

## GOOSE CREEK CONSOLIDATED INDEPENDENT SCHOOL DISTRICT

---

**SHEILA V. CANTU**

**DIRECTOR OF PURCHASING & WAREHOUSE OPERATIONS**

The district has an ongoing need for adaptive equipment, assistive technology, sensory materials, and specialized instructional tools to support special education programs, as these resources are vital for meeting individualized learning needs, complying with special education requirements, and ensuring equitable access to instruction.

A Competitive Sealed Proposal (CSP) #26-002, *Special Education Equipment, Supplies, and Related Items*, was issued to over fifty (50) vendors. A total of thirty-nine (39) responses were received and opened by the Purchasing Department on Friday, September 26, 2025.

An evaluation committee, comprised of representatives from various departments involved in audiological/audiometric needs, was convened to review and assess the proposal. The committee evaluated the responses based on the criteria outlined in the CSP. Each category was scored individually, and the totals were compiled to determine the overall ranking. One vendor retracted their submittal and was not evaluated.
