Dear Mrs. Johnston and Mr. Valenzuela,

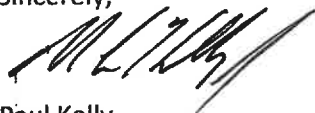

Please let this letter serve as my official resignation from the Three Rivers School District School Board effective 30 June 2022. I have, with much deliberation, decided I need to focus my time and energy in a different direction. I am proud of the accomplishments of the school district over the seven years of my service. Not only have we increased graduation rates by 20% +, but we have also created an educational environment for all students to grow and learn. We weathered the brunt of the COVID pandemic and came out stronger than ever.

I want to thank my constituents who voted for me and gave me the chance to serve our community in the capacity of Three Rivers School District Board Member. I considered serving as an honor and responsibility that requires more time, energy and focus than I feel I can continue to provide.

To my fellow Board Members (past and present), it has been an honor and a privilege to serve with you. I consider you friends and wish you the very best as you continue to guide the school district and serve our students, families, staff and the greater community.

Lastly, I want to thank everyone in the Three Rivers School District for their service to our families. The past two years have been an incredible challenge for all us and I have seen everyone in the Three Rivers School District rise to the challenges and overcome them.

Sincerely,

Paul Kelly
