GGS Spring Music Program

Wednesday, May 8th at 6:30 pm

Students will demonstrate their musical skills they have been learning and practicing in music class. Come enjoy the performance, the program will start at 6:30 pm in the gymnasium.

Students meet with their teachers in the classrooms at 6:15pm.

Astoria Maritime Coming to Visit GGS

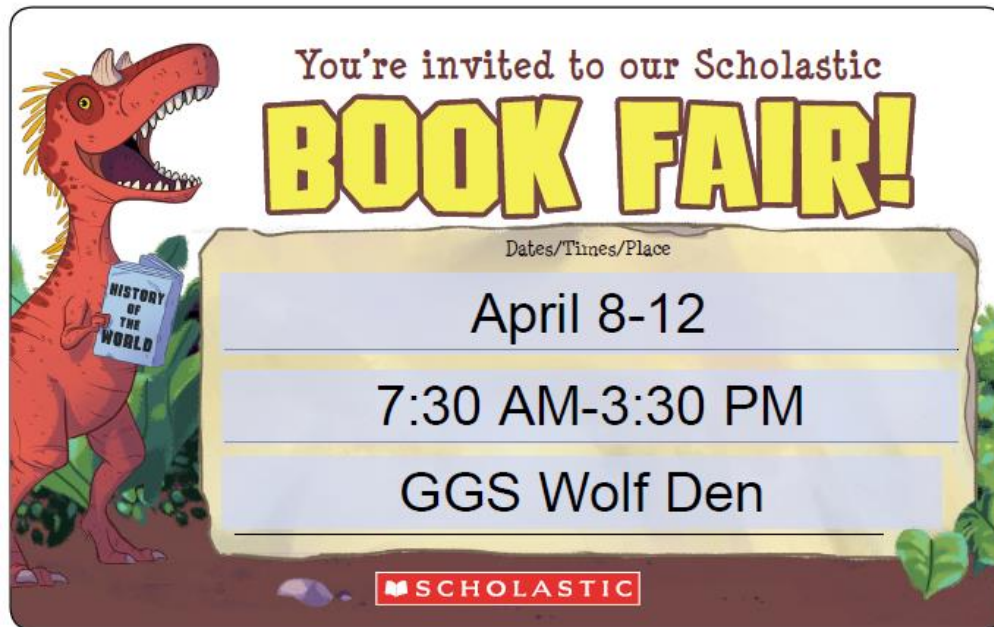

GGS students will participate in *Sharks of the Pacific Northwest* with the Astoria Maritime Museum. There are over 400 different types of sharks in the world. Here in the Pacific Northwest our waters are home to 15 of those species, some of which are the most unusual looking, dangerous, and even tastiest sharks in the ocean. In this lesson, students will learn about one of the most important and misunderstood creatures in ocean. All k-5 students will attend on April 3rd.

Earth Day

In collaboration with Food Roots, all GGS students will celebrate Earth Day on April 19th this year. Students will learn about school stewardship, transpiration, composting, and soil. We are looking for parent volunteers to help with activities.

Plastic Lids

Reuse your plastic lids! Please save and send in clean plastic lids of any shape, size, or color. They will be used during our Earth Day celebration.

Congratulations to Karsten Johansen,
4th grader in Mrs. Clifton's class.
He qualified to go to State Chess for
Success in Portland. We are proud of
you Karsten!
