Re: Bid Results Stevenson High School – Asbestos Abatement

We would like to discuss the bid results for asbestos abatement at Stevenson High School at the Building and Site committee meeting on Monday May 21, 2012.

At a recent committee meeting we discussed the need for asbestos abatement during the Phase I construction at Stevenson High School.

A Request for Proposal was prepared and three bids were received (bid tabulation attached). We are recommending the low bidder, Qualified Abatement in the amount of \$42,200. Our original estimate was \$125,000-\$150,000.

We have used this company in the past and have been satisfied with their work.

Please let me know if there are any questions or concerns.
