

High School Board Report 12-10-19

Overview

- 11/15 - Karli Woodall and Kylee Theiler competed in the 2019 WIAA State Swim & Dive Meet. Both student-athletes performed very well and THS is proud of how they represented themselves, their teammates and our school. Carli finished in 10th place in the Diving. Kylee finished in 3rd place for the 200 Yard Freestyle and 5th place in the 100 Yard Freestyle.
- 11/22 - The Tomahawk High School Drama Department had a successful performance at the WHSFA State Theater Festival. In addition to receiving All-State recognition, they also earned an Outstanding Ensemble award. They saved their best performance for State in front of an overly receptive audience of fellow actors, resulting in a positive, rewarding experience for cast, crew and directors alike.
- 11/26 - The World Culture Fair was held in the hallways and high school gym. THS students researched various cultures around the world and interactive activities for students to participate in to learn about the respective cultures. There were also guest speaker opportunities. Students from the elementary, middle and high schools attended the event throughout the day. Thank you to all the teachers and students who organized the event.
