Purpose/Background:

Rutledge Hall's stairwells are covered in rubber tile and treads that have been worn down over the years since the 1990s installation. The attached estimate provides details on materials and labor required to update the flooring in these four stairwells. The attached schedule indicates a July 30, 2021 substantial completion date.

Fiscal Impact:

\$66,467

Recommendation:

It is the Administrative recommendation that the Facilities Committee concurs to recommend to the Board of Education to approve the installation of Rutledge Hall Stairwell Floor Coverings in an amount not to exceed \$70,000.
