Re: Donation to Spearman ISD

Anthony's Floor Care, LLC,

Thank you so much for your donation of the carpet tile and adhesive in the amount of \$4500.00 for the Spearman ISD music program at Gus Birdwell Elementary School. Your donation to this district is greatly appreciated and will be put to great use by our students and staff in the music room to add additional soundproofing. As you know, community partnerships are an important aspect of each school district, and we are so honored to have you as a partner. When we get all of the carpet put down, I will reach out to you to have you come to the campus and watch our elementary music program.

Thank You,
