Region XI American Indian Alaska Native 2018 Training Conference.

November 27-29, 2018

Join us for three full days of intensive and interactive training and technical assistance with your program specialists, grants specialists, training and technical assistance providers, national center staff, and OHS Leadership. Participants will review Head Start Program Performance Standard regulations, identify strategies for implementation, strengthen their understanding of Head Start systems, network and share program successes, problem solve program challenges, and strengthen their roles for effective program management. Hands on learning opportunities will provide real world experience to take back and put into practice. Sessions in each track will build on each other to provide an in-depth learning experience.

- 3 Full Day Training Event & Tribal Consultation
- In Depth Training Tracks:
 - Tribal Leaders
 - Capacity Building
 - Fiscal/Grant Applications
 - Full-Enrollment

- EHS & EHS CCP
- Health/Disabilities
