

Teacher Cadet Program Acceptance Letter
Preparing Cadets To Be Teacher Leaders!

Date _____

Dear _____

Congratulations on being selected for the Teacher Cadet Program with the Belle Plaine School District. You were chosen because the school felt you would represent us positively in the community and will be able to handle the responsibility of an experience of this nature. We truly believe this will be the most important class you take as you determine your future career. You may find that you love your career choice and have solidified the career for your future, or you may find out that it is not what you expected; that is just fine too as it will save you time and money after high school.

This experience takes a mature student because you will need to be responsible enough to do coursework without daily reminders. You will be given a course description to help you organize your year.

If you have any questions, please visit, call, or email us at anytime.

Sincerely,

Margot Hansen
