

February 3, 2023

Neah-Kah-Nie High School would like to recognize Marlene Acker as our volunteer of the month. Marlene has actually been an amazing Pirate supporter for years cheering at sports events, supporting coaches and our students with her Pirate Spirit. She loves baseball and has been a fixture at the diamond for years, most recently she has shared the love by adopting our FNRL team and showering them with her generosity. Marlene is an NKN Alumni who has a passion for helping students reach their potential. She brings a positive spirit, consistently encouraging and also keeps their engines fueled with healthy snacks. She attends events, she even supported the students when they presented at our last board meeting. FNRL students consider her as the team's super star.

There are not enough words to accurately describe what Marlene means to us. We want her to know how important it is to have her in our corner!
