PRESENTER TITLE & NAME:	Deputy Superintendent: Chris Daniel
DEPARTMENT:	Staff and Student Services

BACKGROUND INFORMATION

Update 124 is provided by TASB in the attached document. All updates are summarized on the [TASB Update 124 spreadsheet](#).

District Administration is recommending a revision to DEC (LOCAL) to address employee leave in the event of an immediate family member's death. The proposed update would provide employees with three days of bereavement leave, allowing them time off without a reduction in pay or the use of other paid leave.

Additionally, the District Administration is recommending an increase in paid local leave for employees. Currently, each employee receives five paid local personal days and five paid state days per year, which can be used in accordance with District policy. The proposed update would raise the local personal day allotment from five to seven.
