Monthly Characteristics

April

Proactive

Showing a positive attitude towards learning, choosing actions, moods and is willing to participate in group activities.

May

Synergize

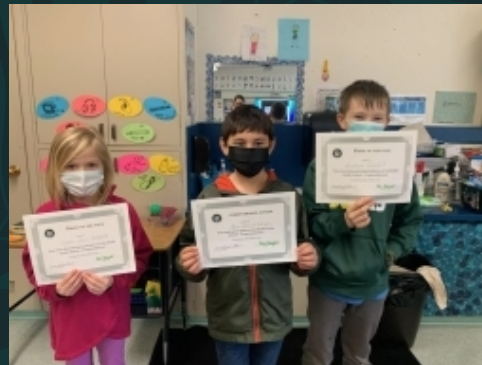

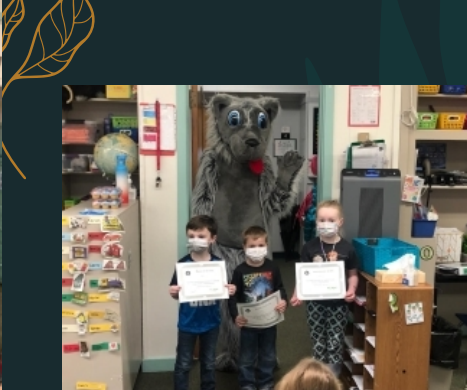

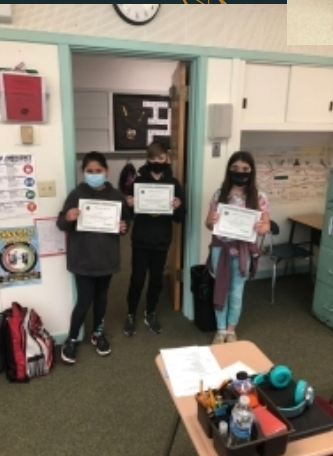

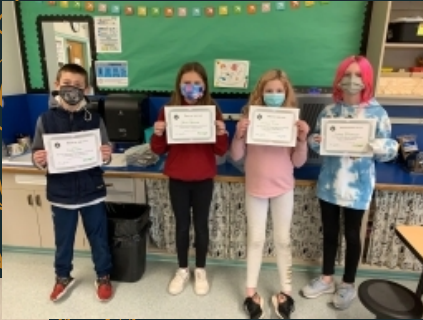

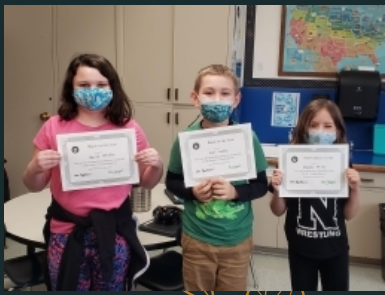

Valuing other people's strengths and learn from them. Getting along with others even people who are different than me. I work well in groups and understand we can create better solutions together.

February

During the month of February we were looking for student demonstrating integrity. All teachers mentioned it was hard to only choose two students per class for this award!

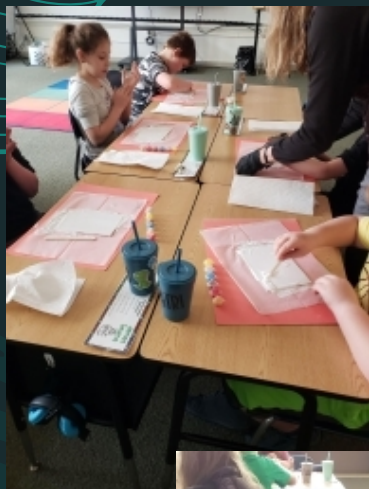

Art Literacy

Partnering with Sitka Art and Ecology

Thanks to the Mudd Nick Foundation, we are able to continue to have our monthly art lessons

