

## Board of Education

---

### PRESENTATION

**TITLE:** Bell to Bell No Cell Update

**DATE:** Jul 21, 2025

**RESPONSIBLE ADMINISTRATOR:** Dr. Tony Jones  
Director of Secondary Education

Dr. Kim Starr  
Director of Elementary Education

### **BACKGROUND/CONSIDERATIONS:**

In April we presented information on the new law, the "Bell to Bell, No Cell Act,"-Senate Bill 142, which mandates that public schools adopt strict phone-free policies, banning cell phone use during the school day, starting with the 2025-2026 school year, with exceptions for emergencies or medical reasons. This evening an update on our policies and communication strategies will be shared.

### **RECOMMENDATION:**

This is a presentation item only. No action is required.
