

Localized Policy Manual

Update 88

Crockett County Consolidated CSD

Update 88 addresses numerous changes from the Administrative Code. Many of these rule changes are in response to legislation from the 81st Texas Legislative Session. Major topics affected by the rule changes include textbooks, district awards for teacher excellence, Family Medical Leave for military service of relatives of district employees, performance appraisals, student physical education, curriculum, automatic admission, assessments, retention and promotion, limited English proficient students, and compulsory attendance.

Changes not stemming from Administrative Code revisions include new local policy text addressing notification to affected individuals in the event of a security breach of electronic data and employee use of electronic media, and new legal provisions addressing juvenile residential facilities and Public Information Act requests.

Please bear in mind that the (LEGAL) policies reflect the ever-changing legal context for governance and management of the district. They should NOT be adopted but, rather, should inform local decision making. The (LOCAL) policy recommendations in this update will need close attention by both the administration and the board to ensure that they reflect the practices of the district and the intentions of the board. Board action is needed to adopt, revise, or repeal (LOCAL) policy.

In addition to the updated policies, your Localized Update 88 packet contains:

- **INSTRUCTIONS** . . . providing specific, policy-by-policy directions on how this update, if accepted as prepared, should be incorporated into your Localized Policy Manual.
- **EXPLANATORY NOTES** . . . summarizing changes to the policies in each code. Please note that, where appropriate, the Explanatory Notes ask you to **verify that a particular policy reflects your current practice and to advise us of changes needed** so that our records and your manual accurately track the district's practice.

Vantage Points—A Board Member's Guide to Update 88 may be found in the separately wrapped package accompanying this packet. ***Vantage Points*** offers a highly summarized overview of the update and is intended to provide local officials a first glance at the scope of the update—as a prelude to studying the detailed Explanatory Notes and policy text within the packet. **Please distribute the enclosed copies of *Vantage Points* to your board members at the earliest possible opportunity, preferably with their review copies of this update.**

Update 88 policies are so identified in the lower left-hand corner of each policy page. If you have any questions concerning this Update, please call your policy consultant at 800-580-7529 or 512-467-0222.

Regarding board action on Update 88 . . .

- Board action on Localized Update 88 must occur within a properly posted, open meeting of the board and may be addressed on the agenda posting as “Policy Update 88, affecting (LOCAL) policies (see attached list).” Policy On Line districts have access to a list of the (LOCAL) policies included in the update through the Local Manual Updates application in myTASB. Other districts may generate a list of the (LOCAL) policy codes added, revised, or deleted (and the titles/subtitles of those policies) using the Instruction Sheet as a guide and attach that list to the posting. BoardBook compilers should use “Policy Update 88, affecting (LOCAL) policies” as the agenda item and, as agenda sub-items, the code and name of each of the (LOCAL) policies affected by the update.
- A suggested motion for board action on Localized Update 88 is as follows:
“I move that the board add, revise, or delete (LOCAL) policies as recommended by TASB Policy Service and according to the Instruction Sheet for TASB Localized Policy Manual Update 88 [with the following changes:]”
- The board’s action on Localized Update 88 must be reflected in board minutes. The Instruction Sheet—annotated to reflect any changes made by the board—and the Explanatory Notes for the update should be filed with the minutes where they make up the authoritative record of your board’s actions. Include a copy of new, replaced, or rescinded (LOCAL) policies.
- In constructing the separate historical record of the manual, the emphasis is on tracking the history of individual policies. For guidance on maintaining this record, please refer to the **Policy Administrator’s Guide** at http://www.tasb.org/services/policy/mytasb/admin_guide/index.aspx.

Regarding manual maintenance and administrative regulations . . .

- **Notify your policy consultant of any changes made by the board so that Policy Service records—forming the basis for subsequent updating recommendations—exactly mirror your manual.**
- The update should be incorporated into each of the district’s Localized Policy Manuals as soon as practicable. If the district uses Policy On Line, you will need to notify us of the board’s action on Update 88 so that your district’s Localized Policy Manual as it appears on TASB’s Web server can be updated. Policy On Line staff may be reached by phone (800-580-7529 or 512-467-0222), fax (512-467-3618, using the tan form enclosed), e-mail (pol-support@tasb.org), or Internet feedback form (<http://www.tasb.org/policy/pol/private/polfdbk.html>).
- Administrative procedures and documents—including formal (REGULATIONS), handbooks, and guides—that may be affected by Update 88 policy changes should be inspected and revised by the district as needed.

PLEASE NOTE: This Localized Update packet and the Update 88 **Vantage Points** may not be considered as legal advice and are not intended as a substitute for the advice of the board’s own legal counsel.

TASB Localized Policy Manual Update 88

District: Crockett County Consolidated CSD
CCG (LEGAL) LOCAL REVENUE SOURCES
AD VALOREM TAXES

A new Administrative Code provision, effective March 1, 2010, is cited at HOMESTEADS RENDERED UNINHABITABLE OR UNUSABLE, on page 7, and addresses the duration of the homestead exemption in these circumstances.

CDB (LEGAL) OTHER REVENUES
SALE, LEASE, OR EXCHANGE OF SCHOOL-OWNED
PROPERTY

Text at SALE, LEASE, OR CONVEYANCE OF ANY INTEREST IN REAL PROPERTY, on page 3, has been revised to reflect modifications to Civil Order 5281 by the Fifth Circuit Court of Appeals in *United States v. Texas* (2010). In this most recent decision, the Fifth Circuit held that some districts are now exempt from Civil Order 5281, which requires certain districts to notify the Commissioner when real property is sold, leased, or otherwise conveyed. For further information on exemption status, see TEA's April 8, 2010, To the Administrator Addressed Letter at <http://ritter.tea.state.tx.us/taa/legal040810.html>.

CFA (LEGAL) ACCOUNTING
FINANCIAL REPORTS AND STATEMENTS

Changes to the PUBLIC HEARING and notice requirements for the annual financial management report are prompted by amendments to the Administrative Code, effective May 31, 2010. See page 3.

The amendments clarify that the district must give notice of the public hearing to property owners in the geographic boundaries of the district and to parents of district students. Likewise, notice of the hearing must be provided to a newspaper of general circulation in the geographic boundaries of the district. Although not included in policy, the Administrative Code revisions also include changes to the "School FIRST Rating Worksheet" that explains the indicators that TEA uses to assign school district financial accountability ratings and that specifies the minimum financial accountability rating information that the district must report to parents and taxpayers in the district. The revised form may be found at <http://info.sos.state.tx.us/fids/201002534-1.pdf>.

CMD (LEGAL) EQUIPMENT AND SUPPLIES MANAGEMENT
INSTRUCTIONAL MATERIALS CARE AND ACCOUNTING

New Administrative Code provisions effective February 22, 2010, affected several sections of this policy:

- A new funding provision at TEXTBOOK FUNDING—MAXIMUM COST requires the State Board of Education (SBOE) to reduce the approved maximum cost for each nonconforming instructional material according to the calculation described in Administrative Code 66.51(a)(11). A district will be responsible for the cost that exceeds the reduced state maximum cost for these materials.
- The district's required CERTIFICATION to the SBOE and the Commissioner stating that the district provides students with textbooks, electronic textbooks, or instructional materials that cover all elements of the TEKS now must be made "prior to the beginning of each school year" instead of "annually"; includes enrichment curriculum subjects in addition to foundation curriculum subjects; and must be submitted in a format approved by the Commissioner. See page 5.

Explanatory Notes

TASB Localized Policy Manual Update 88

- A district is still eligible to receive a TEXTBOOK CREDIT for textbooks purchased at a cost below the price limit set by the SBOE but is only eligible for the credit in the first year of implementation. See page 6.
- In addition, the district must provide NOTIFICATION TO TEA of how the district used the textbook credit and submit an itemized expenditure report to TEA.

We have updated the policy throughout with citations to the new TAC provisions.

CQ (LEGAL) ELECTRONIC COMMUNICATION AND DATA MANAGEMENT

Beginning at SECURITY BREACH NOTIFICATION on page 5, we have added more detail about a district's obligations to notify affected persons in the event of a breach of system security affecting sensitive personal information, including definitions for "breach of system security" and "sensitive personal information."

The persons that a district must notify in such circumstances and the timelines that a district must comply with vary, as provided by Business and Commerce Code 521.053. According to the statute, if a district owns or licenses the computerized data, the district must notify any Texas resident whose personal information was, or is reasonably believed to have been, acquired. In this case, notification must be made as quickly as possible or as necessary to determine the scope of the breach and restore the reasonable integrity of the data system. If a district only maintains, but does not own, the computerized data, the district must immediately notify the owner or license holder. There are exceptions to these timelines if a criminal investigation is pending. In addition, a district required to notify more than 10,000 persons at one time must also notify each consumer reporting agency without unreasonable delay.

Although the district must comply with these legal provisions governing to whom it must give notice and the timing of the notice, a district may use the notification *methods* set out in the district's policy rather than using the notification methods included in the Business and Commerce Code.

To assist districts in creating such a policy, this update includes provisions that address notification methods in the event of a security breach. See CQ(LOCAL), below.

CQ (LOCAL) ELECTRONIC COMMUNICATION AND DATA MANAGEMENT

As described above at CQ(LEGAL), districts may establish their own policies addressing notification methods in the event of a breach of system security affecting sensitive personal information as long as the policies follow the disclosure and timing requirements found in the Business and Commerce Code. A district that establishes and follows its own notification procedures will be in compliance with the law if it notifies affected persons in accordance with its policy.

While the district is not required to adopt a policy addressing notification methods to be used in the event of a breach of security, the recommended provisions included here simplify the Business and Commerce Code requirements and therefore should be beneficial in the event of a security breach. A district that chooses not to adopt local policy provisions would be required to comply with the more detailed notification procedures found in section 521.053 of the Business and Commerce Code.

The recommended text included at this update allows SECURITY BREACH NOTIFICATION to be made through several methods: written notice, e-mail, posting on the district's Web site, or through broadcast media.

If your district does not wish to add these notification procedures to local policy, please contact your policy consultant.

CS (LEGAL) FACILITY STANDARDS

We have deleted from this policy, at RELOCATABLE EDUCATIONAL FACILITY, a repealed provision requiring inspection of portable, modular buildings purchased or leased between September 1, 2007, and December 31, 2009.

On page 8, we have revised the text on REPORTING LEAKS of LP-gas systems based on recent amendments to the relevant Administrative Code provisions, effective December 28, 2009. In the event of a leak, the district must still remove the affected school district facility from LP-gas service until repairs are made and it passes a subsequent school LP-gas system leakage test. However, if an employee of a school district performs the initial test, the rules prohibit a school employee from performing the subsequent test. New definitions have been added for “school district facility” and “school LP-gas system.”

We have also added a citation to the testing procedures at REQUIREMENTS OF TEST on page 7 and updated citations throughout the policy.

DBD (LEGAL) EMPLOYMENT REQUIREMENTS AND RESTRICTIONS CONFLICT OF INTEREST

Changes at TEXTBOOK VIOLATIONS, on page 3, reflect the expanded existing statute prohibiting the receipt of commissions, rebates, gifts, services, or favors related to textbook purchases to also apply to electronic textbooks, instructional materials, and technological equipment. This change is from the 81st Texas Legislative Session and was added at EFAA, Textbook Selection and Adoption, at Update 86.

DEA (LEGAL) COMPENSATION AND BENEFITS SALARIES AND WAGES

Rewording of provisions at HEALTH-CARE SUPPLEMENT FOR SUPPORT STAFF, beginning on page 2, clarifies that the salary allotment funds that TEA distributes to districts for the annual health-care supplementation given to certain employees are in addition to wages a district would otherwise pay the employee during the school year and do not constitute an annual salary increase.

Changes at FAIR LABOR STANDARDS ACT, beginning on page 4, incorporate existing law on BREAKS FOR NONEXEMPT EMPLOYEES and add new provisions requiring districts to provide BREAKS FOR BREASTFEEDING. A district must pay nonexempt employees for rest breaks, including coffee or snack breaks, of up to 20 minutes. Meal breaks of 30 minutes or more are unpaid as long as the employee is completely relieved of job duties during the break. The new breastfeeding provisions require districts to provide a nonexempt employee a reasonable break to express breast milk each time the employee needs to do so for up to one year after a child’s birth. The district must make available to the employee a location, other than a bathroom, that is shielded from coworkers and the public. The district is not required to pay a nonexempt employee for a breastfeeding break. Exemptions from the provisions on breaks for breastfeeding apply to districts that employ fewer than 50 employees.

DEAA (LEGAL) COMPENSATION AND BENEFITS INCENTIVES AND STIPENDS

As a result of new Administrative Code rules, effective June 24, 2010, we have revised text on the DISTRICT AWARDS FOR TEACHER EXCELLENCE (DATE) program. Changes include:

Explanatory Notes

TASB Localized Policy Manual Update 88

- Clarification that principals are eligible for DATE awards.
- Revision of the text at EXCLUSION OF CERTAIN EMPLOYEES, allowing a district to exclude principals from the awards and to clarify that a teacher or principal who is no longer at a campus because the employee retired may not be excluded.
- Revision of the text regarding AWARD AMOUNTS to indicate that the district planning committee rather than the board makes exceptions to the minimum award amounts and to indicate that “educators” rather than “teachers” are eligible for awards.

As a result of new Administrative Code rules, effective February 15, 2010, on master technology teachers, we have revised the text at MASTER TEACHER GRANT PROGRAMS on page 2. Grant funds for certified master teachers may now be used to pay a stipend to a master teacher whose primary duties are to teach reading, mathematics, technology, or science.

DECA (LEGAL) LEAVES AND ABSENCES FAMILY AND MEDICAL LEAVE

The National Defense Authorization Act for Fiscal Year 2010, effective October 28, 2009, expands employee leave benefits for a qualifying exigency arising out of a relative’s military service. Previously this type of leave was available only if the relative was serving in the reserves. Now it is available if the relative is on “covered active duty,” which includes regular service in the armed forces if the relative is being deployed to a foreign country. See QUALIFYING REASONS FOR LEAVE, item 5, on page 2.

Throughout this policy we have added citations to the definitions of relevant terms for ease of use. In addition, we have added a DEFINITIONS section, beginning on page 3, with the definitions of NEXT OF KIN, PARENT, SON OR DAUGHTER, and SPOUSE, since these definitions are frequently needed for reference.

Minor editorial revisions have been made at PREGNANCY OR BIRTH on page 3, FAILURE TO PAY PREMIUMS on page 10, DESIGNATION NOTICE on page 13, and MEDICAL CERTIFICATION OF SERIOUS HEALTH CONDITION on page 15.

DECB (LEGAL) LEAVES AND ABSENCES MILITARY LEAVE

In addition to several minor editorial changes to make the policy easier to read, we have added margin notes for REEMPLOYMENT after FEDERAL MILITARY LEAVE and for an EXCEPTION to reemployment. Also, the definition of “uniformed services” is now a separate paragraph.

DH (LOCAL) EMPLOYEE STANDARDS OF CONDUCT

To ensure clear guidance on employee use of electronic media, we have included recommended text at this code, which addresses employee standards of conduct. This text was developed in conjunction with sample text on employee use of electronic media included in the TASB HR Services *Model Employee Handbook* for the 2010–11 school year, available to members of TASB HR Services at http://www.tasb.org/services/hr_services/resources/3lp_meh.aspx. If your district included text on use of electronic media in this year’s employee handbook, you will need to be sure that the policy and handbook text are consistent.

