Re: Resignation

I am writing this letter to inform you of my resignation from Harvey School District 152 as School Psychologist and Early Childhood Case Manager.

Working for the school district has been a gratifying and rewarding professional experience. I have grown in many ways during my time here and I appreciate the opportunities I have obtained through Harvey School District 152 via your professional guidance and support.

This decision was not an easy one and involved many hours of thoughtful consideration, particularly with respect to my own plans for my future. I am confident, however, that my new position represents a positive move toward fulfilling my career goals. I wish you and the district success in the future.

If I can be of assistance during this transition, please let me know.

Sincerely,

A handwritten signature in dark ink, appearing to read "Rebecca Akridge-Dixon". The script is cursive and somewhat stylized, with the first name "Rebecca" written in a larger, more prominent hand than the last name.
