Dear Megan McMillin:

This letter is in response to your Freedom of Information ("FOIA") request to Pleasantdale School District 107 dated August 18, 2025. Specifically, you requested that the District provide you with the following information:

"I am requesting all records documenting internal complaints, reports, or notations regarding the elementary school gym teacher, Mr. Emso, specifically as they relate to an incident involving my child, James McMillin.

This includes any reports, entries, or formal complaints made by staff members, including Principal Kathleen Tomei, in any district personnel or internal reporting systems. I previously submitted a formal written complaint to the district regarding this incident and am requesting these records to verify whether it was properly documented and handled according to district procedures.

This request is made to ensure transparency and accountability. I expect the records to clarify whether district procedures were followed and whether my child's incident was appropriately recorded.

I hereby waive any privacy protections under the Illinois School Student Records Act (ISSRA) to allow the district to release records relating to my child."

On June 25, 2025, you made a request for student records related to the email you sent Ms. Tomei last fall and her response. The District provided you with these records on July 7, 2025. The District conducted a search for any additional records responsive to your request; however, no responsive records were found.

If you have any questions or concerns related to this response, please contact me.

Respectfully,

Griffin Sonntag

Pleasantdale School District 107 FOIA Officer