Explanatory Notes

TASB Localized Policy Manual Update 88

The enclosed policy broadly defines ELECTRONIC MEDIA to include all forms of social media, such as text or instant messaging, e-mail, blogs, chat rooms, video-sharing sites, and posting editorial comments on Web sites. All forms of telecommunication, such as landlines, cell phones, and Web-based applications, are also included in the definition.

The policy distinguishes between an employee's use of electronic media purely for personal use and when communicating with students. The included text allows for limited communications with students. In accordance with administrative regulations, a certified or licensed employee, or any other employee given specific approval, may communicate with currently enrolled students through electronic media about matters within the scope of the employee's professional responsibilities. For example, this might include communications about an assignment or project. All other employees are prohibited from communicating with students using electronic media. The detailed provisions included in the *Model Employee Handbook*, which may serve as the district's administrative regulations, address exceptions for family and social relationships established outside of the school environment, such as through a church or community group. In addition, the *Model Employee Handbook* text limits text messaging to use by a teacher, trainer, or other employee with extracurricular duties who needs to communicate about the extracurricular activity. Also included in the policy is a reminder about complying with the district's record retention policies.

In addition, the policy addresses employee use of electronic media for personal reasons. The intent is to reinforce that professional standards of conduct apply to any type of personal behavior, including the use of electronic media. If such use violates law or district policy or interferes with the employee's ability to effectively perform his or her job duties, the employee may be subject to disciplinary action. Detailed provisions on personal use of electronic media were also included in this year's *Model Employee Handbook*.

DL (LEGAL) WORK LOAD

For clarification, we have added two existing statutory provisions:

- At DUTY-FREE LUNCH, the implementation of the 30-minute duty-free lunch requirement may not result in a lengthened school day.
- At EXCEPTION, a classroom teacher or librarian may not be required to supervise students during lunch for more than one day per week, even in the event of exceptional circumstances.

Cross-references to DEA for the definitions of classroom teacher and librarian have also been added.

DMA (LEGAL) PROFESSIONAL DEVELOPMENT REQUIRED STAFF DEVELOPMENT

Revisions at STAFF DEVELOPMENT—TRAINING SPECIFICS are from Senate Bill 451 passed by the 81st Texas Legislature, effective June 19, 2009. The law requires the district to provide staff development relating to instruction of students receiving special education services. The training must be designed for educators who work primarily outside the area of special education, but the district only has to provide the training to educators who do not possess the knowledge and skills necessary to implement an individualized education program for one of their students.

An existing statutory provision addressing READING ACADEMIES has also been added, beginning on page 1. This provision requires certain middle school teachers who work at a campus that fails to meet a state performance standard on the state reading assessment instrument to attend a reading academy. Only a full-time teacher who teaches English language arts, reading, mathematics, science, or social studies for at least 50 percent of the teacher's instructional duties must attend. Teachers who attend an academy are entitled to a stipend.

Explanatory Notes

TASB Localized Policy Manual Update 88

Another existing statutory provision has been added on page 3, addressing the staff development training requirements for teachers of an ELECTIVE BIBLE COURSE. These teachers must complete the Commissioner-developed training.

Clarification regarding the required EXTRACURRICULAR ACTIVITY SAFETY TRAINING, on page 4, is from revised Administrative Code rules, effective March 10, 2009. Trainers who have completed the educational requirements for licensure and continuing education requirements for a licensed athletic trainer do not have to complete the extracurricular safety training.

DNA (LEGAL) PERFORMANCE APPRAISAL EVALUATION OF TEACHERS

We have deleted several detailed provisions specifically addressed in the *Professional Development System and Appraisal Teacher Manual* published by TEA and have made editorial changes throughout the policy. The *Manual* may be accessed at <http://www5.esc13.net/pdas/docs/PDASTeacherManual.pdf>.

Amended Administrative Code rules, effective February 17, 2010, resulted in the following policy changes:

- Districts are required to submit to their regional ESC a summary of the evaluation scoring from all campuses in the district. A pre-existing rule also requires each district to notify the ESC of the district's choice of appraisal system. See INFORMATION TO SERVICE CENTER, on page 2.
- At least three weeks before the first formal observation, districts must provide all teachers with an annual review of the district's teacher appraisal policy and of Administrative Code provisions addressing teacher appraisal. See ORIENTATION AND ANNUAL REVIEW, also on page 2.
- As reflected at APPRAISERS on page 3, a campus administrator who is a certified PDAS appraiser must conduct the appraisal, not necessarily "the teacher's supervisor."
- In several locations, the term "appraiser" has been changed to "certified appraiser."

In addition, we have added, on page 5, existing text from Administrative Code provisions addressing INTERVENTION PLANS. An intervention plan must be developed if, after an evaluation, a teacher is identified as a "teacher in need of assistance" and may be developed at any time if the appraiser has documentation that would potentially produce an evaluation rating of "below expectations" or "unsatisfactory."

E (LEGAL) INSTRUCTION

We have revised the E section table of contents to add new code EEM, Juvenile Residential Facilities, and to retitle EHB, Career and Technical Education.

EEM (LEGAL) INSTRUCTIONAL ARRANGEMENTS JUVENILE RESIDENTIAL FACILITIES

This new policy, providing an overview of instructional services to students in juvenile residential facilities is recommended for inclusion in the district's policy manual. The responsibility to educate these students stems from the general responsibility to educate district residents. Therefore, a district is obligated to provide educational services to these students if educational services are not otherwise being provided. Highlights of the policy include the following:

- Provisions on FUNDING for services provided to students in juvenile residential facilities have been moved unaltered from FODA(LEGAL).

Explanatory Notes

TASB Localized Policy Manual Update 88

- DEFINITIONS of relevant terms are included.
- Detailed ENROLLMENT procedures have been included. These require the school district providing educational services in a facility to ensure on the first day of the student's arrival at the facility that the student is enrolled in the district or, by local agreement, in the student's locally assigned district.
- CLASS SIZE must not exceed one certified teacher to 24 students.
- The providing district must administer a PRE-ASSESSMENT to students in a post-adjudication secure correctional facility.
- CURRICULUM must provide students with the subjects and courses necessary to complete the Minimum High School Program.
- Students must be given the appropriate AWARD OF CREDIT for coursework completed in the facility.
- The LENGTH AND NUMBER OF SCHOOL DAYS are the same as for students not enrolled in a facility. Students in a facility must be provided at least five and one-half hours of required secondary curriculum per day.

EFAA (LEGAL) INSTRUCTIONAL MATERIALS SELECTION AND ADOPTION TEXTBOOK SELECTION AND ADOPTION

New Administrative Code rules, effective February 22, 2010, provide clarification on the requirement for each district to purchase a CLASSROOM SET OF TEXTBOOKS for each subject and grade level. A "classroom set" is defined as the total count of SBOE-adopted textbooks on the conforming or nonconforming list necessary to provide one copy to each student during the class period. Likewise, a classroom "kit" that includes materials for every student in the classroom also meets the definition of a classroom set. See page 2.

EHAA (LEGAL) BASIC INSTRUCTIONAL PROGRAM REQUIRED INSTRUCTION (ALL LEVELS)

Consistent with terminology used in updated Administrative Code rules, effective April 21, 2010, we have revised the list of ENRICHMENT CURRICULUM subjects to change career and "technology" to career and "technical" education. See also the explanatory note for EHBF, below.

From amended Administrative Code rules on curriculum requirements, effective December 23, 2009, a PHYSICAL EDUCATION course must now offer students an opportunity to choose among many types of physical activity, offer both cooperative and competitive games, and be an enjoyable experience for students. On a weekly basis, at least half of a physical education class must be used for actual physical activity, which, to the extent practical, must be at a moderate or vigorous level. See page 3.

EHAC (LEGAL) BASIC INSTRUCTIONAL PROGRAM REQUIRED INSTRUCTION (SECONDARY)

Changes to this policy are based on revised Administrative Code rules addressing curriculum, effective April 21, 2010, and include:

- A new provision allowing districts to offer flexible learning arrangements, including mixed-age programs, for students in GRADES 6–8;

Explanatory Notes

TASB Localized Policy Manual Update 88

- Implementation information for the middle school FINE ARTS REQUIREMENT, which begins in fall 2010;
- At GRADES 9–12 COURSE OFFERINGS, deletion of the requirement for a student to take the Foundations of Personal Fitness course, making the course optional; and
- The addition of eight new career and technical education career clusters and revision of existing career clusters.

In addition, details on the ALCOHOL AWARENESS INSTRUCTION required as part of any health education course have been added, on page 6, as a result of amendments to Administrative Code provisions effective December 23, 2009.

EHBC (LEGAL) SPECIAL PROGRAMS COMPENSATORY/ACCELERATED SERVICES

Text from existing Administrative Code provisions on the optional flexible school day program (OFSDP) was added on page 6 to clarify that:

- A student enrolled in an OFSDP may participate in a UIL activity only if the student meets all UIL eligibility criteria (see EXTRACURRICULAR PARTICIPATION); and
- Each district must conduct an ANNUAL PERFORMANCE REVIEW of student performance under the OFSDP disaggregated by race, ethnicity, gender, and socioeconomic status.

EHBF (LEGAL) SPECIAL PROGRAMS CAREER AND TECHNICAL EDUCATION

We have revised the title of this policy from “Career and Technology Education” to “Career and *Technical* Education” to reflect new terminology in federal law and, effective June 7, 2010, in the Administrative Code. This new terminology appears in multiple places throughout the policy. However, because the Education Code still uses the phrase “career and technology,” provisions citing the Education Code have not been changed.

An existing statutory provision requiring the board to consider the state plan for career and technology education in developing a district career and technology program has been added along with a margin note, CAREER AND TECHNOLOGY PROGRAM, to page 1.

At STUDENT ORGANIZATIONS, on page 3, we have added a list of career and technical student organizations recognized by the U.S. Department of Education and TEA.

EHBL (LEGAL) SPECIAL PROGRAMS HIGH SCHOOL EQUIVALENCY

We have made the following changes to reflect amended Administrative Code rules on high school equivalency, effective April 28, 2010:

- The first paragraph of the policy, describing the purpose of a High School Equivalency Program (HSEP), has been rephrased.
- The maximum hours of instruction a student may attend per day in an HSEP has been revised from six hours to ten hours (see OPERATION OF PROGRAM).

Explanatory Notes

TASB Localized Policy Manual Update 88

- The previous requirements that the ANNUAL REVIEW progress report be submitted on a standard form and the results be disaggregated by ethnicity, age, gender, and socioeconomic status have been deleted.
- On page 2, the definition of a STUDENT AT RISK has been revised to eliminate from the definition certain students who left school before grade 9.
- At STATE ASSESSMENT, new references have been added to end-of-course exams for students who first enter grade 9 during or after the 2011–12 school year.

Finally, at EXTRACURRICULAR PARTICIPATION on page 3, we have added an existing Administrative Code provision prohibiting a student enrolled in an HSEP from participating in a UIL activity.

EIC (LEGAL) ACADEMIC ACHIEVEMENT CLASS RANKING

New Administrative Code provisions on AUTOMATIC ADMISSION TO AN INSTITUTION OF HIGHER EDUCATION, effective November 26, 2009, and May 26, 2010, are reflected throughout this policy. To be eligible for automatic admission, in addition to existing requirements, a student must submit an official transcript or diploma that, by the end of the student's junior year, indicates whether the student has satisfied the requirements regarding successful completion of the Recommended or Advanced/Distinguished Achievement graduation program. A cite to the relevant Administrative Code section provides more information on whether a student has successfully completed the graduation program. A student with a grade point average in the top ten percent of his or her class must also submit a completed application for admission in accordance with the institution of higher education's deadline.

Information on admission of students in the top 25 percent of their high school class to certain universities has been added to the eligibility requirements on page 1 and at CLASS RANK on page 3.

In providing information about automatic admission to junior and senior students, districts must now obtain written acknowledgment of receipt of the notification from the student and student's parent. See DISSEMINATION, beginning on page 2.

A change regarding the timing of the class rank calculation used for automatic admission decisions appears at CLASS RANK, on page 3. Under the new Administrative Code provisions, the admissions decision must be based on the most recent available class rank, which cannot be earlier than the end of grade 11. Previously, class rank was required to be based on the student's rank at the end of the eleventh grade, the middle of the twelfth grade, or at high school graduation, whichever was most recent at the time of the application deadline.

EIE (LEGAL) ACADEMIC ACHIEVEMENT RETENTION AND PROMOTION

We have made numerous changes to this policy as a result of major revisions to Administrative Code rules addressing retention and promotion, effective April 19, 2010. The Administrative Code revisions align the rules with Education Code provisions changed during the 81st Texas Legislative Session. Policy changes are as follows:

- We have added a new provision requiring districts to implement GRADE ADVANCEMENT REQUIREMENTS in accordance with the Administrative Code and TEA's Grade Placement Committee (GPC) Manual. We have revised the provision requiring notice to parents of the advancement requirements, which now must be provided at the beginning of the school year.

Explanatory Notes

TASB Localized Policy Manual Update 88

- Consistent with statute, at PROMOTION beginning on page 1, a student who does not demonstrate proficiency may advance to the next grade only if (1) the student has completed all required accelerated instruction; (2) the district has considered the recommendation of the student's teacher, the student's grades, the student's assessment scores, and any other necessary academic information; and (3) the student is assigned to a highly qualified teacher in the subject of the failed assessment.
- A student is an ELIGIBLE STUDENT, and thus subject to grade advancement requirements, if the student is enrolled in a district on any day between January 1 and the first assessment date. A student who enrolls after the first assessment date is not subject to the grade advancement requirements, but the district must still provide the student with the opportunity to test and access to accelerated instruction. See page 2.
- As reflected on page 4, when a student demonstrates UNSATISFACTORY PERFORMANCE ON ASSESSMENT INSTRUMENTS, accelerated instruction must be based on guidelines and strategies as outlined in the GPC manual. Details are no longer included in the Administrative Code.
- A student who demonstrates UNSATISFACTORY PERFORMANCE ON GRADE ADVANCEMENT TESTS must be provided the required accelerated instruction before the next assessment administration.
- At AFTER EARLY IDENTIFICATION OF AT-RISK STUDENTS on page 5, districts no longer need to consider the results of the reading inventory for students in grade 2 in identifying such students. Notice to parents must now include information about required accelerated instruction.
- We have added existing provisions requiring the superintendent to establish procedures for convening the GRADE PLACEMENT COMMITTEE and requiring the district to make a good faith effort to notify parents of the GPC meeting. Minor revisions to this section were made to align the text with changes to the Administrative Code.
- At RETENTION AND APPEAL, beginning on page 7, changes clarify that a student may be promoted only if the student has completed all required accelerated instruction. Likewise, the changes clarify that the GPC must follow the procedures in the GPC manual.
- We have deleted a specific statement requiring a district to determine a TRANSFER STUDENT'S testing history and accelerated instruction program, since it no longer appears in the Administrative Code. See page 9.
- We have added a reference to an exception from grade advancement testing for LIMITED ENGLISH PROFICIENT (LEP) STUDENTS.
- We have added a clarification that decisions regarding assessments for limited English proficient SPECIAL EDUCATION STUDENTS must be made by the ARD committee in conjunction with the language proficiency assessment committee.
- Throughout the policy, other minor conforming changes were made, and several provisions were reordered to be consistent with the Administrative Code provisions.

EIE (LOCAL) ACADEMIC ACHIEVEMENT
RETENTION AND PROMOTION

As mentioned above at EIE(LEGAL), major revisions were made to the Administrative Code rules addressing retention and promotion, effective April 19, 2010. As a result, we have included several recommended changes to the district's local policy text.

