

## University of Texas High School Partnership Program

Thank you for your interest in our high school courses. We have two options available for our Texas school partners. The first option is to utilize our UTHS staff as the teacher of record at the price of \$175/semester course per student. A second option is to use our digital curriculum license with your own on-site teacher of record for the price of \$50/semester course per student.

Thank you.
