**Subject:** Girls Basketball Position

Hello Eric,

Please accept this email as my resignation as the C-Squad Girls Basketball Coach for the upcoming 2026-2027 season. If my services are wanted, I would like to stay involved with the program as an overall assistant, but not the direct JV or C-Squad coach due to conflicts with having kids in the program.

Please let me know if you have any questions.

Thank you,

Andy Schommer
