Re: Construction Bids – Stevenson High School

We would like to discuss the bid responses received for the construction project at Stevenson High School at the next Building and Site Committee meeting on Monday, February 22, 2016.

The RFB for the construction project at Stevenson High School was made available on January 8, 2016. Our Owner's Representative, Plante Moran Cresa, conducted a mandatory pre-bid conference on January 12 and January 28, 2016. The bid responses were due on February 9, 2016. We received many responses and Cresa is currently reviewing the information. The process for evaluation will be in accordance with the criteria that were established previously.

The bid responses will be available in the Business Office conference room for any Board member that would like to look at the documents provided by the various firms. We will have a week between the committee and the regular meeting to answer any questions you may have.

On Monday, February 22, 2016 at the Building and Site Committee meeting, Plante Moran Cresa will present the results of their evaluation to the Board of Education and provide recommendations for next steps in the process of selecting the vendors for the construction project at Stevenson High School. As always, please let me know if there are any additional questions.