Explanatory Notes

TASB Localized Policy Manual Update 88

At ACCELERATED INSTRUCTION FOR GRADES 3–8, a new paragraph is recommended to address the requirement that any student in grades 3–8 who fails to demonstrate proficiency on a state-mandated assessment receive accelerated instruction. Students in grades 5 and 8 are also subject to the GRADE ADVANCEMENT TESTING requirements, previously referred to as the “student success initiative” in the margin notes and text of the policy.

At DEFINITION OF PARENT, we have indicated that an authorization agreement may also be used to designate responsibility for a student in all school-related matters.

The STANDARDS FOR PROMOTION UPON APPEAL previously listed in the policy are recommended for deletion as they no longer appear in the Administrative Code. The GPC must consider the standards listed at EIE(LLEGAL), RETENTION AND APPEAL, and any additional standards adopted by the board. A slight rephrasing of the provision addressing promotion after an appeal clarifies that a student may not be promoted unless the student has first completed the required accelerated instruction. On July 1, 2010, TEA released a “To the Administrator Addressed” letter explaining that districts can request a waiver to adjust the timeline for accelerated instruction required after the third failed assessment. The letter may be accessed at <http://ritter.tea.state.tx.us/taa/studassmt070910.html>.

EK (LEGAL) TESTING PROGRAMS

At LOCAL ACHIEVEMENT TESTING, we have deleted several provisions based on amendments to the Administrative Code, effective April 21, 2010. Because the Education Code no longer requires a company or organization that scores an assessment instrument to report the results electronically to the district and to TEA, that requirement has been deleted from the Administrative Code and this policy. Likewise, a district that develops its own assessment instrument is no longer required to report the results electronically to TEA. Also removed is the previous prohibition on a district using the same form of an assessment instrument for more than three years.

EKB (LEGAL) TESTING PROGRAMS STATE ASSESSMENT

We have updated this policy to reflect new terminology used in amended Administrative Code rules, effective December 23, 2009. Where appropriate, references to “test” have been replaced with “assessment.”

New material on the IMPLEMENTATION SCHEDULE of end-of-course assessments has been added from Administrative Code provisions, effective October 18, 2009, December 23, 2009, and February 22, 2010. See page 3.

At SPECIAL EDUCATION, on page 5, an existing statutory provision requiring each testing accommodation to be documented in the student’s IEP has been added.

Citations have been updated throughout this policy.

EKBA (LEGAL) STATE ASSESSMENT LEP STUDENTS

Significant changes to the Administrative Code, effective February 22, 2010, and to this policy as a result, have been made to incorporate changes from House Bill 3 passed during the 81st Texas Legislative Session. In addition to reordering several provisions in this policy, we have:

Explanatory Notes

TASB Localized Policy Manual Update 88

- Added new documentation requirements for the LANGUAGE PROFICIENCY ASSESSMENT COMMITTEE (LPAC) regarding assessment postponements and exemptions and exclusions of test results for limited English proficient (LEP) students;
- Deleted the DEFINITION of “recent immigrant”;
- Rephrased text at SUBSEQUENT YEARS, on page 2, to better match the statutory language;
- Added existing statutory detail at REFUSAL OF SERVICES to clarify that if a parent declines bilingual/ESL services, the student is not eligible for an exemption or postponement and the district may not exclude the test results;
- Amended the text at FEDERAL ACCOUNTABILITY TESTING on page 3 to delete the sentence providing that exempt students assessed only for federal accountability purposes are not subject to grade advancement provisions of the Student Success Initiative;
- Added a new provision at EXIT-LEVEL ASSESSMENT POSTPONEMENT that allows a postponement of the exit-level assessment during an LEP student’s first 12 months of enrollment in a U.S. school, unless the student would not have another opportunity to take the assessment before graduation;
- Added existing Administrative Code provisions regarding ASSESSMENT IN SPANISH;
- Added new provisions on page 4 regarding ASYLEE AND REFUGEE TEST RESULT EXCLUSION from the district’s accreditation and performance ratings;
- Added new documentation requirements regarding testing and exemptions of LEP STUDENTS IN SPECIAL EDUCATION; and
- Added a new provision on page 5 that subjects LEP students to GRADE ADVANCEMENT REQUIREMENTS, unless they are eligible for an exemption or exclusion.

FD (LEGAL) ADMISSIONS

We have rephrased the text at ILLEGAL ALIENS on page 4 to better match the holding of the U.S. Supreme Court case *Plyler v. Doe*. The text now reflects that denying enrollment “based upon immigration status” to children who are not legally admitted into the U.S violates the Equal Protection Clause.

We have added a link to the AUTHORIZATION AGREEMENT form published by the Department of Family and Protective Services that parents may use to authorize the nonparent relatives listed in the policy to perform certain acts in regard to their child.

Citations have also been adjusted.

FEA (LEGAL) ATTENDANCE COMPULSORY ATTENDANCE

This policy was amended to reflect changes in Administrative Code rules, effective February 22, 2010, addressing allowable travel for certain excused absences. A student who is absent to complete paperwork regarding CITIZENSHIP PROCEEDINGS, to participate in a naturalization oath ceremony, or to serve as an ELECTION CLERK is allowed one day of excused absence for traveling to the site and one day of excused absence for traveling from the site. See pages 3 and 4.

Explanatory Notes

TASB Localized Policy Manual Update 88

We have added an existing provision specifying that absences for HEALTH-CARE APPOINTMENTS should be supported by a document, such as a note from the health-care professional.

FEB (LEGAL) ATTENDANCE ATTENDANCE ACCOUNTING

Administrative Rules, revised effective February 22, 2010, require a student to be enrolled for at least two hours “of instruction” to be considered in attendance for one half day, and for at least four hours “of instruction” to be considered in attendance for one full day. See MINIMUM ENROLLMENT, on page 1.

As with FEA(LLEGAL), this policy was amended to reflect allowable travel time for excused absences to attend CITIZENSHIP PROCEEDINGS, to participate in a naturalization oath ceremony, or to serve as an ELECTION CLERK. These changes, reflected on page 3, are from Administrative Code rules, revised effective February 22, 2010.

FFAD (LEGAL) WELLNESS AND HEALTH SERVICES COMMUNICABLE DISEASES

In accordance with revised Administrative Code rules, effective January 1, 2010, we have made extensive revisions to this policy:

- A local school authority, defined as the superintendent or superintendent’s designee, must report in accordance with 25 Administrative Code 97.131–.135 a child who is attending school and is suspected, based on medical evidence, of having a sexually transmitted disease or who is an HIV-exposed infant. See SEXUALLY TRANSMITTED DISEASES (STD) AND HIV.
- If the local school authority fails to make a required report, another person, as listed in the policy, is required to do so.
- Knowingly failing to report a reportable disease or health condition is a class B misdemeanor. See PENALTIES.

Changes at READMITTANCE are from existing Administrative Code rules and have been made to better match the text of the rules—the Department of State Health Services regional director assists with readmittance issues if there is no local health authority, and certification of the student’s health may be made by an advanced nurse practitioner or physician assistant in addition to an attending physician.

In addition, at REPORTS, the reference to the Texas Board of Health has been updated to the Department of State Health Services and, at EXCLUSION, the reference to the Texas Board of Health has been updated to the commissioner of health.

We have also added, on page 2, a link to the DSHS Communicable Disease Chart for Schools and Child-Care Centers.

FOC (LEGAL) STUDENT DISCIPLINE PLACEMENT IN A DISCIPLINARY ALTERNATIVE EDUCATION SETTING

At CERTAIN ORGANIZATION AND GANG MEMBERSHIP AND SOLICITATION on page 3, we have added an existing Education Code provision that requires a board or educator to recommend DAEP placement for a student who commits the misdemeanor offense of being a member of, pledging to become a member of, or soliciting another person to join a public school fraternity, sorority, secret society, or gang. This provision also appears in FNCC(LLEGAL).

Explanatory Notes

TASB Localized Policy Manual Update 88

Revisions at NOT GUILTY/INSUFFICIENT EVIDENCE/CHARGES DROPPED and APPEAL AFTER PLACEMENT UPHELD, on pages 7 and 8, have been made to better track the statutory language.

FODA (LEGAL) EXPULSION
JUVENILE JUSTICE ALTERNATIVE EDUCATION PROGRAM

As mentioned previously, the provisions on funding for services provided to students in juvenile residential facilities have been moved to the new code EEM(LEGAL).

GBA (LEGAL) PUBLIC INFORMATION PROGRAM
ACCESS TO PUBLIC INFORMATION

HB 3544, from the 81st Texas Legislature, creates an exception to the general rule that E-MAIL ADDRESSES used by a member of the public to communicate with a district are confidential. The exception provides that an e-mail address provided to a district for the purpose of receiving decisions from the district or to comment on or receive notices related to an application for a license are not confidential. For a school district, this might apply, for example, if a citizen provides his or her e-mail address to receive notice of board activity or information on a professional license or certificate. See page 4.

GBAA (LEGAL) INFORMATION ACCESS
REQUESTS FOR INFORMATION

This policy has been revised, on page 8, regarding PREVIOUS DETERMINATIONS of the attorney general. Under current law, when the attorney general has issued a previous determination decision on information that is the subject of a request, the district may not request another attorney general decision on the SAME INFORMATION. A citation to the relevant open record decision, No. 673, has been added.

When the attorney general has issued a previous determination decision that a *category* of information is not subject to disclosure under the Public Information Act, a district may withhold information that falls within that category without first seeking an attorney general decision. Recently, the attorney general issued Open Record Decision 684 (2010), which provides a list of CATEGORIES OF INFORMATION for which the attorney general has issued a previous determination. If a district receives a request for information that falls within one of the categories, it may withhold the information without first seeking an attorney general decision. In addition to the categories addressed in ORD-684, the attorney general has previously determined that a district may withhold personally identifiable, non-directory information in "education records" as defined by FERPA. A citation to the relevant open record decision, No. 634, has been added.

GNC (LEGAL) RELATIONS WITH EDUCATIONAL ENTITIES COLLEGES AND UNIVERSITIES

This policy has been reworked to consolidate into one policy the relevant statutory text addressing various relationships with colleges and universities. For this purpose, we have duplicated provisions currently located in CX(LEGAL) addressing agreements between school districts and community colleges or institutions of higher education regarding educational complexes, instructional facilities, stadiums, and other athletic facilities. We have revised the text at COLLEGE COURSES IN DISTRICT FACILITIES to include a statement that either party may terminate a contract to provide such courses by giving the other party at least one year's notice.

We have also added provisions that are currently included in the *Community College Policy Reference Manual* but that have not been included in school districts' manuals. These provisions address INSTRUCTIONAL PARTNERSHIPS WITH COMMUNITY COLLEGE DISTRICTS, including a listing of the types of such partnerships and details on the various agreements. Provisions at PLAN TO INCREASE HIGHER EDUCATION ENROLLMENT were reordered and shortened.

MAINTENANCE TAX The Commissioners Court may levy, assess, and collect annual ad valorem taxes for the maintenance of the District schools. *Former Education Code 22.11, as continued in effect by Education Code 11.301; Education Code 45.002*

TAX RATE CAP If authorized by a majority of qualified voters of the District voting at an election held for that purpose, the Commissioners Court may impose a maintenance tax rate at a rate not to exceed the rate stated in the proposition. For any year, the maintenance tax rate per \$100 of taxable value adopted by the Commissioners Court may not exceed the rate equal to the sum of \$0.17 and the product of the state compression percentage, as determined under Education Code 42.2516, multiplied by \$1.50.

A rate that exceeds this maximum rate for the year in which the tax is to be imposed is void. A district with a tax rate that is void under this subsection may, subject to requirements imposed by other law, adopt a rate for that year that does not exceed the specified maximum rate for that year.

Notwithstanding any other law, a district that levied a maintenance tax for the 2005 tax year at a rate greater than \$1.50 per \$100 of taxable value in the District as permitted by special law may not levy a maintenance tax at a rate that exceeds the rate per \$100 of taxable value that is equal to the sum of \$0.17 and the product of the state compression percentage, as determined under Education Code 42.2516, multiplied by the rate of the maintenance tax levied by the District for the 2005 tax year.

APPRAISAL ROLL By August 1 or as soon thereafter as practicable, the District's tax assessor shall submit to the Commissioners Court the District's appraisal roll, showing the total appraised, assessed, and taxable values of all property and the total taxable value of new property.

2. Tangible personal property that is owned or leased by a business entity described above at number 1(a); and

If the owner of such property pays at least one-fourth of the taxes imposed on the property before the delinquency date, accompanied by notice that the person will pay the remaining taxes in installments, the owner may make the remainder of the payments in three equal installments. Such installment payments shall not incur penalty or interest if paid by the applicable dates provided for in the Tax Code.

This applies to:

1. Narrow strips of land, or land that because of its shape, lack of access to public roads, or small area cannot be used independently under its current zoning or under applicable subdivision or other development control ordinances;
2. Streets or alleys, owned outright or used by easement;
3. Land or a real property interest originally acquired for streets, rights-of-way, or easements that the political subdivision chooses to exchange for other land to be used for streets, rights-of-way, easements, or other public purposes, including transactions partly for cash;

ACCRUAL

Nonexempt employees may receive, in lieu of overtime compensation, compensatory time off at a rate of not less than one and one-half hours for each hour of overtime work, pursuant to an agreement or understanding arrived at between the employer and employee before the performance of the work. Such agreement or understanding may be informal, such as when an employee works overtime knowing that the employer rewards overtime with compensatory time.

An employee may accrue not more than 240 hours of compensatory time. If the employee's overtime work included a public safety activity, an emergency response activity, or a seasonal activity, the employee may accrue not more than 480 hours of compensatory time. After the employee has reached these limits, the employee shall be paid overtime compensation for additional overtime work.

ACADEMIC
ADMINISTRATORS

The term "employee employed in a bona fide administrative capacity" includes an employee:

1. Compensated for services on a salary or fee basis at a rate of not less than \$455 per week exclusive of board, lodging, or other facilities, or on a salary basis that is at least equal to the entrance salary for teachers in the District by which employed; and
2. Whose primary duty is performing administrative functions directly related to academic instruction or training in the District or department or subdivision thereof.

"Performing administrative functions directly related to academic instruction or training" means work related to the academic operations and functions in a school rather than to administration along the lines of general business operations. Such academic administrative functions include operations directly in the field of education. Jobs relating to areas outside the educational field are not within the definition of academic administration.

Employees engaged in academic administrative functions include:

1. The Superintendent or other head of an elementary or secondary school system, and any assistants, responsible for administration of such matters as curriculum, quality and methods of instructing, measuring and testing the learning potential and achievement of students, establishing and maintaining academic and grading standards, and other aspects of the teaching program;
2. The principal and any vice principals responsible for the operation of an elementary or secondary school;

SALARY BASIS

To qualify as an exempt executive, administrative, or professional employee, the employee must be compensated on a salary basis, unless the employee is a teacher. Subject to the exceptions listed in the rule, an employee must receive the full salary for any week in which the employee performs any work, without regard to the number of days or hours worked. A district that makes improper deductions from salary shall lose the exemption if the facts demonstrate that the District did not intend to pay exempt employees on a salary basis. *29 CFR 541.600, 541.602(a), 541.603*

PARTIAL-DAY
DEDUCTIONS

A District employee who otherwise meets the salary basis requirements shall not be disqualified from exemption on the basis that the employee is paid according to a pay system established by statute, ordinance, or regulation, or by a policy or practice established pursuant to principles of public accountability, under which the employee accrues personal leave and sick leave and which requires the employee's pay to be reduced or the employee to be placed on leave without pay for absences for personal reasons or because of illness or injury of less than one workday when accrued leave is not used by an employee because:

1. Permission for its use has not been sought or has been sought and denied;
2. Accrued leave has been exhausted; or
3. The employee chooses to use leave without pay.

