

Priest River Elementary Board Report

Prepared December 11, 2024

Enrollment:	Oct. 355	Nov. 359	Dec. 350
-------------	----------	----------	----------

Activities/Celebrations:

Spelling Bee Finalists -

4th Grade - Mr. Nacc's Class: Ivy Barker-London, Ms. Cary's Class: Anabelle Chenoweth

5th Grade - Mrs. Eveland's Class: Joey Maston, Mrs. Kline's Class: Syllas, Mrs. Tyler's Class: Isaiah Davis.

6th Grade - Mrs. Cork's Class: Dean Inman, Mr. Murray's Class: Ashton Burke

Our finalist will compete in our PRE School Spelling Bee, Wednesday, January 8th at 6:00pm. A BIG THANK YOU to Madison Zepeda for being the coach for the students, and our PTO for covering the cost of enrolling in the Scripps Spelling Bee. The winners of each grade level will move on to the regional spelling bee in CDA. The Inland Northwest Spelling Bee is scheduled for 9:00 AM on Saturday, February 8, 2025. At least one student will advance to the Scripps National Spelling Bee, with travel provided by the Idaho Character Foundation.

Curriculum/Instruction:

Daily Academic Intervention - Our teams have completed progress monitoring, and our students will move to different groups depending on their academic need.

Grade Level PLC's - Our are working on breaking down the essential standards on the new report cards creating assessments, rubrics, and proficiency scales to accurately share with parents how their children are progressing.

Community Outreach:

K-2 Christmas Program: PRE will have our annual K-2 Christmas Program on December 12th at 6:00 pm. on Nov. 19th.

Breakfast with Santa: Sponsored by the PRE Naca Rocket Club will be on December 14th, 8:00-11:00 am. There will be a breakfast of pancakes and sausage, a silent auction, crafts, face painting, our PTO's Santa Secret Shop, and free pictures with Santa.

Math Night: Will be February 11th, 4:30-5:30. Students will be engaged in fun math games and activities in the lunchroom, and parents will participate in short grade level presentations in assigned classrooms. Parents will learn tips and tricks to help their children with math. They will also leave with a free handout with math games to play at home.
