

Action Sheet

MEETING DATE: April 16, 2025

AGENDA ITEM: Discuss and Consider Approval of RFP 2024-25-001
Walk-in Cooler - Freezer systems

The GISD Child Nutrition Department needs replacing some Cooler/Freezer units at Burnet and Oppe this summer. As a result of the hard work of the Child Nutrition Department, the Child Nutrition fund has a balance that will cover the cost of the purchase and installation of the items needed. GISD purchasing issued a request for proposal request in March 2025. GISD received three proposals on April 1, 2025. A selection committee of three individuals from the Child Nutrition and Finance Departments reviewed, scored, and ranked the bids. GISD is recommending Machine Ice Company to purchase following the scoring results by the committee. The total cost of equipment and installation is \$103,923.39

RECOMMENDATION: I move the board to approve and award the RFP 2024-25-001 Walk-in Cooler - Freezer systems to Machine Ice Company in the amount not to exceed \$103,923.39
