BACKGROUND INFORMATION:

In spring and summer of 2009, the FFA is planning to sponsor an auction/garage sale. The district has some surplus equipment that is no longer useful to the district. Most are in storage and are taking up space. The Transportation Department will have 5 old buses for sale. Presently, we are looking for an online auctioneering service to sell the buses. Several schools in the area have used an online method and have received better bids on old buses. The Board needs to provide authorization to sell this surplus property.
