

SY 22-23 Grade 7 Reading Instruments Guidance and Instructions for Submitting a Waiver

July 2022

TEC, §28.006(c-1) requires each school district to administer at the beginning of the seventh grade a reading instrument adopted by the commissioner to each student whose performance on the grade 6 STAAR reading assessment did not demonstrate reading proficiency.

The commissioner has adopted the following:

- Istation's Indicators of Progress, Advanced Reading (ISIP-AR)
- Reading Analysis and Prescription System (RAPS 360)
- Texas Middle School Fluency Assessment (TMFSA)
- Woodcock Johnson III Diagnostic Reading Battery (WJ III DRB)

LEAs are required to use one of these reading diagnostic instruments. Districts may request a waiver in order to use another instrument approved by a local district board of trustees in order to best meet student needs in the 2022-2023 school year only.