Deductions from the pay of a District employee for absences due to a budget-required furlough shall not disqualify the employee from being paid on a salary basis except in the workweek in which the furlough occurs and for which the employee's pay is accordingly reduced.

29 CFR 541.710

SAFE HARBOR
POLICY

If the District has a clearly communicated policy that prohibits improper pay deductions and includes a complaint mechanism, reimburses employees for any improper deductions, and makes a good faith commitment to comply in the future, the District will not lose the deduction unless the District willfully violates the policy by con-

tinuing to make improper deductions after receiving employee complaints.

The best evidence of a clearly communicated policy is a written policy that was distributed to employees before the improper pay deductions by, for example, providing a copy of the policy to employees upon hire, publishing the policy in an employee handbook, or publishing the policy on the District's intranet.

29 CFR 541.603(d)

TEACHERS

The term "employee employed in a bona fide professional capacity" includes any employee with a primary duty of teaching, tutoring, instructing, or lecturing in the activity of imparting knowledge and who is employed and engaged in this activity as a teacher in an elementary or secondary school system by which the employee is employed. The salary basis requirements do not apply to teaching professionals.

Exempt teachers include:

1. Regular academic teachers;
2. Teachers of kindergarten or nursery school pupils;
3. Teachers of gifted or disabled children;
4. Teachers of skilled and semi-skilled trades and occupations;
5. Teachers engaged in automobile driving instruction;
6. Home economics teachers; and
7. Vocal or instrumental music instructors.

Those faculty members who are engaged as teachers but also spend a considerable amount of their time in extracurricular activities such as coaching athletic teams or acting as moderators or advisors in such areas as drama, speech, debate, or journalism are engaged in teaching. Such activities are a recognized part of the schools' responsibility in contributing to the educational development of the student.

The possession of an elementary or secondary teacher's certificate provides a clear means of identifying the individuals contemplated as being within the scope of the exemption for teaching professionals. Teachers who possess a teaching certificate qualify for the exemption regardless of the terminology (e.g., permanent, conditional, standard, provisional, temporary, emergency, or unlimited) used by the state to refer to different kinds of certificates. However, a teacher who is not certified may be considered for exemption,

“New member” means a person first employed on or after September 1, 2005, including a former member who withdrew retirement contributions under Government Code 822.003 and is reemployed on or after September 1, 2005.

On a monthly basis, the District shall:

1. Certify to TRS the total amount of salary paid during the first 90 days of employment of a new member and the total amount of employer payments under this section for the payroll periods; and
2. Retain information, as determined by TRS, sufficient to allow administration of this section, including information for each employee showing the applicable salary as well as aggregate compensation for the first 90 days of employment for new employees.

The District must remit the amount required under this section to TRS at the same time the District remits the member’s contribution. In computing the amount required to be remitted, the District shall include compensation paid to an employee for the entire pay period that contains the 90th calendar day of new employment.

Not later than March 1 of each year, the District shall provide employees with information regarding general eligibility requirements for the federal earned income tax credit by one of the following means:

1. In person;
2. Electronically at the employee's last known e-mail address;
3. Through a flyer included, in writing or electronically, as a payroll stuffer; or
4. By first class mail to the employee's last known address.

The District may not satisfy this requirement solely by posting information in the workplace.

In addition, the District may provide employees with IRS publications and forms, or information prepared by the comptroller, relating to the earned income tax credit.

INCENTIVE GRANTS— CONTRACT PROVISION	The District shall provide in employment contracts that qualifying employees may receive an incentive payment under the Educator Excellence Award Program/District Awards for Teacher Excellence (DATE) if the District participates in the program. The District shall indicate that any incentive payment distributed is considered a payment for performance and not an entitlement as part of an employee's salary. <i>Education Code 21.415</i>
DISTRICT AWARDS FOR TEACHER EXCELLENCE (DATE)	The DATE is an annual grant program under which the District may receive a grant for the purpose of providing awards to classroom teachers, principals, and other District employees. Funds from the program shall be distributed to each selected school district that submitted an approved local awards plan developed in accordance with Education Code 21.704 and 19 Administrative Code 102.1073(e)(2).
APPLICATION	The District must act pursuant to local Board policy for submitting a local awards plan and grant application to TEA. The local awards plan must meet the criteria set forth at 19 Administrative Code 102.1073(e). The Board's decision to approve and submit its local awards plan and grant application may not be appealed to the Commissioner.
EXCLUSION OF CERTAIN EMPLOYEES	The District may choose to exclude a teacher or a principal on a selected campus from receiving an award, except involuntarily transferred teachers or principals, or teachers or principals no longer on the selected campus who retired at the end of the school year. The local awards plan must reflect the District policies with regard to such a teacher or principal at the program start date. A decision to exclude certain teachers or principals from receiving an award may not be appealed to the Commissioner.
NOTICE TO TEACHERS AND PRINCIPALS	A local awards plan must provide for notifying teachers and principals eligible to receive awards under the plan of the specific criteria and any formulas on which the awards will be based before the beginning of the period on which the awards will be based.
AWARD AMOUNTS	The District must use at least 60 percent of grant funds to directly award classroom teachers and principals who effectively improve student achievement as determined by meaningful, objective measures (Part I funds). The remaining funds may be used only for the purposes listed at Education Code 21.705. Annual award amounts should be valued at \$3,000 or more, unless otherwise determined by the District planning committee. All eligible educators must have the opportunity to earn minimum awards valued at \$1,000 per educator identified under Part I. Local deci-

MENTOR TEACHERS

The District may assign a mentor teacher to each classroom teacher who has less than two years of teaching experience in the subject or grade level to which the teacher is assigned. A teacher assigned as a mentor must:

1. To the extent practicable, teach in the same school;
2. To the extent practicable, teach the same subject or grade level, as applicable; and
3. Meet the qualifications prescribed by Commissioner's rules.

The Commissioner's rules must require that a mentor teacher:

1. Complete a research-based mentor and induction training program approved by the Commissioner;
2. Complete a training program provided by the District; and
3. Have at least three complete years of teaching experience with a superior record of assisting students, as a whole, in achieving improvement in student performance.

The District may apply to the Commissioner for funds for a mentor teacher program. The District may use the funds only for providing:

1. Mentor teacher stipends;
2. Scheduled time for mentor teachers to provide mentoring to assigned classroom teachers; and
3. Mentoring support through providers of mentor training.

MASTER TEACHER
GRANT PROGRAMS

The Commissioner shall establish master reading, mathematics, technology, and science teacher grant programs to encourage teachers to become certified as master teachers and to work with other teachers and students to improve student performance.

Education Code 21.410-.413

APPLICATION

The District may apply to the Commissioner for grants for each identified high-need campus to be used to pay year-end stipends to certified master teachers.

USE OF FUNDS

Grant funds may be used only for the purpose of paying a year-end stipend to a master teacher whose primary duties are to teach

reading, mathematics, technology, or science and to serve as a reading, mathematics, technology, or science teacher mentor for the amount of time and in the manner established by the District.

PAYMENTS

The Commissioner shall reduce payments to the District proportionately to the extent a teacher does not meet the requirements for a master teacher for the entire school year.

If a teacher qualifies as a master teacher for a partial month, the District's written policy will determine how the District counts the partial month, for example, as no month served or as an entire month served. Only whole months shall be entered on the application by the District on the teacher's behalf.

Education Code sections 21.410–.413 do not create a property right to a grant or stipend. A master teacher stipend is not considered in determining whether the District is paying the teacher the minimum monthly salary under Education Code 21.402.

DESIGNATION OF
TEACHER

A district that employs more certified master teachers than the number of grants available shall designate which certified master teacher(s) to assign the duties required to receive the state stipends. The designation is based on a written policy adopted by the Board. The District's decision is final and may not be appealed.

The District may not apportion among teachers a stipend paid with a grant the District receives under this program. The District may use local money to pay additional stipends in amounts determined by the District.

RETIREMENT
INCENTIVES

The District may not offer or provide a financial or other incentive to an employee to encourage the employee to retire from the Teacher Retirement System of Texas. *Education Code 22.007*

ATTENDANCE
SUPPLEMENT

The District shall not deny an educator a salary bonus or similar compensation given in whole or in part on the basis of educator attendance because of the educator's absence from school for observance of a religious holy day observed by a religion whose places of worship are exempt from property taxation under Tax Code 11.20. *Education Code 21.406*

SECTION I: GENERAL PROVISIONS

COVERED EMPLOYER All public elementary and secondary schools are “covered employers” under the FMLA, without regard to the number of employees employed. The term “employer” includes any person who acts directly or indirectly in the interest of the District to any of the District’s employees. *29 U.S.C. 2611(4), 2618(a); 29 CFR 825.104(a)*

ELIGIBLE EMPLOYEE “Eligible employee” means an employee who:

1. Has been employed by the District for at least 12 months. The 12 months need not be consecutive;
2. Has been employed by the District for at least 1,250 hours of service during the 12-months immediately preceding the commencement of leave; and
3. Is employed at a worksite where 50 or more employees are employed by the District within 75 miles of that worksite.

29 U.S.C. 2611(2); 29 CFR 825.110

[A district that has no eligible employees must comply with the requirements at GENERAL NOTICE, below.]

QUALIFYING REASONS FOR LEAVE The District shall grant leave to eligible employees:

1. For the birth of a son or daughter, and to care for the newborn child;
2. For placement with the employee of a son or daughter for adoption or foster care [For the definitions of “adoption” and “foster care,” see 29 CFR 825.122];
3. To care for the employee’s spouse, son or daughter, or parent with a serious health condition;
4. Because of a serious health condition that makes the employee unable to perform the functions of the employee’s job [For the definition of “serious health condition,” see 29 CFR 825.113];
5. Because of any qualifying exigency arising out of the fact that the employee’s spouse, son, daughter, or parent is a covered military member on covered active duty (or has been notified of an impending call or order to active duty) [For the definition of “covered military member,” see 29 CFR 825.126(b). For the definition of “covered active duty,” see 29 U.S.C. 2611(14)]; and
6. To care for a covered servicemember with a serious injury or illness incurred in the line of duty if the employee is the

spouse, son, daughter, parent, or next of kin of the service-member. [For the definitions of “covered servicemember” and “serious injury or illness,” see 29 U.S.C. 2611(15), (18)]

QUALIFYING
EXIGENCY

An eligible employee may take FMLA leave for one or more of the following qualifying exigencies:

1. Short-notice deployment.
2. Military events and related activities.
3. Childcare and school activities.
4. Financial and legal arrangements.
5. Counseling.
6. Rest and recuperation.
7. Post-deployment activities.
8. Additional activities provided that the District and employee agree that the leave shall qualify as an exigency and agree to both the timing and duration.

29 CFR 826.126

PREGNANCY OR
BIRTH

Both the mother and father are entitled to FMLA leave to be with a healthy newborn child (i.e., bonding time) during the 12-month period beginning on the date of birth. In addition, the mother is entitled to FMLA leave for incapacity due to pregnancy, for prenatal care, or for her own serious health condition following the birth of the child. The mother is entitled to leave for incapacity due to pregnancy even though she does not receive treatment from a health-care provider during the absence and even if the absence does not last for more than three consecutive calendar days. The husband is entitled to FMLA leave if needed to care for his pregnant spouse who is incapacitated, during her prenatal care, or following the birth of a child if the spouse has a serious health condition. [For the definition of “needed to care for,” see 29 CFR 825.124] *29 CFR 825.120*

DEFINITIONS

“Next of kin of a covered servicemember” (for purposes of military caregiver leave) means:

NEXT OF KIN

1. The blood relative specifically designated in writing by the covered servicemember as his or her nearest blood relative

for purposes of military caregiver leave under the FMLA. The designated individual shall be deemed to be the covered servicemember's only next of kin; or

2. When no such designation has been made, the nearest blood relative other than the covered servicemember's spouse, parent, son, or daughter, in the following order of priority:
 - a. Blood relatives who have been granted legal custody of the covered servicemember by court decree or statutory provisions,
 - b. Brothers and sisters,
 - c. Grandparents,
 - d. Aunts and uncles, and
 - e. First cousins.

If there are multiple family members with the same level of relationship to the covered servicemember, all such family members shall be considered the covered servicemember's next of kin and may take FMLA leave to provide care to the covered servicemember, either consecutively or simultaneously.

29 CFR 825.127(b)(3)

PARENT

"Parent" (for purposes of family, medical, and qualifying exigency leave) means a biological, adoptive, step or foster father or mother, or any other individual who stood in loco parentis to the employee when the employee was a son or daughter. This term does not include parents "in law." *29 CFR 825.122(b)*

For the definition of "parent of a covered servicemember" for purposes of military caregiver leave, see *29 CFR 825.127(b)(2)*.

SON OR DAUGHTER

"Son or daughter" (for purposes of family and medical leave) means a biological, adopted, or foster child, a stepchild, a legal ward, or a child of a person standing in loco parentis, who is either under age 18, or age 18 or older and "incapable of self-care because of a mental or physical disability" at the time that FMLA leave is to commence. *29 CFR 825.122(c)*

For the definition of "son or daughter on active duty or call to active duty status" for purposes of qualifying exigency leave, see *29 CFR 825.126(b)(1)*.

For the definition of "son or daughter of a covered servicemember" for purposes of military caregiver leave, see *29 CFR 825.127(b)(1)*.

SPOUSE

“Spouse” means a husband or wife as defined or recognized under state law for purposes of marriage in the state where the employee resides, including common law marriage in states where it is recognized. *29 CFR 825.122(a)*

SECTION II: LEAVE ENTITLEMENT AND USE

AMOUNT OF LEAVE

Except in the case of military caregiver leave, an eligible employee's FMLA leave entitlement is limited to a total of 12 workweeks of leave during a 12-month period for any one or more of the qualifying reasons.

A husband and wife who are employed by the same district may be limited to a combined total of 12 weeks of FMLA leave during any 12-month period if leave is taken for the birth of a son or daughter, the placement of a child for adoption or foster care, or to care for a parent with a serious health condition.

29 U.S.C. 2612(a), (f); 29 CFR 825.120(a)(3), .200, .201

DETERMINING THE
12-MONTH PERIOD

Except with respect to military caregiver leave, the District may choose any one of the following methods for determining the “12-month period” in which the 12 weeks of leave entitlement occurs:

1. The calendar year;
2. Any fixed 12-month “leave year,” such as a fiscal year or a year starting on an employee's “anniversary” date;
3. The 12-month period measured forward from the date any employee's first FMLA leave begins; or
4. A “rolling” 12-month period measured backward from the date an employee uses any FMLA leave.

29 CFR 825.200(b)

MILITARY
CAREGIVER LEAVE

In the case of military caregiver leave, an eligible employee's FMLA leave entitlement is limited to a total of 26 workweeks of leave during a “single 12-month period.” The “single 12-month period” is measured forward from the date an employee's first FMLA leave to care for the covered servicemember begins, regardless of the method used by the District to determine the 12-month period for other FMLA leaves. During the “single 12-month period,” an eligible employee's FMLA leave entitlement is limited to a combined total of 26 workweeks of FMLA leave for any qualifying reason. *29 CFR 825.200(f), (g)*

A husband and wife who are employed by the same district may be limited to a combined total of 26 weeks of FMLA leave during the “single 12-month period” if leave is taken as military caregiver

SUMMER VACATION
AND OTHER
EXTENDED BREAKS

If the District's activity temporarily ceases and employees generally are not expected to report for work for one or more weeks (e.g., a school closing for two weeks for the Christmas/New Year holiday), those days do not count against the employee's FMLA leave entitlement. Similarly, the period during the summer vacation when the employee would not have been required to report for duty is not counted against the employee's FMLA leave entitlement. *29 CFR 825.200(h), .601(a)*

INTERMITTENT OR
REDUCED LEAVE
SCHEDULE

FMLA leave may be taken intermittently or on a reduced leave schedule under certain circumstances. "Intermittent leave" is FMLA leave taken in separate blocks of time due to a single qualifying reason. A "reduced leave schedule" is a leave schedule that reduces an employee's usual number of working hours per work-week, or hours per workday.

