Meeting with Legislators

- I will be attending a meeting with legislative leadership on Thursday evening, February 9th in Boise.

Possible Grant Opportunity

- We will be participating in a call with the Albertson's Family Foundation on Monday, February 13th to discuss the possibility of a grant for ten four day week school districts in Idaho. They reached out to me last week about the possibility. The Foundation wants communities to be a partner if not the driver in this grant.

Idaho Career & Technical Education Change in Program

- We will be completing the forms for a possible change in programs in our CTE offerings. In anticipation of a possible retirement, we are putting in a place holder with the Division of Career & Technical Education in case we need to make a change for next year. The deadline for any change to programs is February 15th.
