandated school start date was rescinded. As a result, a new item 14 has been added to the list of requirements for which campuses or districts cannot receive waivers. The rescission becomes effective with the 2007–08 school year and voids any waivers that the Commissioner previously might have granted for that or subsequent years.

By law, the instructional year for students cannot begin earlier than the fourth Monday in August (except for districts operating a year-round system).

BJA (LEGAL) SUPERINTENDENT QUALIFICATIONS AND DUTIES

The Education Code includes innumerable duties and responsibilities of the superintendent, both general and specific. Where appropriate, we have addressed those circumstance-specific responsibilities at the appropriate (LEGAL) policy—for example, the superintendent’s responsibilities regarding dissemination of information on students convicted of a felony offense are addressed in GRA(LEGAL).

Because these circumstantial responsibilities are found throughout the manual, we have deleted them from BJA(LEGAL), while retaining here only the 11 global responsibilities Education Code 11.201 lays out for the superintendent as the “educational leader and chief executive officer” of the district.

BJA (LOCAL) SUPERINTENDENT QUALIFICATIONS AND DUTIES

The job description of the superintendent has long followed the usual path of listing specific activities for which the employee is to be held responsible. While this approach may work well for other positions within the dis-

Explanatory Notes

TASB Localized Policy Manual Update 79

trict, such an activity-specific approach does not promote a view of the superintendent's position as the "chief executive officer of the district" and tends to give all listed items—whether strategic or not—the same importance.

An increasing number of districts now follow TASB's view of the board's oversight role—that is, making sure the superintendent has appropriate systems in place for the effective management of major district functions—and are using TASB's corresponding sample superintendent evaluation instrument (available under "Resources" on Leadership Team Services' Web site at <http://www.lts.tasb.org>). These districts have a need to define the job of the superintendent in strategic terms. Within that context, we have completely redeveloped the superintendent's job description. In place of the list of three dozen or so activities are three significant domains (educational leadership, district management, and board and community relations) and an array of management responsibilities within each. The superintendent is responsible for ensuring appropriate management systems are in place and functioning in each of these areas.

BJCD (LOCAL) SUPERINTENDENT EVALUATION

Refinements in BJA(LOCAL) prompted changes in BJCD(LOCAL) as well:

- EVALUATION INSTRUMENT has been added to reflect Texas Administrative Code provisions regarding the link between the superintendent's job description and performance goals and the appraisal instrument.
- WRITTEN EVALUATION keys to the evaluation instrument adopted by the board.

BR (LEGAL) REPORTS

School "FIRST" rules enacted by the Commissioner and effective August 13, 2006, detail the scope of reporting on a district's "financial management performance under each indicator for the current and previous year's financial accountability rate."

As found on pages 3–5, REPORT REQUIREMENTS include:

- A copy of the superintendent's employment contract, published either within the report itself or on the district's Web site.
- A categorical summary of any expense reimbursements to the superintendent and board members for the previous fiscal year.
- A summary of any compensation the superintendent may have received during the previous fiscal year for consulting or other personal services.
- A summary of gifts—in excess of \$250 (aggregating)—received by "executive officers and board members" (and their immediate families) from school district vendors or vendor candidates.
- A summary of the amount of money received by a board member during the fiscal year for business transactions (other than reimbursements) with the district.
- "Any other information the board of trustees of the district determines to be useful."

As before, the board must hold a public hearing, with appropriate notice, on the report. The structure of the policy has been refined to clarify the publishing requirement when there is not a newspaper of general circulation in the county where the district's administrative offices are located: the notice must be published in the county closest to the county seat of the county in which the district's central administration office is located.

Further information regarding FIRST rules may be found in a new TASB Legal Services FAQ found at <https://www.tasb.org/apps/icen/icenSynopsis.cfm?dk=242> or the new Legal Services publication **Financial**

Accountability for School Officials. Copies of the publication, which also addresses “the 65% rule” and newly expanded financial disclosure requirements, are available through the TASB online store at <http://www.tasb.org/store>.

CH (LEGAL) PURCHASING AND ACQUISITION

At INTERLOCAL AGREEMENTS, on page 7, provisions from the Government Code have been added to clarify that such agreements must be authorized by the board, as well as the governing body of other participating parties. Furthermore, the agreement—subject to annual renewal—must:

- Address the purpose, terms, rights, and duties of each party; and
- Specify that current revenues must be used to pay for governmental functions or services performed by a party and that payments fairly compensate the performing party.

