

ILLINI CENTRAL MIDDLE SCHOOL BOARD REPORT

October 2025

MTSS

The ELA and Math teachers are appreciating the “protected” MTSS time for interventions this year. The process is very fluid, so they are able to move students into their Labs at any time the data shows a student needs the intervention. We are coming to the end of the quarter, so several students are set to move into an elective class at that time. Due to scheduling/grading stipulations, it is best for students to wait until the end of the quarter to move out to a new class (unless it is Choir or Study Skills).

STUDENTS OF THE MONTH

We have so many amazing students, that we decided to move to a monthly recognition. Last year several months were combined so we only had 7 chances to recognize our students. We now have 10 chances to recognize students. We announce the themes at our monthly assembly so that students know what we are looking for. The themes are: **August**-Responsibility, **September**-Respect, **October**-Honesty, **November**-Self-Discipline, **December**-Perseverance, **January**-Integrity, **February**-Kindness, **March**-Positivity, **April**-Compassion, **May**-Selflessness

AUGUST 2025 - Responsibility

8th Grade - Addison Lemme

6th Grade - Jaeden Onken

7th Grade - Jayden Schoonover

SEPTEMBER 2025 - Respect

6th Grade - Glenn Krause

7th Grade - Kinsey Liesman

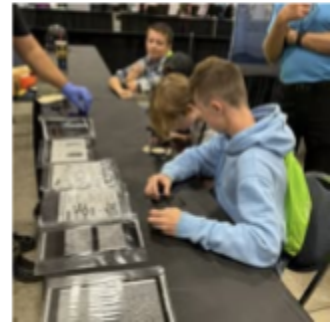

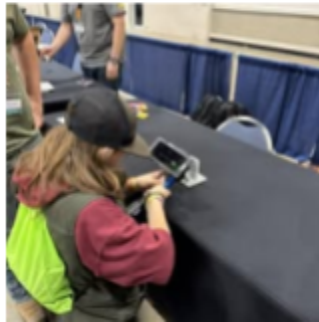

8th Grade - Hudson Bohm

8th Grade CareerSpark Field Trip

The 8th Grade class attended the Career Spark Expo on October 2nd, in Peoria. Students were able to enjoy activities, videos, and documents showcasing our region's most critical industry clusters including manufacturing, healthcare, innovation and technology, business and finance, and more.

The 8th Graders will be visiting the Logan County Career Spark on October 17th. They offer a slightly different variety of experiences than the Peoria Career Spark.

A few of the pictures from Career Spark Peoria:

Coming Soon:

10/17 - Career Spark Logan County (8th Grade)

10/27 - Red Ribbon Week

10/31 - PBIS 1st Quarter Celebration - Movie and Apple "Nachos"