For leave taken because of the employee's own serious health condition, to care for a parent, son, or daughter with a serious health condition, or military caregiver leave, there must be a medical need for leave and it must be that such medical need can be best accommodated through an intermittent or reduced leave schedule. Leave due to a qualifying exigency may also be taken on an intermittent or reduced schedule basis.

When leave is taken after the birth of a healthy child or placement of a healthy child for adoption or foster care, an employee may take leave intermittently or on a reduced leave schedule only if the District agrees.

29 U.S.C. 2612(b); 29 CFR 825.202

TRANSFER TO
ALTERNATIVE
POSITION

If an employee requests intermittent or reduced schedule leave that is foreseeable based on planned medical treatment, the District may require the employee to transfer temporarily to an available alternative position for which the employee is qualified and which better accommodates recurring periods of leave than does the employee's regular position. *29 U.S.C. 2612(b)(2); 29 CFR 825.204*

CALCULATING
LEAVE USE

When an employee takes leave on an intermittent or reduced schedule, only the amount of leave actually taken may be counted toward the employee's leave entitlement. The District must account for intermittent or reduced schedule leave using an increment no greater than the shortest period of time that the District

LEAVES AND ABSENCES
FAMILY AND MEDICAL LEAVE

DECA
(LEGAL)

uses to account for use of other forms of leave, provided the increment is not greater than one hour. *29 CFR 825.205*

SPECIAL RULES FOR
INSTRUCTIONAL
EMPLOYEES

Special rules apply to certain employees of the District. These special rules affect leave taken intermittently or on a reduced schedule, or taken near the end of an academic term (semester) by instructional employees.

“Instructional employees” are those whose principal function is to teach and instruct students in a class, a small group, or an individual setting. This term includes not only teachers, but also athletic coaches, driving instructors, and special education assistants such as signers for the hearing impaired. It does not include teacher assistants or aides who do not have as their principal job actual teaching or instructing, nor does it include auxiliary personnel such as counselors, psychologists, or curriculum specialists. It also does not include cafeteria workers, maintenance workers, or bus drivers.

29 CFR 825.600

FAILURE TO
PROVIDE NOTICE
OF FORESEEABLE
LEAVE

If an instructional employee does not give required notice of foreseeable leave to be taken intermittently or on a reduced schedule, the District may require the employee to take leave of a particular duration or to transfer temporarily to an alternative position. Alternatively, the District may require the employee to delay the taking of leave until the notice provision is met. *29 CFR 601(b)*

20 PERCENT RULE

If an eligible instructional employee needs intermittent leave or leave on a reduced leave schedule to care for a family member with a serious health condition, to care for a covered service-member, or for the employee's own serious health condition; the leave is foreseeable based on planned medical treatment; and the employee would be on leave for more than 20 percent of the total number of working days over the period the leave would extend, the District may require the employee to choose:

1. To take leave for a period or periods of a particular duration, not greater than the duration of the planned treatment; or
2. To transfer temporarily to an available alternative position for which the employee is qualified, which has equivalent pay and benefits and which better accommodates recurring periods of leave than does the employee's regular position.

“Periods of a particular duration” means a block or blocks of time beginning no earlier than the first day for which leave is needed and ending no later than the last day on which leave is needed, and may include one uninterrupted period of leave. If an employee chooses to take leave for “periods of a particular duration” in the

LEAVES AND ABSENCES

(LEGAL)

case of intermittent or reduced schedule leave, the entire period of leave taken will count as FMLA leave.

29 U.S.C. 2618(c); 29 CFR 825.601, .603

LEAVE AT THE END OF
A SEMESTER

As a rule, the District may not require an employee to take more FMLA leave than the employee needs. The FMLA recognizes exceptions where instructional employees begin leave near the end of a semester. As set forth below, the District may in certain cases require the employee to take leave until the end of the semester.

The school semester, or "academic term," typically ends near the end of the calendar year and the end of spring each school year. In no case may a school have more than two academic terms or semesters each year for purposes of the FMLA.

If the District requires the employee to take leave until the end of the semester, only the period of leave until the employee is ready and able to return to work shall be charged against the employee's FMLA leave entitlement. Any additional leave required by the District to the end of the semester is not counted as FMLA leave; however, the District shall maintain the employee's group health insurance and restore the employee to the same or equivalent job, including other benefits, at the end of the leave.

29 U.S.C. 2618(d); 29 CFR 825.603

MORE THAN FIVE
WEEKS BEFORE
END OF SEMESTER

The District may require an instructional employee to continue taking leave until the end of the semester if:

1. The employee begins leave more than five weeks before the end of the semester;
2. The leave will last at least three weeks; and
3. The employee would return to work during the three-week period before the end of the semester.

DURING LAST FIVE
WEEKS OF
SEMESTER

The District may require an instructional employee to continue taking leave until the end of the semester if:

1. The employee begins leave during the last five weeks of the semester for any reason other than the employee's own serious health condition or a qualifying exigency;
2. The leave will last more than two weeks; and
3. The employee would return to work during the two-week period before the end of the semester.

DURING LAST THREE WEEKS OF SEMESTER	<p>The District may require an instructional employee to continue taking leave until the end of the semester if the employee begins leave during the three-week period before the end of the semester for any reason other than the employee's own serious health condition or a qualifying exigency.</p> <p><i>29 CFR 825.602</i></p>
SUBSTITUTION OF PAID LEAVE	<p>Generally, FMLA leave is unpaid leave. However, an employee may choose to substitute accrued paid leave for unpaid FMLA leave. If an employee does not choose to substitute accrued paid leave, the District may require the employee to do so. The term "substitute" means that the paid leave provided by the District, and accrued pursuant to established policies of the District, will run concurrently with the unpaid FMLA leave. An employee's ability to substitute accrued paid leave is determined by the terms and conditions of the District's normal leave policy. <i>29 U.S.C. 2612(d); 29 CFR 825.207(a)</i></p>
COMPENSATORY TIME	<p>If an employee requests and is permitted to use accrued compensatory time to receive pay during FMLA leave, or if the District requires such use, the compensatory time taken may be counted against the employee's FMLA leave entitlement. <i>29 CFR 825.207(f)</i></p>
FMLA AND WORKERS' COMPENSATION	<p>A serious health condition may result from injury to the employee "on or off" the job. If the District designates the leave as FMLA leave, the leave counts against the employee's FMLA leave entitlement. Because the workers' compensation absence is not unpaid, neither the employee nor the District may require the substitution of paid leave. However, the District and an employee may agree, where state law permits, to have paid leave supplement workers' compensation benefits.</p> <p>If the health-care provider treating the employee for the workers' compensation injury certifies that the employee is able to return to a "light duty job" but is unable to return to the same or equivalent job, the employee may decline the District's offer of a "light duty job." As a result, the employee may lose workers' compensation payments, but is entitled to remain on unpaid FMLA leave until the employee's FMLA leave entitlement is exhausted. As of the date workers' compensation benefits cease, the substitution provision becomes applicable and either the employee may elect or the District may require the use of accrued paid leave.</p> <p><i>29 CFR 825.207(d)</i></p>

coverage would have been provided if the employee had been continuously employed during the entire leave period.

An employee may choose not to retain group health plan coverage during FMLA leave. However, when the employee returns from leave, the employee is entitled to be reinstated on the same terms as before taking leave without any qualifying period, physical examination, exclusion of pre-existing conditions, and the like.

29 U.S.C. 2614(c); 29 CFR 825.209

PAYMENT OF
PREMIUMS

During FMLA leave, the employee must continue to pay the employee's share of group health plan premiums. If premiums are raised or lowered, the employee would be required to pay the new premium rates. *29 CFR 825.210*

FAILURE TO PAY
PREMIUMS

Unless the District has an established policy providing a longer grace period, the District's obligations to maintain health insurance coverage cease if an employee's premium payment is more than 30 days late. In order to terminate the employee's coverage, the District must provide written notice to the employee that the payment has not been received. Such notice must be mailed to the employee at least 15 days before coverage is to cease, advising that coverage will be dropped on a specified date at least 15 days after the date of the letter unless the payment has been received by that date. Coverage for the employee may be terminated at the end of the 30-day grace period, if the required 15-day notice has been provided.

Upon the employee's return from FMLA leave, the District must still restore the employee to coverage/benefits equivalent to those the employee would have had if leave had not been taken and the premium payment(s) had not been missed. The employee may not be required to meet any qualification requirements imposed by the plan, including any new preexisting condition waiting period, to wait for an open season, or to pass a medical examination to obtain reinstatement of coverage.

29 CFR 825.212

RECOVERY OF
BENEFIT COST

If an employee fails to return to work after FMLA leave has been exhausted or expires, a District may recover from the employee its share of health plan premiums during the employee's unpaid FMLA leave, unless the employee's failure to return is due to one of the reasons set forth in the regulations. The District may not recover its share of health insurance premiums for any period of FMLA leave covered by paid leave. *29 CFR 825.213*

RIGHT TO
REINSTATEMENT

On return from FMLA leave, an employee is entitled to be returned to the same position the employee held when leave began, or to an equivalent position with equivalent benefits, pay, and other terms and conditions of employment. An employee is entitled to reinstatement even if the employee has been replaced or his or her position has been restructured to accommodate the employee's absence. However, an employee has no greater right to reinstatement or to other benefits and conditions of employment than if the employee had been continuously employed during the FMLA leave period. *29 CFR 825.214(a), .216(a)*

MOONLIGHTING
DURING LEAVE

If the District has a uniformly applied policy governing outside or supplemental employment, the policy may continue to apply to an employee while on FMLA leave. A district that does not have such a policy may not deny FMLA benefits on the basis of outside or supplemental employment unless the FMLA leave was fraudulently obtained. *29 U.S.C. 2618(e); 29 CFR 825.216(e)*

REINSTATEMENT
OF SCHOOL
EMPLOYEES

The District shall make the determination of how an employee is to be restored to "an equivalent position" upon return from FMLA leave on the basis of established Board policies and practices. The "established policies" must be in writing, must be made known to the employee before the taking of FMLA leave, and must clearly explain the employee's restoration rights upon return from leave. Any established policy which is used as the basis for restoration of an employee to "an equivalent position" must provide substantially the same protections as provided in the FMLA. For example, an employee may not be restored to a position requiring additional licensure or certification. *29 CFR 825.604*

PAY INCREASES
AND BONUSES

An employee is entitled to any unconditional pay increases that may have occurred during the FMLA leave period, such as cost of living increases. Pay increases conditioned upon seniority, length of service, or work performed must be granted in accordance with the District's policy or practice with respect to other employees on an equivalent leave status for a reason that does not qualify as FMLA leave.

Equivalent pay includes any bonus or payment, whether it is discretionary or non-discretionary. However, if a bonus or other payment is based on the achievement of a specified goal such as hours worked, products sold, or perfect attendance, and the employee has not met the goal due to FMLA leave, then the payment may be denied, unless otherwise paid to employees on an equivalent leave status for a reason that does not qualify as FMLA leave. For example, if an employee who used paid vacation leave for a non-FMLA purpose would receive the payment, then an employee

who used paid vacation leave for an FMLA-protected purpose also must receive the payment.

29 CFR 825.215(c)

KEY EMPLOYEES

The District may deny job restoration to a key employee if such denial is necessary to prevent substantial and grievous economic injury to the operations of the District. *29 U.S.C. 2614(b); 29 CFR 825.217-.219*

SECTION III: NOTICES AND MEDICAL CERTIFICATION

EMPLOYER NOTICES
GENERAL NOTICE

Every covered employer must post on its premises a notice explaining the FMLA's provisions and providing information concerning the procedures for filing complaints with the Department of Labor's Wage and Hour Division. The notice must be posted prominently where it can be readily seen by employees and applicants for employment. Covered employers must post this general notice even if no employees are eligible for FMLA leave.

If the District has any eligible employees, it shall also:

1. Include the notice in employee handbooks or other written guidance to employees concerning employee benefits or leave rights, if such written materials exist; or
2. Distribute a copy of the general notice to each new employee upon hiring.

Electronic posting is sufficient if it meets the other requirements of this section.

If the District's workforce is comprised of a significant portion of workers who are not literate in English, the District shall provide the general notice in a language in which the employees are literate.

The District may use Department of Labor (DOL) form WHD 1420 or may use another format so long as the information provided includes, at a minimum, all of the information contained in that notice.

29 CFR 825.300(a)

ELIGIBILITY NOTICE

When an employee requests FMLA leave, or when the District acquires knowledge that an employee's leave may be for an FMLA-qualifying reason, the District must notify the employee of the employee's eligibility to take FMLA leave. If the employee is not eligible for FMLA leave, the notice must state at least one reason why the employee is not eligible.

The District must provide the eligibility notice within five business days, absent extenuating circumstances. Notification of eligibility

may be oral or in writing. The District may use DOL form WH-381 to provide such notification to employees. The District shall translate the notice in any situation in which it is required to translate the general notice.

29 CFR 825.300(b)

RIGHTS AND
RESPONSIBILITIES
NOTICE

Each time the District provides an eligibility notice to an employee, the District shall also provide a written rights and responsibilities notice. The rights and responsibilities notice must include the information required by the FMLA regulations at 29 CFR 825.300(c)(1).

The District may use DOL form WH-381 to provide such notification to employees. The District may adapt the prototype notice as appropriate to meet these notice requirements. The notice may be distributed electronically if it meets the other requirements of this section. The District shall translate the notice in any situation in which it is required to translate the general notice.

29 CFR 825.300(c)

DESIGNATION
NOTICE

When the District has enough information to determine whether leave is being taken for an FMLA-qualifying reason, the District must notify the employee whether the leave will be designated as FMLA leave. If the District determines that the leave will not be designated as FMLA-qualifying, the District must notify the employee of that determination. Absent extenuating circumstances, the District must provide the designation notice within five business days.

The District may use DOL form WH-382 to provide such notification to employees. If the leave is not designated as FMLA leave because it does not meet the requirements of the Act, the notice to the employee that the leave is not designated as FMLA leave may be in the form of a simple written statement.

The designation notice must include the information required by the FMLA regulations at 29 CFR 825.300(d)(1) (substitution of paid leave), (d)(3) (fitness for duty certification), and (d)(6) (amount of leave charged against FMLA entitlement). For further provisions on designation of leave, see 29 CFR 825.301.

29 CFR 825.300(d)

RETROACTIVE
DESIGNATION

The District may retroactively designate leave as FMLA leave, with appropriate notice to the employee, if the District's failure to timely designate leave does not cause harm or injury to the employee. In addition, the District and an employee may agree that leave will be retroactively designated as FMLA leave. *29 CFR 825.301(d)*

EMPLOYEE NOTICE An employee giving notice of the need for FMLA leave must state a qualifying reason for the leave and otherwise satisfy the requirements for notice of foreseeable and unforeseeable leave, below. The employee does not need to expressly assert rights under the Act or even mention the FMLA. *29 CFR 825.301*

FORESEEABLE LEAVE An employee must provide at least 30 days' advance notice before FMLA leave is to begin if the need for leave is foreseeable based upon an expected birth, placement for adoption or foster care, or planned medical treatment of the employee, a family member, or a covered servicemember. If 30 days' notice is not practicable, the employee must give notice as soon as practicable. For leave due to a qualifying exigency, the employee must provide notice as soon as practicable regardless of how far in advance the leave is foreseeable.