CH (LOCAL) PURCHASING AND ACQUISITION

PURCHASING AUTHORITY more clearly expresses the superintendent’s authority to make **budgeted** purchases within a limit established by the board and requires board approval of a **single** purchase at or beyond that amount. PURCHASING METHOD reflects the board’s delegation to the superintendent of the authority to select the method of purchasing, as outlined in law.

The dollar threshold shown in this policy at or above which board approval of a purchase is required remains unchanged from your current policy; please contact your Policy Consultant/Analyst if your board desires to change the specified threshold amount or wishes to include certain categorical exceptions from the procedures delineated. Such exceptions might include a board-approved interlocal contract, a cooperative or state purchasing program for purchases of produce or fuel, or a continuing or periodic purchase under a board-approved contract or bid.

Please note: This policy no longer addresses aggregate purchases. Board approval is required only of single purchases above the dollar limit shown in this policy.

We have retained unaltered the district’s locally developed provision in the second paragraph of the policy.

CPAB (LEGAL) OFFICE COMMUNICATIONS MAIL AND DELIVERY

A new item 3 at POLITICAL ADVERTISING reflects Texas Ethics Commission rules updated to conform to statute. Also added from Ethics Commission rules is an exclusion of e-mail from the definition of “political advertising.”

DEA (LEGAL) COMPENSATION AND BENEFITS SALARIES, WAGES, AND STIPENDS

On page 6, the now-obsolete transition provision—phasing out the 90-day waiting period before a new employee could participate in TRS Care—has been eliminated: all “new members,” as defined in the policy, are immediately eligible to participate.

Please note: DEA(LEGAL) is an “employment policy”—as we construe Education Code 21.204(d)—that must be posted on the district’s Web site, if the district has a Web site, and a copy must be made available for inspection by requesting employees. Further information on required and recommended postings may be found in the *2006–07 School Year Employee Notification Policy Alert* at http://www.tasb.org/services/policy/publications/alerts/emp_notification.aspx.

Explanatory Notes

TASB Localized Policy Manual Update 79

DEE (LEGAL) COMPENSATION AND BENEFITS EXPENSE REIMBURSEMENT

With the 2006 Appropriations Act providing the necessary funds for the current biennium, TEA has amended Commissioner's rules to extend the Teacher Supply Reimbursement Grant Program to include campus library media specialists. That change and other refinements are reflected throughout the policy.

Restyled as the Classroom Supply Reimbursement Grant Program, the program continues to require at least matching funds from participating districts, continues to cap reimbursements at \$200, and continues on an annual basis with districts applying or reapplying each year. Rule revisions remove the requirement that grant monies be deposited and accounted for in a dedicated account; the rules now require that the district "account for funds in accordance with applicable state and federal requirements."

Further changes include:

- Easing the requirement that funds be expended by July 31 of the school year in which the grant is received.
- Allowing for local funding through donations "by community groups, parent/teacher organizations, businesses, professional organizations, and others."
- No longer specifically requiring the district to retain receipts for audit purposes.

DF (LEGAL) TERMINATION OF CONTRACT

Language throughout has been refined to more closely track statute and reordered for clarity. Added to the policy is the CRIMINAL OFFENSES section, on page 1. That section, from current law but not previously reflected at this policy, recites an Education Code provision permitting the district to discharge an employee upon learning of the employee's conviction of a felony or of a misdemeanor involving moral turpitude not previously disclosed to the State Board for Educator Certification or the district.

Deleted from this policy is a section on abandonment of contract, material already and more appropriately found at DFE—TERMINATION OF CONTRACT/RESIGNATION.

DFBB (LOCAL) TERM CONTRACTS NONRENEWAL

We have updated the list of REASONS for nonrenewal to include, at item 10, a decision by the campus intervention team.

This reason arises from HB 1 (from the third called session of the 79th Legislature), which calls for the "reconstitution" of a campus that has been identified as academically unacceptable for two consecutive school years. Under this mandatory sanction at Education Code 39.1324, a "campus intervention team" is empowered to:

- Develop a school improvement plan and execute the plan, upon approval of the Commissioner.
- Decide which educators may be retained on the reconstituted campus.

A principal who has been at that campus for the duration of that period may not be retained; a teacher of a subject assessed by the statewide assessment instrument developed by TEA may be retained only if the team finds a pattern of significant academic improvement by students taught by the teacher. The law further provides that an educator who is not retained may be assigned to another position in the district.

Item 10 has been added to address nonrenewal of the displaced principal or teacher when no vacancy exists for which the displaced individual is qualified.

Explanatory Notes

TASB Localized Policy Manual Update 79

Please note: DFBB(LOCAL) is an “employment policy”—as we construe Education Code 21.204(d)—that must be posted on the district’s Web site, if the district has a Web site, and a copy must be made available for inspection by requesting employees. Further information on required and recommended postings may be found in the *2006–07 School Year Employee Notification Policy Alert* at http://www.tasb.org/services/policy/publications/alerts/emp_notification.aspx.

