**Date:** August 9, 2013

First, I would like to thank you for giving me the opportunity of employment during the summer. It is a rare privilege to find a job that allows you to work when you come back from school and one that lets you work around your school schedule. Class starts on the 26<sup>th</sup> of August and I am requesting that I be allowed to work during the fall semester.

I have attached a copy of my fall semester schedule and I will be available to work on Mondays and Wednesdays.

I greatly appreciate your assistance.