When planning medical treatment, the employee must consult with the District and make a reasonable effort to schedule the treatment so as not to disrupt unduly the District's operations, subject to the approval of the health-care provider.

29 CFR 825.302

UNFORESEEABLE LEAVE When the approximate timing of leave is not foreseeable, an employee must provide notice to the District as soon as practicable under the facts and circumstances of the particular case. It generally should be practicable for the employee to provide notice of leave that is unforeseeable within the time prescribed by the District's usual and customary notice requirements applicable to such leave. *29 CFR 825.303*

COMPLIANCE WITH DISTRICT REQUIREMENTS The District may require an employee to comply with its usual and customary notice and procedural requirements for requesting leave, absent unusual circumstances. If an employee does not comply with usual notice and procedural requirements, and no unusual circumstances justify the failure to comply, FMLA leave may be delayed or denied. *29 CFR 825.302(d)–.303(c)*

CERTIFICATION OF LEAVE The District may require that an employee's FMLA leave be supported by certification, as described below. The District must give notice of a requirement for certification each time certification is required. At the time the District requests certification, the District must advise the employee of the consequences of failure to provide adequate certification. *29 CFR 825.305(a)*

TIMING In most cases, the District should request certification at the time the employee gives notice of the need for leave or within five business days thereafter or, in the case of unforeseen leave, within five business days after the leave commences. The District may re-

quest certification at a later date if the District later has reason to question the appropriateness of the leave or its duration. The employee must provide the requested certification to the District within 15 calendar days after the District's request, unless it is not practicable under the particular circumstances to do so despite the employee's diligent, good faith efforts. *29 CFR 825.305(b)*

INCOMPLETE OR
INSUFFICIENT
CERTIFICATION

The District shall advise an employee if it finds a certification incomplete or insufficient and shall state in writing what additional information is necessary to make the certification complete and sufficient. The District must provide the employee with seven calendar days (unless not practicable under the particular circumstances despite the employee's diligent, good faith efforts) to cure any such deficiency.

A certification is "incomplete" if one or more of the applicable entries have not been completed. A certification is "insufficient" if it is complete, but the information provided is vague, ambiguous, or non-responsive. A certification that is not returned to the District is not considered incomplete or insufficient, but constitutes a failure to provide certification.

29 CFR 825.305(c)

MEDICAL
CERTIFICATION OF
SERIOUS HEALTH
CONDITION

When leave is taken because of an employee's own serious health condition, or the serious health condition of a family member, the District may require the employee to obtain medical certification from a health-care provider. The District may use DOL optional form WH-380-E when the employee needs leave due to the employee's own serious health condition and optional form WH-380-F when the employee needs leave to care for a family member with a serious health condition. The District may not require information beyond that specified in the FMLA regulations.

An employee may choose to comply with the certification requirement by providing the District with an authorization, release, or waiver allowing the District to communicate directly with the health-care provider.

For the definition of "health-care provider," see 29 CFR 825.125.

29 CFR 825.306

AUTHENTICATION
AND CLARIFICATION

If an employee submits a complete and sufficient certification signed by the health-care provider, the District may not request additional information from the health-care provider. However, the District may contact the health-care provider for purposes of clarification and authentication of the certification after the District has given the employee an opportunity to cure any deficiencies, as set forth above. To make such contact, the District must use a health-

care provider, a human resources professional, a leave administrator, or a management official. Under no circumstances may the employee's direct supervisor contact the employee's health-care provider.

“Authentication” means providing the health-care provider with a copy of the certification and requesting verification that the information on the form was completed and/or authorized by the health-care provider who signed the document; no additional medical information may be requested.

“Clarification” means contacting the health-care provider to understand the handwriting on the certification or to understand the meaning of a response. The District may not ask the health-care provider for additional information beyond that required by the certification form. The requirements of the Health Insurance Portability and Accountability Act (HIPAA) Privacy Rule must be satisfied when individually identifiable health information of an employee is shared with the District by a HIPAA-covered health-care provider.

29 CFR 825.307(a)

SECOND AND THIRD
OPINIONS

If the District has reason to doubt the validity of a medical certification, the District may require the employee to obtain a second opinion at the District's expense. If the opinions of the employee's and the District's designated health-care providers differ, the District may require the employee to obtain certification from a third health-care provider, again at the District's expense. *29 CFR 825.307(b), (c)*

FOREIGN MEDICAL
CERTIFICATION

If the employee or a family member is visiting another country, or a family member resides in another country, and a serious health condition develops, the District shall accept medical certification as well as second and third opinions from a health-care provider who practices in that country. If the certification is in a language other than English, the employee must provide the District with a written translation of the certification upon request. *29 CFR 825.307(f)*

RECERTIFICATION

The District may request recertification no more often than every 30 days and only in connection with an absence by the employee, except as set forth in the FMLA regulations. The District must allow at least 15 calendar days for the employee to provide recertification.

As part of the recertification for leave taken because of a serious health condition, the District may provide the health-care provider with a record of the employee's absence pattern and ask the health-care provider if the serious health condition and need for leave is consistent with such a pattern.

QUALIFYING
EXIGENCY LEAVE

The first time an employee requests leave because of a qualifying exigency, the District may require the employee to provide a copy of the covered military member's active duty orders or other documentation issued by the military which indicates that the covered military member is on active duty or call to active duty status in support of a contingency operation, and the dates of the covered military member's active duty service.

The District may also require that the leave be supported by a certification that addresses the information at 29 CFR 825.309(b). The District may use DOL optional form WH-384, or another form containing the same basic information, for this certification. The District may not require information beyond that specified in the regulations.

MILITARY
CAREGIVER LEAVE

When an employee takes military caregiver leave, the District may require the employee to obtain a certification completed by an authorized health-care provider of the covered servicemember. In addition, the District may request that the employee and/or covered servicemember address in the certification the information at 29 CFR 825.310(c). The District may also require the employee to provide confirmation of a covered family relationship to the seriously injured or ill servicemember.

The District may use DOL optional form WH-385, or another form containing the same basic information, for this certification. The District may not require information beyond that specified in the regulations. The District must accept as sufficient certification "invitational travel orders" ("ITOs") or "invitational travel authorizations" ("ITAs") issued to any family member to join an injured or ill servicemember at his or her bedside.

The District may seek authentication and/or clarification of the certification under the procedures described above. Second and third opinions, and recertifications, are not permitted for leave to care for a covered servicemember.

29 CFR 825.310

INTENT TO RETURN
TO WORK

The District may require an employee on FMLA leave to report periodically on the employee's status and intent to return to work. The District's policy regarding such reports may not be discriminatory and must take into account all of the relevant facts and circumstances related to the individual employee's leave situation.

29 CFR 825.311

FITNESS FOR DUTY
CERTIFICATION

As a condition of restoring an employee who took FMLA leave due to the employee's own serious health condition, the District may

have a uniformly applied policy or practice that requires all similarly situated employees (i.e., same occupation, same serious health condition) who take leave for such conditions to obtain and present certification from the employee's health-care provider that the employee is able to resume work. The District may require that the certification specifically address the employee's ability to perform the essential functions of the employee's job. *29 CFR 825.312*

FAILURE TO
PROVIDE
CERTIFICATION

If the employee fails to provide the District with a complete and sufficient certification, despite the opportunity to cure, or fails to provide any certification, the District may deny the taking of FMLA leave. This provision applies in any case where the District requests a certification, including any clarifications necessary to determine if certifications are authentic and sufficient. *29 CFR 825.305*

For failure to provide timely certification of foreseeable leave, see 29 CFR 825.313(a). For failure to provide timely certification of unforeseeable leave, see 29 CFR 825.313(b). For failure to provide timely recertification, see 29 CFR 825.313(c). For failure to provide timely fitness-for-duty certification, see 29 CFR 825.313(d).

SECTION IV: MISCELLANEOUS PROVISIONS

RECORDS

The District shall make, keep, and preserve records pertaining to its obligations under the FMLA in accordance with the recordkeeping requirements of the Fair Labor Standards Act (FLSA) and the FMLA regulations. The District shall keep these records for no less than three years and make them available for inspection, copying, and transcription by representatives of the DOL upon request.

If the District is preserving records electronically, the District must comply with 29 CFR 825.500(b). A district that has eligible employees must maintain records with the data set forth at 29 CFR 825.500(c). A district that has no eligible employees must maintain just the data at 29 CFR 825.500(c)(1). For districts in a joint employment situation, see 29 CFR 825.500(e).

Records and documents relating to certifications, recertifications, or medical histories of employees or employees' family members, created for purposes of FMLA, shall be maintained as confidential medical records in separate files/records from the usual personnel files. If the Americans with Disabilities Act (ADA) is also applicable, such records shall be maintained in conformance with ADA confidentiality requirements [see 29 CFR 1630.14(c)(1)], except as set forth in this section of the regulations.

1. The person (or an appropriate officer of the uniformed service in which such service is performed) has given advance written or verbal notice of such service to the District (unless notice is precluded by military necessity or is otherwise unreasonable or impossible);
2. The cumulative length of the absence and of all previous absences from a position of employment with the District does not exceed five years; and
3. The person reports to or submits an application for reemployment to the District and complies with the appropriate procedural requirements that apply under the circumstances.

For purposes of federal military leave, "uniformed services" means the Armed Forces; the Army National Guard and the Air National Guard when engaged in active duty for training, inactive duty training, or full-time National Guard duty; the commissioned corps of the Public Health Services; and any other category of persons designated by the President in time of war or emergency.

EXCEPTION

The District is not required to reemploy a person if:

Each classroom teacher is entitled to at least 450 minutes in each two-week period for instructional preparation including parent-teacher conferences, evaluating students' work, and planning. A planning and preparation period may not be less than 45 minutes within the instructional day. During that time, a teacher may not be required to participate in any other activity. *Education Code 21.404* [See DEA(LEGAL) for definition of classroom teacher]

DUTY-FREE LUNCH

Each classroom teacher or full-time librarian is entitled to at least a 30-minute lunch period free from all duties and responsibilities connected with the instruction and supervision of students. The implementation of this requirement may not result in a lengthened school day. *Education Code 21.405* [See DEA(LEGAL) for definitions of classroom teacher and librarian]

EXCEPTION

If necessary because of a personnel shortage, extreme economic conditions, or unavoidable or unforeseen circumstances, the District may require a classroom teacher or librarian to supervise students during lunch. A classroom teacher or librarian may not be required to supervise students under this exception more than one day in any school week. *Education Code 21.405*

In determining whether an exceptional circumstance exists, the District shall use the following guidelines:

1. A personnel shortage exists when, despite reasonable efforts to use nonteaching personnel or the assistance of community volunteers to supervise students during lunch, no other personnel are available.
2. Extreme economic conditions exist when the percentage of a local tax increase, including the cost of implementing duty-free lunch requirements, would place the District in jeopardy with respect to a potential roll-back election.
3. Unavoidable or unforeseen circumstances exist when, because of illness, epidemic, or natural or man-made disaster, the District is unable to find individuals to supervise students during lunch.

FREQUENCY Except as provided below, each teacher must be appraised at least once during each school year. *Education Code 21.203, 21.352(c); 19 TAC 150.1003(a)*

EXCEPTION A teacher may be appraised less frequently if the teacher agrees in writing and the teacher's most recent evaluation rated the teacher as at least proficient, or the equivalent, and did not identify any area of deficiency. A teacher who is appraised less frequently than annually must be appraised at least once during each period of five school years. *Education Code 21.352(c)*

For purposes of the Professional Development and Appraisal System (PDAS), an area of deficiency is a domain. A teacher must be rated as at least proficient for each domain (that is, for all domains) to be eligible for less frequent appraisals.

District policy may stipulate:

1. Whether the exception is to be made available to all teachers;
2. Whether the exception is to be adopted Districtwide or is to be campus specific;
3. If the appraisal accompanying a teacher new to the District or campus meets the requirements for the exception, whether the appraisal is to be accepted or whether that teacher is to be appraised by the new campus administrator; and
4. Whether a certified appraiser may place a teacher on the traditional appraisal cycle as a result of performance deficiencies documented by cumulative data, including third-party information.

The District may choose annually to review the written agreement with the teacher. However, at the end of the school year, the District may modify exceptions through Board policy and may make changes to expectations for appraisals that apply to all teachers regardless of a teacher's participation in the appraisal option in the previous years.

APPRAISERS

The teacher appraisal process requires at least one certified appraiser.

A campus administrator who is a certified PDAS appraiser and approved by the Board shall conduct a teacher's appraisal. For the purposes of PDAS, a "campus administrator" includes a principal, an assistant principal, or other supervisory staff designated as an administrator who holds a comparable administrator/supervisor certificate established by the State Board for Educator Certification. Only in the event of the circumstances described below at SAME CAMPUS may an individual other than a campus administrator act as a certified appraiser.

The District shall adopt written procedures for determining the selection of second appraisers. The procedures shall be disseminated to each teacher at the time of employment and updated annually or as needed. *19 TAC 150.1005(g)*

INTERVENTION PLAN A teacher whose performance meets one of the following circumstances will be designated a "teacher in need of assistance":

1. A teacher who is evaluated as unsatisfactory in one or more domains; or
2. A teacher who is evaluated as below expectations in two or more domains.

When a teacher is designated as in need of assistance, the certified appraiser and the teacher's supervisor shall, in consultation with the teacher, develop an intervention plan. A teacher who has not met all requirements of the intervention plan by the time specified may be considered for separation from the assignment, campus, and/or District.

An intervention plan may be developed at any time at the discretion of the certified appraiser when the certified appraiser has documentation that would potentially produce an evaluation rating of "below expectations" or "unsatisfactory."

FUNDING

If the District provides education services to pre-adjudicated and post-adjudicated students who are confined by court order in a juvenile residential facility operated by a juvenile board, the District is entitled to count those students in the District's average daily attendance.

If a district has a wealth per student greater than the guaranteed wealth level but less than the equalized wealth level, the district in which the student is enrolled on the date a court orders the student to be confined to a juvenile residential facility shall transfer to the district providing education services an amount equal to the difference between:

1. The average Foundation School Program costs per student of the district providing education services; and
2. The sum of the state aid and the money from the available school fund received by the district that is attributable to the student for the portion of the school year for which the district provides education services to the student.

Education Code 37.0061

OPERATIONS
DEFINITIONS

A "pre-adjudication secure detention facility" is a secure facility administered by a governing board that includes construction and fixtures designed to physically restrict the movements and activities of juveniles or other individuals held in lawful custody in the facility and is used for the temporary placement of any juvenile or other individual who is accused of having committed an offense and is awaiting court action, an administrative hearing, or other transfer action.

A "post-adjudication secure correctional facility" is a secure facility administered by a governing board or the Texas Youth Commission that includes construction and fixtures designed to physically restrict the movements and activities of the residents and is intended for the treatment and rehabilitation of youth who have been adjudicated. A post-adjudication secure correctional facility does not include any non-secure residential program operating under the authority of a juvenile board as defined by Family Code 51.12(j).

A "resident" is a juvenile or other individual who has been admitted into a pre-adjudication secure detention facility or a post-adjudication secure correctional facility.

"Residential facility" means:

1. A facility operated by a state agency or political subdivision, including a child placement agency, that provides 24-hour custody or care of a person 22 years of age or younger, if the

person resides in the facility for detention, treatment, foster care, or any noneducational purpose; and

2. Any person or entity that contracts with or is funded, licensed, certified, or regulated by a state agency or political subdivision to provide custody or care for a person under item 1.