DG (LEGAL) EMPLOYEE RIGHTS AND PRIVILEGES

The policy text enclosed reflects several major changes:

- At EMPLOYEE FREE SPEECH is the recent decision of the U.S. Supreme Court in *Garcetti v. Ceballos*: a public employee making statements pursuant to his or her official duties is not protected by the United States Constitution from employer discipline. This case leaves undisturbed the law according “Whistle-blower Protection” to a public employee who reports in good faith a violation of law by a district or another employee.
- Recitations of various laws limiting or shielding specific employees from liability have been added to this policy at:
 - ATTENDANCE COMMITTEE MEMBERSHIP, on page 3.
 - ADMINISTRATION OF MEDICATION, on page 4.
 - PROTECTION OF NURSES, on page 4.
- At REPORT TO LOCAL LAW ENFORCEMENT, also on page 4, the itemized list of reportable offenses has been deleted as redundant. The list is recited in its entirety at GRA(LEGAL), referenced by this policy.

DH (LEGAL) EMPLOYEE STANDARDS OF CONDUCT

Substantive changes are as follows:

- The policy now includes—at EDUCATOR ETHICS—language from the Education Code and State Board for Educator Certification rule imposing on educators an affirmative responsibility to comply with the Code of Ethics and Standard Practices for Texas Educators and charges SBEC with enforcement. The Code, last revised in 2003, may be found in policy manuals at DH(EXHIBIT).
- Provisions regarding drug abuse have been reorganized and expanded to address alcohol abuse as well. The additional material at DRUG AND ALCOHOL ABUSE PROGRAM is drawn from the federal Drug-Free Workplace Act.
- All provisions regarding statutory immunity previously at this policy have been deleted here and added to DG(LEGAL) in this update.

E (LEGAL) INSTRUCTION

A new policy code—EHBL—has been established to house provisions relating to the high school equivalency program and General Education Development (GED) testing.

EB (LEGAL) SCHOOL YEAR

At SCHOOL START DATE appears language prohibiting districts from starting classes before the fourth Monday in August. Drawn from HB 1 (from the third called session of the 79th Legislature), the prohibition

Explanatory Notes

TASB Localized Policy Manual Update 79

is effective with the 2007–2008 school year. Unlike previous law that permitted waivers, the only exception permitted is for year-round schools as provided by statute. Accordingly, we have deleted from this policy the section regarding waivers.

EHAA (LEGAL) BASIC INSTRUCTIONAL PROGRAM REQUIRED INSTRUCTION (ALL LEVELS)

Provisions regarding required instruction at all levels have been collected from other codes as appropriate:

- At COORDINATED HEALTH PROGRAMS, on page 2, the Education Code provision defining the scope of the coordinated health programs to be offered by TEA has been moved here from EHAB(LEGAL). These courses must be designed to prevent obesity, cardiovascular disease, and type 2 diabetes in students at all levels.

Also incorporated in this section are new Commissioner’s rules, effective November 9, 2006, that allow the district to use, with TEA approval, a district-developed program. All such programs must provide for the coordination of health education, physical education and activity, nutrition services, and parental involvement. Additionally, districts must use TEA-approved textbooks or materials developed by nationally recognized or government-approved entities.

- Implementation of coordinated health programs at the elementary, middle, and junior high levels is now required, and legislative language delaying implementation until the beginning of this school year has been deleted. Thus far, however (and as noted in the second paragraph of the section), program implementation is not yet required at the high school level.
- State Board of Education rules regarding CLASSIFICATION FOR PHYSICAL EDUCATION, on page 3, have been moved—without change—from EIF since those rules apply at all grade levels.

In addition, text regarding the extension districts could request for implementing the ENRICHMENT CURRICULUM, a provision which expired in September 2005, has been deleted.

EHAB (LEGAL) BASIC INSTRUCTIONAL PROGRAM REQUIRED INSTRUCTION (ELEMENTARY)

Provisions addressing coordinated health programs apply to all instructional levels and have been moved, at this update, to EHAA(LEGAL).

EHAC (LEGAL) BASIC INSTRUCTIONAL PROGRAM REQUIRED INSTRUCTION (SECONDARY)

As noted at EHAA(LEGAL) and EHAB(LEGAL), provisions addressing coordinated health programs apply to all instructional levels and have been moved, at this update, to EHAA(LEGAL).

