

A vibrant, cartoon-style illustration of a tropical beach scene. The background is white with scattered yellow clouds. In the foreground, there are blue waves representing the ocean. On the left, a sandy beach features a blue bucket, a blue shovel, and a yellow duck-shaped inflatable ring. Several palm trees of varying heights and shades of green are scattered across the landscape. Two birds are flying in the upper right sky. The text is centered in a bold, red, sans-serif font.

AMAZING MOMENTS

Saginaw Public Schools provided a dynamic and enriching summer school experience designed to support both academic growth and social-emotional development. Students engaged in targeted instruction to strengthen core academic skills. In addition, they expanded learning beyond the classroom with activities such as, creative arts, STEM, field trips, and more!

THANK YOU