Creating Fractal Patterns w/ Ink & Acrylic

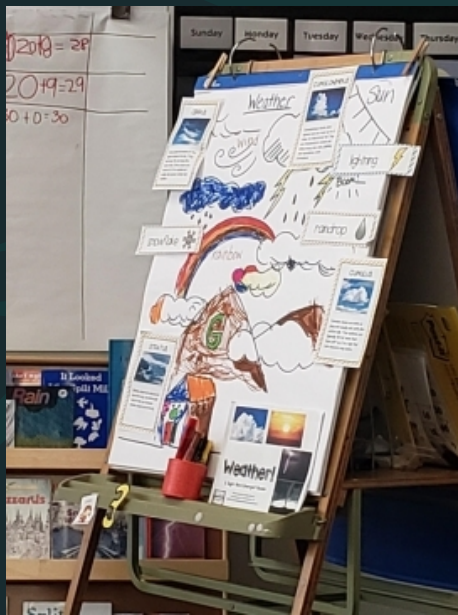

Students were looking at patterns and repetition. They were able to look at different fractals in nature during this last lesson.

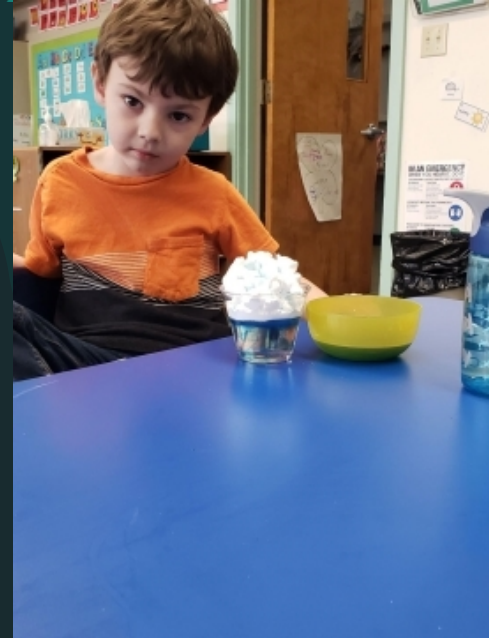

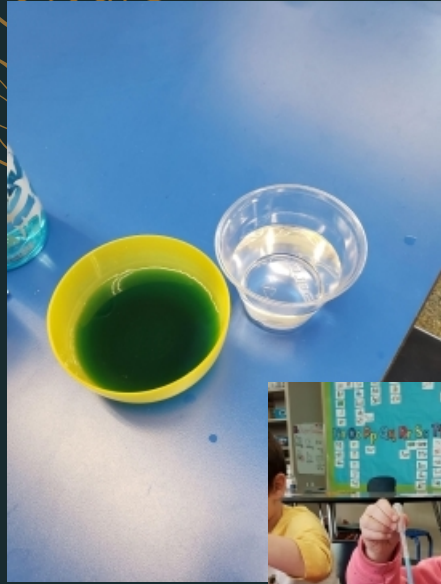

The background is a dark teal color with faint, overlapping leaf patterns. In the corners, there are more prominent leaf designs: gold outlines in the top-left and bottom-right, and teal outlines in the top-right and bottom-left.

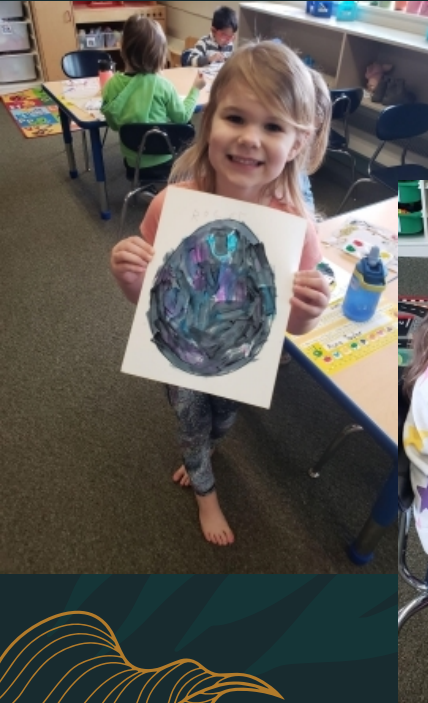

K/1 Weather Unit

Preschool Art

Upcoming Field Trips

5th Grade Clamming

Partnering with WEBS
(Friends of Netarts