Further changes are as follows:

- On page 1, PHYSICAL ACTIVITY REQUIREMENTS reflects new State Board of Education rules. SB 42—from the regular session of the 79 Legislature and amending Education Code 28.002—empowered the State Board to require physical activity at the middle school/junior high school level. After weighing options, the State Board adopted the language shown deferring to local boards to adopt policy in that regard. [See the explanatory note at EHAC(LOCAL), below.]

Effective August 8, 2006, the SBOE rules also extend to middle school/junior high the exemption allowed ninth graders and beyond to substitute approved private or commercially sponsored physical activity programs, on or off campus. Also exempt are students classified by the district as “restricted” from physical activity or as “adapted or remedial” by a “member of the healing arts licensed to practice in Texas.”

Explanatory Notes

TASB Localized Policy Manual Update 79

- Item 5 (Economics), under GRADES 9–12 COURSE OFFERINGS on page 2, reflects the new State Board rules, also effective August 8, 2006, setting forth elements of the financial literacy curriculum and permits the district to add other elements at its discretion. While this curriculum requirement is effective for the current school year, the rules permit districts to seek an extension.
- Item 10 (Languages other than English), on page 3, has been revised to reflect a new amendment to State Board rules. Also effective August 8, 2006, the rule allows proficient students to complete their foreign language requirement through classes at a higher level than Level III.

EHAC (LOCAL) BASIC INSTRUCTIONAL PROGRAM
REQUIRED INSTRUCTION (SECONDARY)

As noted at EHAC(LEGAL), State Board of Education rules newly require districts to adopt a policy declaring “the extent to which students enrolled in middle and junior high school settings are allowed to meet physical activity requirements throughout the school year” and to provide for exemptions as noted in EHAC(LEGAL).

Policy Service has drafted the enclosed EHAC(LOCAL) policy to fulfill that requirement. If your district does NOT require a program of physical activity at the middle school or junior high school level, please advise your Policy Consultant/Analyst so that our records can be adjusted for accuracy.

Likewise, if the district imposes a requirement and the provisions of the enclosed policy need to be revised, please contact your Policy Consultant/Analyst for assistance.

EHB (LEGAL) CURRICULUM DESIGN
SPECIAL PROGRAMS

The key change in this policy may be found at PARENT EDUCATION: permissive State Board of Education rules regarding parent education programs for parents/guardians of students with dyslexia and related disorders have been replaced with a mandate to provide such programs.

Apart from this substantive change, the policy has been reorganized and refined throughout to more closely track current statute and rule.

EHBL (LEGAL) SPECIAL PROGRAMS
HIGH SCHOOL EQUIVALENCY

Provisions regarding the High School Equivalency Program (HSEP) and General Education Development (GED) testing have been moved to this new policy code from EK(LEGAL), where they were found previously.

Throughout, the policy has been refined to more closely track statute and rules. Of note are two provisions on page 1 that were not previously included:

- The requirement—found at AUTHORIZATION FOR PROGRAM—that the district conduct a public hearing prior to applying to TEA for approval to offer an “HSEP.”
- The six-hour daily limit on the time that a student may receive HSEP instruction, as reflected at OPERATION OF PROGRAM.

EHBL (LOCAL) SPECIAL PROGRAMS
HIGH SCHOOL EQUIVALENCY

Your existing (LOCAL) policy provisions regarding the district’s General Education Development (GED) testing center—previously found at EK(LOCAL)—have been moved to this new policy code specifically for high school equivalency programs.

EIF (LEGAL) ACADEMIC ACHIEVEMENT GRADUATION

ALTERNATIVE ASSESSMENTS, beginning on page 1, reflects selected provisions of new Commissioner's rules concerning exit-level assessments. The rules, effective April 3, 2006, are intended to fulfill the requirements of HB 25, from the 79th regular session. That bill authorizes the Commissioner to adopt by rule one or more alternative nationally recognized norm-referenced assessment instruments by which students—either new to Texas public schools or not having attended a Texas public school within the last four years—can earn a diploma.

An eligible student will be exempt from the exit-level TAKS assessments in each subject area in which the student has met the passing standard established by the Commissioner on an approved alternative exit-level assessment. The new rules identify the Scholastic Aptitude Test (SAT) verbal/critical reading tests and the American College Test (ACT) English and mathematics tests as approved alternative exit-level assessments. The performance standard for the SAT English language arts assessment is at least 472 and for mathematics, at least 461. The adopted passing standard for the ACT alternative assessment for English language arts is at least 17.7 and for mathematics, at least 19.5. Once a district or charter school has verified that the student is eligible for and has satisfied the requirements under this subchapter and satisfied the coursework requirements to be eligible for a high school diploma in Texas, the district or charter school is authorized to grant a diploma to the student.