A "school district" is the educational service provider in a pre-adjudication secure detention facility or a post-adjudication secure correctional facility. For the purposes of this section addressing OPERATIONS, the definition of school district includes open-enrollment charter school.

EDUCATION
ALLOTMENT

The District is entitled to an annual compensatory education allotment for each student:

1. Who is educationally disadvantaged; or
2. Who does not have a disability and resides in a residential placement facility in the district in which the student's parent or legal guardian does not reside.

The number of educationally disadvantaged students is determined by the formula set forth at Education Code 42.152(b).

Education Code 42.152(a)-(b)

USE

The District shall use its compensatory education allotment to fund supplemental programs and services designed to eliminate any disparity in performance on state assessment instruments or disparity in the rates of high school completion between students at-risk of dropping out of school, as defined below, and all other students.

Specifically, the District may use the funds, other than an indirect cost allotment established by State Board rule, to meet the costs of providing a compensatory, intensive, or accelerated instruction program under Education Code 29.081, a disciplinary alternative education program under Education Code 37.008, or to support a Title I program, at a campus at which at least 40 percent of the students are educationally disadvantaged.

The District may also use allocated funds for:

1. A mentoring services program under Education Code 29.089;
2. An accelerated reading instruction program under Education Code 28.006(g);
3. A program for treatment of students who have dyslexia or a related disorder, as required by Education Code 38.003; and

PREVENTION
STRATEGIES

A district with a high dropout rate, as determined by the Commissioner, shall submit a plan to the Commissioner describing the manner in which the district intends to use its compensatory education and high school allotments for developing and implementing research-based strategies for dropout prevention.

If the District is required to submit both a dropout prevention strategy plan and a plan to increase college enrollment [see GNC], the District must describe in its dropout prevention strategy plan how the activities identified in both plans will be coordinated. If a district is required to submit both a school improvement plan, due to failure to meet the required performance standard regarding dropout rates or completion rates, as well as a dropout prevention strategy plan, the District may request that its school improvement plan be used to satisfy both requirements.

The District shall submit the plan not later than December 1 of each school year preceding the school year in which the District will receive the compensatory education or high school allotment to which the plan applies. The plan must meet the requirements at 19 Administrative Code 89.1701(e).

The District may not spend or obligate more than 25 percent of the District's compensatory or high school allotment unless the Commissioner approves the plan.

An eligible student who does not meet the criteria specified above but enrolls in the District at any time after the date of the first administration of the grade advancement assessments is not subject to the grade advancement requirements.

The District must provide the student the opportunity to test and access to accelerated instruction.

REQUIRED
ASSESSMENT

A student may not be promoted to:

1. The sixth grade program to which the student would otherwise be assigned if the student does not perform satisfactorily

on the fifth grade mathematics and reading assessment instruments; or

2. The ninth grade program to which the student would otherwise be assigned if the student does not perform satisfactorily on the eighth grade mathematics and reading assessment instruments. This applies to the assessment instrument administered to students in eighth grade beginning with the 2007–08 school year.

TEST SCHEDULE

TEA shall provide three opportunities per year for the tests required for grade advancement. The Superintendent shall establish procedures to ensure that:

1. Each eligible student who is absent or does not receive a test score for any test administration shall receive appropriate accelerated instruction as warranted on an individual basis; and
2. Each eligible student who is absent or does not receive a test score for all three test opportunities and is consequently retained shall receive other appropriate means of evaluation, including an alternate assessment, so that the GPC has sufficient evidence for its review upon appeal by a parent or guardian.

19 TAC 101.2005(b)–(c)

The District must accommodate the request of an out-of-District student to participate in the third administration of a test required for grade advancement if the District is testing one or more local students on the applicable test and if the out-of-District student has registered to take the test by a date determined by TEA. *19 TAC 101.2005(d)*

INSTRUMENTS

Each time a student fails to perform satisfactorily on an assessment instrument administered under Education Code 39.023(a) in the third, fourth, fifth, sixth, seventh, or eighth grade [see EKB], the district in which the student attends school shall provide to the student accelerated instruction in the applicable subject area.

Accelerated instruction shall be based on, but not limited to, guidelines on research-based best practices and effective strategies as outlined in the GPC manual, published annually by TEA, which districts may use for developing accelerated instruction.

Accelerated instruction may require participation of the student before or after normal school hours and may include participation at times of the year outside normal school operations.

The District must accommodate the request of an out-of-District student to participate in any established, on-campus summer accelerated instruction program, provided the student is living away from his or her home district and the program matches the accelerated instruction prescribed by the student's GPC.

ACCELERATED
INSTRUCTION

Each time a student fails to perform satisfactorily on a grade advancement test, the District shall provide the student with accelerated instruction in the applicable subject area. A student who fails to perform satisfactorily on a grade advancement test shall be provided accelerated instruction before the next administration of the applicable assessment. An accelerated instruction group for students who have failed an assessment may not have a ratio of more than ten students for each teacher per class. The accelerated instruction must satisfy the standards found in 19 Administrative Code 101.2006. [See UNSATISFACTORY PERFORMANCE ON ASSESSMENT INSTRUMENTS, above] *Education Code 28.0211(c); 19 TAC 101.2006(e)(1)*

If a student fails to perform satisfactorily on a grade advancement test after three attempts, the accelerated instruction shall be provided during the next school year according to an educational plan developed for the student by the student's GPC. The District shall provide the instruction regardless of whether the student has been promoted or retained. The educational plan shall be designed to enable the student to perform at the appropriate grade level by the conclusion of the school year. During the school year, the student

In addition to providing the accelerated instruction, the District shall notify the student's parent or guardian of:

1. The student's failure to perform satisfactorily on the assessment instrument;
2. The accelerated instruction program to which the student is assigned; and
3. The possibility that the student might be retained at the same grade level for the next school year.

Whenever the District is required to notify a parent or guardian about the requirements related to promotion and accelerated instruction, the District shall make a good-faith effort to ensure that the notice is provided either in person or by regular mail, is clear and easy to understand, and is written in English or in the parent or guardian's native language.

The District shall provide early notice to parents or guardians of students identified in a preceding grade to be at risk of failure on the first administration of the assessment required for grade advancement the next year. Within five working days of the District's receipt of student assessment results for the second administration of the assessment required for grade advancement, the District shall notify the campus principal of student assessment results for each student who fails to demonstrate proficiency. Upon receipt of this notice, the principal shall notify the teacher and parent or guardian of the assessment results. This notice shall include a description of the purpose and responsibilities of a GPC and the time and place for the first meeting of the GPC. *19 TAC 101.2007(c)*

GRADE
PLACEMENT
COMMITTEE

After a student fails to perform satisfactorily on an assessment instrument a second time, a GPC shall be established to prescribe the accelerated instruction the student is to receive before the assessment instrument is administered the third time. The Superintendent shall establish procedures for convening the GPC.

In accordance with 19 Administrative Code 101.2006(d), decisions by the GPC shall be made on an individual student basis, address required participation of the student in accelerated instruction, and ensure the most effective instruction to support the student's academic achievement on grade level.

The GPC shall be composed of the principal or the principal's designee, the student's parent or guardian, and the student's teacher of the subject of the grade advancement assessment on which the student failed to perform satisfactorily. If this teacher is unavailable, the principal shall designate to serve on the committee a teacher certified in the subject of the assessment on which the student failed to perform satisfactorily and who is most familiar with the student's performance in that subject area.

If more than one parent or guardian has the authority to make educational decisions regarding the student, a good faith effort must be made to notify both parents, but participation of any one parent or guardian is sufficient. Either parent or only one guardian may initiate an appeal. If both parents or guardians serve on the GPC but do not agree, either may agree to promote the student if the remaining members of the GPC also agree to the promotion. The District may accept a parent's or guardian's written designation of another person to serve on the GPC for all purposes. The District may accept a parent's or guardian's written and signed waiver of participation in the GPC and designation of the remaining members of the GPC as the decision-making entity for all purposes.

If a parent or guardian or designee is unable to attend a meeting, the District may use other methods to ensure parent participation, including individual or conference telephone calls. The District may designate another person to act on behalf of the student in place of a parent, guardian, or designee if no such person can be located.

ALTERNATE
ASSESSMENT

For the third testing opportunity, the Board may choose to use a state-approved alternate assessment instead of the statewide assessment instrument. If the Board adopts such a policy, the District shall select from a list provided annually by the Commissioner only one test for each applicable grade and subject. The alternate assessment must be given during the period established by the Commissioner in the assessment calendar to coincide with the date of the third administration of the statewide assessment.
19 TAC 101.2011(a)-(b)

PARENTAL
WAIVER

The Superintendent shall establish a waiver process by which a parent or guardian may request that a student not participate in the third test opportunity due to potential harm to the student. The waiver must provide documentation of potential harm, student need, and other appropriate information. If a parental waiver is granted, the student must still participate in all required accelerated instruction and is subject to retention based on the failure on the second test administration. *19 TAC 101.2015*

AFTER THIRD
TESTING
OPPORTUNITY
NOTICE

The GPC must convene again if a student fails to demonstrate proficiency on the third administration of an assessment required for grade advancement and is thereby automatically retained at the same grade level. Within five working days of receipt of student assessment results for this administration, the District shall notify the campus principal of the assessment results for each eligible student who fails to demonstrate proficiency. Upon receipt of this notice, the principal shall notify the teacher and parent or guardian of the time and place for the GPC to hold a meeting. This notice shall inform the parent or guardian of the opportunity to appeal the automatic retention of the student. The District shall establish a procedure to ensure a good faith effort is made toward securing the parent's or guardian's receipt of the retention notification. *19 TAC 101.2007(e)*

RETENTION AND
APPEAL

A student who fails to perform satisfactorily after at least three attempts on one of the grade advancement tests shall be retained at the same grade level for the next school year. The parent or guardian may appeal the retention by submitting a request to the GPC within five working days of receipt of the retention notification.
Education Code 28.0211(e); 19 TAC 101.2007(e)

The GPC may not agree to promote a student unless a parent, guardian, or designee has appealed. *19 TAC 101.2007(b)(2)*

If an appeal is initiated by the parent or guardian, the GPC may decide in favor of promotion only if the GPC concludes, upon review of all facts and circumstances, and in accordance with standards adopted by the Board, that the student is likely to perform on grade level given additional accelerated instruction during the next school year. A student may be promoted only if the decision of the GPC is unanimous and the student has completed all required accelerated instruction.

The review and decision of the GPC must be appropriately documented as meeting the standards adopted by the Board and made in conformance with procedures specified in the GPC manual and as required by 19 Administrative Code 101.2001(b). These standards must include consideration of the following:

1. The recommendation of the student's teacher;
2. The student's grades;
3. The student's assessment scores; and
4. Any other necessary academic information as determined by the District.

19 TAC 101.2007(f)

The placement decision by the GPC shall be made before the start of the next school year, or if applicable, upon re-enrollment of the student after this date. *19 TAC 101.2007(g)*

The committee's decision regarding placement is final and may not be appealed. *Education Code 28.0211(e)*

A student who is promoted to the next grade level must complete accelerated instruction required under Education Code 28.0211(a-1) [see UNSATISFACTORY PERFORMANCE ON ASSESSMENT INSTRUMENTS, above] before placement in the next grade level. A student who fails to complete required accelerated instruction may not be promoted. *Education Code 28.0211(a-2); 19 TAC 101.2006(e)(2)*

In each subject in which the student failed to perform satisfactorily on the grade advancement test, a student who is promoted by the GPC must be assigned to a teacher who meets all state and federal qualifications to teach that subject and grade. *Education Code 28.0211(n)*

A company or organization scoring an assessment instrument shall send test results to the District for verification. The District shall have 90 days to verify the accuracy of test data and report the results to the Board.

The District shall follow procedures for test security and confidentiality set forth in 19 Administrative Code Chapter 101, Subchapter C. [See EKB]

The Commissioner shall consider requests from districts or campuses for alternate test dates on a case-by-case basis. Alternate test dates will only be allowed if the campus or District is closed on the day on which testing is scheduled or if there is an exceptional circumstance, defined below, that may affect the District's or cam-

"Exceptional circumstances" include:

1. Inclement weather or natural disasters that would cause the District or campus to be closed or that would cause a small percentage of students to be in attendance on the day testing is scheduled;
2. Health epidemics that result in a large number of students being absent on the day of testing;
3. Death of a student or school official that may impact student performance; and
4. Sudden emergencies that occur on the day of testing or shortly before testing that may inhibit students from completing the assessments, such as a fire on campus, a bomb threat, an extended power outage, or a water main break.

If an alternate test date for primary test administration is approved, the Commissioner may prohibit the District or campus from participating in UIL competition on the new test date if that is determined to be in the best interest of the District, campus, and students.

Permissible testing accommodations shall be described in the appropriate test administration materials.

The committee established by the Board to determine the placement of students with dyslexia or related disorders shall determine whether any allowable modification is necessary in administering an assessment to such a student.

EXIT-LEVEL
ASSESSMENT

A student may not receive a high school diploma until the student has performed satisfactorily on the secondary TAKS exit-level assessment for English language arts, mathematics, social studies, and science. A foreign exchange student who has waived in writing his or her intention to receive a Texas high school diploma may be excused from the exit-level assessment requirement. *Education Code 39.025(a)–(a-2); 19 TAC 101.5(d)*

IMPLEMENTATION
SCHEDULE

A student shall not be required to demonstrate performance on exit-level tests at a standard higher than the one in effect when the student was first eligible to take the test.

Students who were enrolled in grade 8 or a lower grade on January 1, 2001, must fulfill testing requirements for graduation with the

exit-level Texas Assessment of Knowledge and Skills (TAKS) tests, as required by Education Code 39.023(c), as that section existed before amendment by Senate Bill 1031, 80th Texas Legislature, 2007. [See ALL STUDENTS, above]

Beginning with the 2011–12 school year, students first enrolled in grade 9 or lower must fulfill testing requirements for graduation with the end-of-course assessment instruments as required by Education Code 39.023, as amended by Senate Bill 1031, 80th Texas Legislature, 2007.

19 TAC 101.7(a)–(b), 101.3003

ALTERNATIVE
ASSESSMENTS

An eligible student who has met the passing standard on a state-approved alternative assessment instrument, as set forth at 19 Administrative Code 101.4001, in a particular area has satisfied the exit-level testing requirement in that subject area.

A student is eligible to substitute an alternative exit-level assessment for a TAKS exit-level assessment if the student, after January 1 of the year in which the student would otherwise be eligible to graduate:

1. Enrolls in a public school in Texas for the first time; or
2. Enrolls in a public school in Texas after an absence of at least four years from any public school in the state. A student meets this requirement if the student has not been enrolled for one or more days in a public school in Texas in the four years preceding the date on which the student enrolls.

VERIFICATION OF
ELIGIBILITY

An eligible student is responsible for providing the District an official copy of the student's scores from the alternative assessment.

Each district shall be responsible for verifying a student's eligibility for the alternative exit-level assessment. Upon receipt of official results of an approved alternative exit-level assessment, the District must:

1. Verify the student's score on the alternative assessment; and
2. Determine whether the student met the performance standard required to qualify for a public high school diploma in Texas as established by the Commissioner.

Education Code 39.025(c-1); 19 TAC 101.4001, 101.4003, 101.4005

RETAKES

An eligible student or out-of-school individual who has not met graduation requirements may retest on a schedule determined by the Commissioner. A student who has been denied a diploma be-

SPECIAL EDUCATION

TEA shall develop or adopt appropriate criterion-referenced alternative assessment instruments to be administered to each student in a special education program for whom a state assessment instrument adopted under Education Code 39.023(a), even with allowable accommodations, would not provide an appropriate measure of student achievement, as determined by the student's admission, review, and dismissal committee. Each testing accommodation shall be documented in the student's IEP. *Education Code 39.023(b); 19 TAC 101.5(b)*

MILITARY
DEPENDENTS

If the student is a military dependent, the District shall accept:

1. Exit or end-of-course exams required for graduation from the sending state;
2. National norm-referenced achievement tests; or
3. Alternative testing, in lieu of testing requirements for graduation in the receiving state.

