EIC (LOCAL) –

CLASS ACHIEVEMENT

CLASS RANKING – (CURRENT EXISTING POLICY)

See attachment of current policy.

RATIONALE FOR CHANGE -

The district was notified by TASB attorney Ifeorna Odita the district had adopted a weighted grade point average scale consisting of tiers with special education courses occupying the lowest tier. CISD administrators have rewritten the policy to more accurately reflect the weighted grade point scale. In addition, the current Policy EIF (LOCAL) needed to be modified to more accurately reflect the graduation requirement at New Tech while preserving the graduation requirements at Coppell High School. Policy concerning ties among the top ten ranked graduates is also addressed.

It is recommended the Policy EIC (LOCAL) be changed to reflect the following:

ACADEMIC ACHIEVEMENT

CLASS RANKING – (SUGGESTED NEW POLICY)
