

The mission of Nippersink District 2 is to foster academic growth, instill integrity, confidence, and civic responsibility while preparing all students for an ever-changing global society.

Curriculum:

SRP Update

RGS staff have been introduced to the *I Love U Guys* Standard Response Protocol (SRP) and have already completed our first two Evacuate (Fire) Drills of the year. We are working closely with the Richmond Police Department to gradually roll out each response, just as we did with our previous drill system, and to gather feedback along the way. Both staff and students have also shared valuable feedback and asked thoughtful questions to help everyone better understand the new protocols.

RB Student Leaders Return!

We are excited to welcome back the RB Leadership Team this year! During lunch and recess, RB students will once again join us to talk, play, and connect with our students. This program, piloted last year by Districts 2 and 157, was such a success that we're thrilled to continue it. This year's team includes new RB students from a variety of sports and activities, ready to share their leadership, experiences, and positive influence with our school community.