In the event the above alternatives cannot be accommodated by the receiving state for a military dependent transferring in his or her senior year, then a Commissioner's substitute passing standard shall apply.

SUBSTITUTE
PASSING
STANDARD

The Commissioner shall adopt a passing standard on one or more national norm-referenced achievement tests for purposes of permitting a qualified military dependent to meet that standard as a substitute for achieving a score on an assessment instrument otherwise required for graduation. The passing standard is available only for a student who enrolls in a public school in this state for the first time after completing the ninth grade or who reenrolls in a public school in this state at or above the tenth grade level after an absence of at least two years from the public schools of this state. Each passing standard in effect when a student first enrolls in a Texas public high school remains applicable to the student for the duration of the student's high school enrollment, regardless of any subsequent revision of the standard.

Education Code 162.002 art. VII, §§ B–C [See FDD]

REPORTING RESULTS
TO THE PUBLIC

Overall student performance data, aggregated by ethnicity, sex, grade level, subject area, campus, and District, shall be made available to the public, with appropriate interpretations, at regularly scheduled meetings of the Board, after receipt from TEA. The in-

PENALTIES

Violation of security or confidential integrity of any test shall be prohibited. A person who engages in prohibited conduct may be subject to sanction of credentials.

Procedures for maintaining the security and confidential integrity of a test shall be specified in the appropriate test administration materials. Conduct that violates the security and confidential integrity of a test is defined as any departure from the test administration procedures established by the Commissioner. Conduct of this nature may include the following acts and omissions:

6. Encouraging or assisting an individual to engage in the conduct described in 1–5 above; or
7. Failing to report to an appropriate authority that an individual has engaged in conduct outlined in 1–6 above.

Any person who violates, assists in the violation of, or solicits another to violate or assist in the violation of test security or confidential integrity, and any person who fails to report such a violation are subject to the following penalties:

1. Placement of restrictions on the issuance, renewal, or holding of a Texas teacher certificate, either indefinitely or for a set term;
2. Issuance of an inscribed or non-inscribed reprimand;
3. Suspension of a Texas teacher certificate for a set term; or
4. Revocation or cancellation of a Texas teacher certificate without opportunity for reapplication for a set term or permanently.

Any irregularities in test security or confidential integrity may also result in the invalidation of student results.

Education Code 39.027(a-1); 19 TAC 101.1010(a)

GENERALLY
FIRST YEAR

An LEP student may be administered an accommodated or alternative assessment instrument or may be granted an exemption from or a postponement of the administration of the state assessment for up to one year after initial enrollment in a school in the United States if the student has not demonstrated proficiency in English as determined by the assessment system developed to evaluate academic progress of an LEP student. *Education Code 39.027(a)(1)*

SUBSEQUENT
YEARS

An LEP student granted the initial exemption period above may be administered an accommodated or alternative assessment instrument or may be granted an exemption from or a postponement of the administration of the state assessment for up to:

1. An additional two years if the student is a recent unschooled immigrant or is in a grade for which no assessment instrument in the primary language of the student is available; or
2. An additional four years if the student's initial enrollment in a school in the United States was as an unschooled asylee or refugee.

The LPAC must determine that the student lacks the academic language proficiency in English necessary for an assessment in English to measure the student's academic progress in a valid, reliable manner.

Education Code 39.027(a)(1)–(2), (a-1), (g)

REFUSAL OF

EXEMPTIONS

Certain immigrant LEP students who have had inadequate schooling outside the United States may be eligible for an exemption from the assessment during a period not to exceed their first three school years of enrollment in United States schools. *19 TAC 101.1007(b)*

The immigrant student may be granted an LEP exemption if the LPAC determines that the student has not had the schooling outside the United States necessary to provide the foundation of learning that Texas schools require and measure on the assessment, whether the foundation be in knowledge of the English language or specific academic skills and concepts in the subjects assessed. *19 TAC 101.1007(b)(2)*

In grades 2–12, an immigrant LEP student who achieves a rating of advanced high on the state-administered English language proficiency assessment in reading during the student's first school year of enrollment in United States schools is not eligible for an exemption in the second or third school year of enrollment in United States schools. An immigrant LEP student who achieves a rating of advanced or advanced high on this assessment during the student's second school year of enrollment in United States schools is not eligible for an exemption in the third school year of enrollment in United States schools. *Education Code 39.027(e); 19 TAC 101.1007(b)(1)*

However, LEP students who are recent immigrants may be granted a postponement of the administration of the exit-level assessment during their first 12 months of enrollment in U.S. schools. A postponement is not permitted if a student would otherwise not be afforded the opportunity to take the exit-level assessments at least one time before the student's scheduled graduation date. *19 TAC 101.1005*

ASSESSMENT IN
SPANISH

During the second and third school years of enrollment in U.S. schools, an immigrant student whose schooling outside the United States was inadequate and for whom a Spanish-version assessment is available is not eligible for an LEP exemption and must take the assessment in either English or Spanish unless the LPAC makes the determinations at 19 Administrative Code 101.1007(b)(4).

STATE ASSESSMENT
LEP STUDENTS

EKBA
(LEGAL)

In grades 3–5, the LPAC shall determine whether an LEP student is administered the assessment of academic skills in English or in Spanish. An LEP student may be administered a Spanish version of the assessment for a maximum of three years. If the LEP student is an immigrant, the number of LEP exemptions and administrations of the assessment in Spanish must not exceed three.

The District may administer the assessment in Spanish to a student who is not identified as LEP but who participates in a two-way bilingual program if the LPAC determines the assessment in Spanish is the most appropriate measure of the student's academic progress. The student may not be administered the Spanish-version assessment for longer than three years.

In subjects and grades in which testing is required by federal law and regulations, a student whose test results are excluded shall be administered assessments using linguistically accommodated testing procedures delineated in the test administration materials.

ENROLLMENT IN
ANOTHER DISTRICT

If a student placed in a DAEP enrolls in another district before the expiration of the placement, the Board shall provide to the district in which the student enrolls a copy of the placement order at the same time it provides other records. The district in which the student enrolls shall inform each educator who will have responsibility for, or will be under the direction and supervision of an educator who will have responsibility for, the instruction of the student of the contents of the placement order. Each educator shall keep the information confidential from any person not entitled to the information, except that the educator may share the information with the student's parent or guardian as provided by state or federal law.

The district in which the student enrolls may continue the placement or allow the student to attend regular classes. [See FO] The district in which the student enrolls may take any of these actions if:

1. The student was placed in a DAEP by an open-enrollment charter school and the charter school provides the district a copy of the placement order; or
2. The student was placed in a DAEP by a district in another state and:
 - a. The out-of-state district provides a copy of the placement order; and

OUT-OF-STATE
PLACEMENT

If a student was placed in a DAEP in another state for more than one year and the enrolling district continues the placement under Education Code 37.008(j), the enrolling district shall reduce the period of placement so that the aggregate period does not exceed one year unless the enrolling district determines that:

1. The student is a threat to the safety of other students or to district employees; or
2. Extended placement is in the best interest of the student.

This requirement does not, however, obligate the District to provide in the DAEP a course, except as required by Education Code 37.008(l). [See FOCA] At the review, the student or the student's parent or guardian must be given the opportunity to present arguments for the student's return to the regular classroom or campus. If the District elects to contract with the juvenile board for the placement of students who are expelled for conduct for which expulsion is permitted but not required under Education Code 37.007, and the juvenile board and the District are unable to reach an agreement in the MOU, either party may request that the issues of dispute be referred to a binding arbitration process that uses a qualified alternative dispute resolution arbitrator.

Each party shall pay its pro rata share of the arbitration costs and shall submit its final proposal to the arbitrator. If the parties cannot agree on an arbitrator, the juvenile board shall select an arbitrator, the District shall select an arbitrator, and those two arbitrators shall select an arbitrator who shall decide the issues in dispute.

The arbitration decision is enforceable in a court in the county in which the JJAEP is located. Any decision by an arbitrator concerning the amount of the funding for a student who is expelled and attending a JJAEP must provide an amount sufficient based on operation of the JJAEP. In determining the amount to be paid by the District for an expelled student enrolled in a JJAEP, the arbitrator shall consider the relevant factors, including evidence of:

SECTION IV: CHARGES REGARDING PUBLIC INFORMATION REQUESTS

COSTS AND CHARGES

The charge for providing a copy of public information shall be an amount that reasonably includes all costs related to reproducing the information, including costs of materials, labor, and overhead. The charges shall not be excessive and shall not exceed the actual cost of producing the information or for making public information that exists in a paper record available.

GBAA
(LEGAL)

Charges for providing a copy of public information are considered to accrue at the time the District advises the requestor that the copy is available on payment of the applicable charges.

50 PAGES OR LESS

If a request is for 50 or fewer pages of paper records, the charge for providing the copy of the information shall be limited to the charge for each page of the paper record that is photocopied, unless the pages to be photocopied are located in two or more separate buildings that are not physically connected with each other or a remote storage facility. The charge for providing a copy may not include costs of materials, labor, or overhead.

STATEMENT OF
LABOR COSTS

If the charge for providing a copy of public information includes costs of labor, the requestor may require the officer for public information or agent to provide the requestor with a written statement as to the amount of time that was required to produce and provide the copy. The statement must be signed by the officer or agent, and the officer or agent's name must be typed or legibly printed below the signature. A charge may not be imposed for providing the written statement to the requestor.

The District shall use the attorney general's rules to determine the charges for providing copies of public information and to determine the charge, deposit, or bond required for making public information that exists in a paper record available for inspection, except to the extent that other law provides for charges for specific kinds of public information. [See GBAA(EXHIBIT)]

The District may determine its own charges for providing copies of public information and its own charge, deposit, or bond for making public information that exists in a paper record available for inspection. However, the District may not charge an amount that is greater than 25 percent more than the amount established by the attorney general, unless the District requests an exemption. *Gov't Code 552.262(a); 1 TAC 70.1(b)*

EXEMPTIONS

The District may request that it be exempt from part or all of the rules adopted by the attorney general for determining charges. The request must be made in writing to the attorney general and must state the reason for the exemption. STATEMENT OF
ESTIMATED
CHARGES

If a request for a copy of public information will result in the imposition of a charge that exceeds \$40, the District shall provide the requestor with a written itemized statement that details all estimated charges that will be imposed, including any allowable charges for labor or personnel costs. If an alternative less costly method of viewing the records is available, the statement must include a notice that the requestor may contact the District regarding the alternative method. The District must inform the requestor of the responsibilities imposed on the requestor by Government Code 552.2615 and the rights granted by that section and give the requestor the information needed to respond as detailed in Government Code 552.2615(a).

If, after the District provides the requestor the itemized statement but before it makes the copy or the paper record available, the District determines that the estimated charges will exceed the charges detailed in the original itemized statement by 20 percent or more, the District shall send to the requestor an updated written itemized statement that details all estimated charges that will be imposed, including any allowable charges for labor or personnel costs.

REQUESTOR'S
RESPONSE

A request for which the District is required to produce an (original or updated) itemized statement of estimated charges is considered to have been withdrawn if the requestor does not respond in writing to the itemized statement by informing the District within ten business days after the date the statement is sent to the requestor that:

1. The requestor will accept the estimated charges;
2. The requestor is modifying the request in response to the itemized statement; or
3. The requestor has sent to the attorney general a complaint alleging that the requestor has been overcharged for being provided with a copy of the public information.

ACTUAL
CHARGES

If the actual charges exceed \$40, the charges may not exceed:

1. The amount estimated in the updated itemized statement; or
2. If an updated itemized statement is not sent to the requestor, an amount that exceeds by 20 percent or more the amount estimated in the original itemized statement.

TIMING OF
DEADLINES

An original or updated itemized statement is considered to have been sent by the District, and a requestor is considered to have responded to the statement, on the date that the statement or response is:

1. Delivered in person;

2. Deposited, properly addressed, in the U.S. mail; or

Gov't Code 552.2615

DEPOSIT OR BOND

The officer for public information or agent may require a deposit or bond for payment of anticipated costs for the preparation of a copy of public information if:

1. The officer or agent has provided the requestor with the written itemized statement required by Government Code 552.2615 (see STATEMENT OF ESTIMATED CHARGES, above); and
2. The charge for providing the copy is estimated by the District to exceed \$100, if the District has more than 15 full-time employees, or \$50, if the District has fewer than 16 full-time employees.

The officer or agent may not require a deposit or bond as a down payment for copies of public information that the requestor may request in the future.

Gov't Code 552.263(a), (b)

For the purposes of charging for providing copies of public information or for requesting an attorney general's opinion, a request for a copy of public information is considered to have been received by the District on the date the District receives the deposit or bond.

A requestor who fails to make such a deposit or post such a bond before the tenth business day after the date the deposit or bond is required is considered to have withdrawn the request. *Gov't Code 552.263(f)*

UNPAID AMOUNTS

The officer for public information or agent may require a deposit or bond for payment of unpaid amounts the requestor owes the District in relation to previous public information requests before preparing a copy of public information in response to a new request, if those unpaid amounts exceed \$100. WAIVERS The District shall provide a copy of public information without charge or at a reduced charge if the District determines that waiver or reduction of the charge is in the public interest because providing the information primarily benefits the public.

If the cost to the District of processing the collection of a charge for providing a copy of public information will exceed the amount of the charge, the District may waive the charge.

Gov't Code 552.267

GOVERNMENT PUBLICATION The cost provisions described above do not apply to a publication that is compiled and printed by or for the District for public dissemination. If the cost of the publication is not determined by state law, the District may determine the charge for providing the publication, or the District may provide the publication free of charge, if state law does not require a certain charge. *Gov't Code 552.270*

SECTION V: INSPECTION OF PUBLIC INFORMATION

INSPECTION OF PUBLIC INFORMATION If the requestor does not request a copy of public information, the District may not impose a charge for making available for inspection any public information that exists in a paper record, except as set forth below. *Gov't Code 552.271(a)*

CONFIDENTIAL INFORMATION If a page contains confidential information that must be edited from the record before the information can be made available for inspection, the District may charge for the cost of making a photocopy of the page from which the confidential information must be edited. No charge other than the cost of the photocopy may be imposed. *Gov't Code 552.271(b)*

PAYMENT, DEPOSIT, OR BOND The officer for public information or agent may require a requestor to pay, or to make a deposit or post a bond for the payment of, anticipated personnel costs for making available for inspection public information that exists in paper records if:

ELECTRONIC
RECORDS

If the District receives a request to inspect information that exists in an electronic medium and that is not available directly online to the requestor, the District may not impose a charge for access to the information unless complying with the request will require programming or manipulation of data. If programming or manipulation of data is required, the District shall notify the requestor before assembling the information and provide the requestor with an estimate of charges that will be imposed.

If public information exists in an electronic form on a computer owned or leased by the District, and the public has direct access to that computer through a computer network or other means, the electronic form of the information may be electronically copied from that computer without charge if accessing the information does not require processing, programming, or manipulation on the District's computer before the information is copied. If such information does require processing, programming, or manipulation before it can be copied, the District may impose charges.

If the District creates or keeps information in an electronic form, the District is encouraged to explore options to separate confidential information from public information and make the public information available to the public through electronic access through a computer network or other means.

The District shall provide the written estimate on or before the tenth day after the date on which the request was made.
