First Report Cards Coming Soon!

It is hard to believe that we are almost finished with our first 9 weeks of school. The students are working hard!

I want to remind you once again that your child's binder is our communication tool with you. Your child will have homework every day Monday-Thursday. Please go over their homework to make sure it is completed and sign the sheet or book provided in the binder each evening. This is so IMPORTANT for your child!

The Book Fair Needs You!

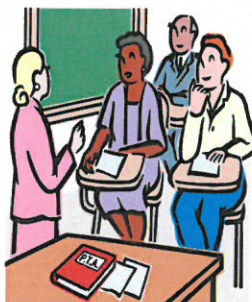

We are looking for parents who would be willing to help and volunteer for our **Book Fair Oct. 12-16th**. Please call the office at 771-6150 if you are interested! It is a great opportunity to be a part of your child's day here at school!

Parent Teacher Conferences

October 21-22 from 4-7:00 p.m.

Make sure to attend conferences and see what great things your child has been doing! This is a great opportunity to ask your child's teacher questions about homework, points, and more.

"I am responsible for doing the work I need to do today even though it may be hard." ~Helen Keller

Get Shots Up to Date

Please make sure to have your child's shot immunizations up to date. You will be contacted soon and your child will not be allowed to come to school if these shots are not recorded as up to date. We need to keep our kids safe here at school. If you have any questions, please contact the nurse, Mrs. Stacy at 771-2345.

Important Reminders

We have established some routines and procedures for dismissal so that students get to where they need to be. Here are just a few things to remember:

- **New change:** We can no longer charge single items like milk to an account for lunch.
- **NO child will be released later than 2:00 p.m.** from the office due to the established dismissal procedures. If you have an appointment, please plan accordingly.

Responsibility—To be accountable for your actions

How Important is Sleep?

Students and teachers obviously have a lot of responsibility related to school. The students' parents also have a very important role to fulfill. By following these tips, parents can help their kids better succeed at school.

Make Sure Your Kids Get Enough Sleep

A child in kindergarten should be getting 10 hours of sleep each night.

Not getting enough sleep can cause many different problems. You know that when your child is tired he or she can be grumpy and emotional. There are other problems that aren't as obvious. Being overtired makes it easier to get sick. In school, students who are tired have a harder time paying attention, and they have a harder time remembering what they are supposed to be learning.

For many students, school starts early in the morning. Activities, television, and computers make it easy for students to be wide awake late into the night. The end result? Tired students.

Aim for your child to go to sleep around the same time each night and to get up at about the same time every day – even on the weekends. Having an established sleep schedule will make it easier for the student to get the sleep he or she needs.

School Wide Reading Challenge!

One of our fourth graders, Kapri Nickerson, has challenged the school to reach 2800 points by October 26th. If the student body is able to obtain the goal, the teachers will dance to Watch Me (Whip/Nae Nae) during the Raider Rally on October 28th. Students will also be able to dress as their favorite character from a book on October 28th!

Raider Rally

Each month Glen Acres has a Raider Rally. During this celebration, we bring the entire school together. We recognize exceptional behavior in and outside of the classroom. Students are able to work together as a class to earn the....

Mrs. Fisher's Class ~ "Golden Spatula" - Outstanding behavior and cleanliness in the cafeteria

"Mrs. Coomler's Class ~ Golden Plunger" - Outstanding cleanliness in their classroom

Students are also able to earn tickets throughout the month. Tickets are drawn for small prizes every Friday. Then all the tickets that weren't drawn are added together and drawn for larger prizes each month at the Raider Rally. This month students were able to earn sidewalk chalk, hula hoops, and a skateboard.

To finish up the Raider Rally, each teacher nominates an "Outstanding Student" from their class. These students get a certificate from Subway and their picture is placed on the bulletin board outside the office.

From the Principal

Parents and Guardians,

Miami will be participating in National Walk to School Day for the first time this year. On October 7, 2015 we will have volunteers stationed around the school for a StoryWalk. The goal is for our students to hear a complete story before the start of school. We will have two StoryWalk stations. StoryWalk #1 will be located at the far end of the playground for car riders. StoryWalk #2 will be located at the main entrance for bus riders and walkers. Volunteers will be stationed along the pathways to read pages from a book and guide the students through the StoryWalk. Families are welcome to join their children as we celebrate Walk to School Day. Please send your child to school at their normal arrival time.

Doors to the building will still open at 8:00am.

From the Principal...

Dear Parents/Guardians:

Edgelea is participating in a new event this year. On **October 7, 2015**, we will take part in National Walk to School Day and parents are invited to participate, too! United Way is partnering with us to make this event special for our students and families.

When students arrive to school, volunteers and Edgelea staff members will direct them toward the playground area where the fun begins. Volunteers will be reading portions of a story from a big book and students and parents will make their way around the school, stopping at designated locations to hear the story. By the time they reach the southwest door, they will have had the entire story read to them.

Even students who are dropped off or ride the school bus will participate. The event is to promote wellness and safe routes to school, and we certainly want to include everyone. We hope you consider participating in this event.

Sincerely,

Alicia Clevenger

◆ **Parent/Teacher Conferences** will take place October 21st and 22nd from 4:00-7:00 p.m. each day. This is an opportune time to meet individually with your child's teacher and discuss their academic progress. Teachers will review your child's data with you on standardized tests and their classroom work. You will soon receive information to make an appointment to meet with your child's teacher. Each conference will be scheduled to last 10 minutes. In the case of more than one child per family, every effort will be made to schedule all conferences in one visit for your convenience. We would like for both parents to come if possible. It is important to your child's education that you make every effort to attend. Thank you for your participation in your student's education and we look forward to seeing you.

◆ **Parent Involvement:** One of our school goals this year is for all students to complete a monthly family math problem and show weekly evidence of reading through a parent response form. Your child's teacher may be sending a reading calendar, log, or comprehension sheet, all of which are considered a parent response form. The family math problem is sent home at the beginning of each month. If you need to locate the math problem again, please see the Edgelea website. When you send these items in completed and signed, you will earn VIP (Very Important Parent) points. As an incentive, if you earn 75% of the points possible for the school year you will be invited to spend an evening at Tropicane Cove with other Edgelea families!

FROM THE PRINCIPAL

Fall Break is coming! Fall Break is coming!

For everyone, it is a chance to catch their breath, re-charge, and get ready for Round Two. We've made it through the start of a new school year, all of the initial testing, and settled into our routines. As crazy as it sounds, Winter Break is almost here. After Fall Break, it's just three and a half weeks until Thanksgiving! After that, three short weeks until Winter Break. I'm certain all of it will be an exciting blur.

Why do I mention this? Because October 21 & 22 we have Parent-Teacher Conferences... a great opportunity to help you and your child prepare for what is coming next. Parent support and involvement is one of the leading factors in ensuring student success. Understanding your student's achievements and challenges in the classroom is an essential part of education as it helps the school and home forge a strong partnership. I understand how hectic schedules can be, but I would ask each family to make time to attend these conferences. 100% participation is our goal!