At STATE GRADUATION REQUIREMENTS on page 4, we have added a **Note** pointing to current State Board of Education rules laying out the various state graduation requirements. The level of detail and the difficulty of keeping up to date a recitation of those rules in localized policy manuals favors this approach.

EIF (EXHIBIT) ACADEMIC ACHIEVEMENT GRADUATION

Frequent revisions to the state graduation plans tend to rapidly render this series of exhibits out of date, and the "fine print" of the various plans is increasingly difficult to capture in a user-friendly format. Our experience suggests that instructional supervisors rely on TEA Web resources for this information, while high school students and their parents look to curriculum information disseminated directly to students by their school's counseling staff.

For these reasons, we recommend deletion of this exhibit in favor of these other resources. For your convenience, we have included in EIF(LEGAL), also in this update, the Web address of the various state graduation plans.

EK (LEGAL) TESTING PROGRAMS

Provisions regarding LOCAL ACHIEVEMENT TESTING have been revised to incorporate more detail from State Board of Education rules adopted in 2003, including:

- The definition of "assessment instruments" subject to these rules.
- The requirement that the results be verified and reported to the board within 90 days and, if a district-developed test, to TEA as well.

Other changes in this policy include the deletion of all material pertaining to the High School Equivalency Program and GED testing, material now found at the newly created EHBL policy code.

EK (LOCAL) TESTING PROGRAMS

Your existing (LOCAL) policy provisions regarding the district's General Education Development (GED) testing center have been moved to EHBL, a new policy code specifically for high school equivalency programs.

FFAD (LEGAL) WELLNESS AND HEALTH SERVICES
COMMUNICABLE DISEASES

At SEXUALLY TRANSMITTED DISEASES appears Texas Department of State Health Services rules excluding principals (and certain others) who are not also “medical directors” from the reporting requirement for such diseases.

At BACTERIAL MENINGITIS is an additional provision from the Education Code allowing districts, with TEA approval, to undertake alternative notification procedures to those specified by the agency.

FFC (LEGAL) STUDENT WELFARE
STUDENT SUPPORT SERVICES

This policy has been redeveloped and expanded to more fully present statutory and regulatory requirements and options regarding student support services.

The text enclosed now includes:

- An option provided by Chapter 37 of the Education Code for districts to establish a SCHOOL–COMMUNITY GUIDANCE CENTER, if appropriate. The center may be set up and financed jointly with a governmental agency that is concerned with children and has jurisdiction in the district.

Reverse auction procedure means:

1. A real-time bidding process usually lasting less than one hour and taking place at a previously scheduled time and Internet location, in which multiple suppliers, anonymous to each other, submit bids to provide the designated goods or services; or

OUT-OF-STATE
BIDDERS

The Board shall not award a contract for general construction, improvements, services, or public works projects or for purchase of supplies, materials, or equipment to a bidder whose principal place of business is not in this state, unless the nonresident underbids the lowest bid submitted by a responsible resident bidder by an amount that is not less than the amount by which a resident bidder would be required to underbid a nonresident bidder to obtain a comparable contract in the state in which the nonresident's principal place of business is located. *Gov't Code 2252.001, 2252.002*

This requirement shall not apply to a contract involving federal funds. The District shall rely on information published by the BPC in evaluating the bids of a nonresident bidder. *Gov't Code 2252.003, 2252.004*

INTERLOCAL
AGREEMENTS

To increase efficiency and effectiveness, the District may contract or agree with other local governments and with state agencies, including the BPC, to perform some of its purchasing functions.

Gov't Code 791.001, 791.011, 791.025

An interlocal contract must be authorized by the Board and the governing body of each contracting party; must state the purpose, terms, rights, and duties of the contracting parties; and must specify that each party paying for the performance of governmental functions or services shall make those payments from current revenues available to the paying party.

An interlocal contractual payment must be in an amount that fairly compensates the performing party for the services or functions performed under the contract. The contract may be renewed annually.

Gov't Code 791.011(d)–(f)

The District may agree with another local government, including a nonprofit corporation that is created and operated to provide one or more governmental functions and services, or with the state or a state agency, including the BPC, to purchase goods and services reasonably required for the installation, operation, or maintenance of the goods. Such an agreement may not, however, apply to services provided by firefighters, police officers, or emergency medical personnel.

A district that purchases goods and services by agreement with another local government or with the state or state agency satisfies the requirement to seek competitive bids for the purchase of goods and services.

The District may not adopt product purchasing specifications that unnecessarily exclude agricultural products produced, processed, or grown in Texas.
