2  
3 **Policy # 4500**

4 **Policy Name:** *Graduation*

5 *Regulation:* -----

6  
7 Graduation Requirements shall reflect high expectations and appropriate standards. Students  
8 graduating from Browning Public Schools will enter society as adults who are prepared to participate  
9 actively and knowledgeably as citizens in their community, tribe, state and federal government.  
10 Students will graduate with prerequisite skills that allow successful entry into and completion of  
11 post-secondary education or vocational training opportunities.

12  
13 No student will be permitted to graduate from Browning High School unless he/she has completed  
14 the course requirements prescribed by District #9 Board of Trustees and meets the prescribed course  
15 of study for the State of Montana. All graduation requirements must be completed 48 hours prior to  
16 the graduation day and certified by the high school principal in order to participate in the graduation  
17 ceremony. Effective with the graduating class of 2005, 23 credits will be required to graduate.  
18 Effective with the graduating class of 2016, all students will enter Browning High School on a  
19 “Distinguished Diploma” track; students must opt out, with signed parent consent, in order to  
20 graduate according to the “Foundational Diploma” track requirements. You must contact the school  
21 principal if you wish to opt out of the Distinguished Diploma.

**Total Required for Graduation**

In addition, beginning with the graduating class of 2003 shall be required to satisfactorily engage in a public Senior Portfolio presentation and provide documentation of 20 hours of community service.

**Waiver of Requirements/Academic Variance**

The principal will establish an academic variance committee comprised of staff representing both the traditional high school and alternative education program to review all petitions for waiver. This petition will include a detailed request documenting extenuating circumstances that warrant the waiver. It will also include an information packet regarding the student’s school history and performance as documented by a transcript, graduation plan, detailed attendance and enrollment history. This information packet will also include a projected course plan for the remainder of the student’s high school career and a transition plan for the first year beyond high school.

At minimum, all students will have met the basic graduation requirements as specified in A.R.M. 10.55.905. Under special circumstances, the Principal may recommend modification to local graduation requirements to the District Superintendent. The Superintendent will have the authority to

1 approve or deny the recommendation. In accordance with A.R.M. 10.55.906 (3), the Superintendent  
2 will then make the recommendation to the local board of trustees to accept the waiver.  
3

5 **Diplomas**

- 6 a. All graduating students shall receive diplomas.  
7 b. Diplomas may be earned through completing either required credits or criteria identified in an  
8 approved IEP.  
9 c. Diplomas may be received prior to four (4) years of high school attendance in accordance with  
10 District #9 Early Graduation Policy which requires the expressed recommendation of the  
11 Superintendent and permission of the Board of Trustees.  
12 d. The high school principal shall approve of independent study alternative curriculum offerings  
13 prior to credit being applied to the core graduation requirements.  
14

15 **Transfer Student Graduation Requirements**

16 Transfer students must meet the prescribed course of study for the State of Montana and Browning  
17 School District #9 in order to graduate. Transfer credits must be congruent with BHS core class  
18 requirements as determined by the high school principal.  
19

20 **Graduation**

21 The graduation ceremony is an activity of the Board of Trustees to honor graduating seniors from  
22 Browning High School each year.  
23

- 24 a. The Superintendent of Schools shall set the date for the graduation ceremony each year.  
25  
26 b. Only students who have met all credit requirements, both state and local, may be allowed to  
27 participate in the graduation ceremonies.  
28  
29 c. The Board of Trustees may deny any student the honor of participating in graduation  
30 ceremonies for infractions of federal, state, or local laws, district policies or school rules.  
31  
32 d. All graduation requirements must be completed forty-eight (48) hours prior to and approved by  
33 the high school principal before a student is allowed to participate in the graduation ceremony.
