

Discussion Item

Date: May 4, 2026

Division: Student Services

Subject: Transportation Update including Hazardous Bus Routes

Background Information:

- LISD took Transportation in-house for the 25-26 school year.
- Hazardous routes are discussed each May for the upcoming school year.
- Hazardous routes could be added or removed throughout the year as areas develop, or road construction occurs.

Administrative Consideration:

- Administration presents the hazardous routes.
