

Waelder ISD Board of Trustees
Action Sheet

Board Meeting Date: 04-20-26

AGENDA ITEM: ANNOUNCE CEC FOR WISD TRUSTEES

PRESENTOR: Board President, Dora Noyola

BACKGROUND INFORMATION & RESOURCES:

Legal Requirement. School board members must complete training that is required by the State Board of Education, and the board president must publicly announce whether each board member has met their training requirements. The announcement must be made at the last regular meeting of the board before the uniform election date.

ADMINISTRATIVE CONSIDERATION / RATIONAL:

Even if a school district does not conduct an election in a given year because the election was cancelled due to unopposed candidates, TASB recommends that districts still annually announce board member training. Annual announcements will provide consistent public transparency and accountability.
