### **RECOMMENDATION**

It is the administration's recommendation that the School Board move the AASB Board Policy Updates of BP 1340 and BP 6146.3 to a 2<sup>nd</sup> Reading.

### **PERTINENT FACTS:**

These are the updates provided by AASB with our policy online subscription.

#### **BP 1340, Access to District Records**

This update revises the model records retention policy to clarify that records shall be maintained in accordance with the State of Alaska Model Records Retention Schedule for Alaska School Districts. It standardizes retention rules for all AASB districts.

#### **BP 6146.3, College and Career Readiness Assessments**

This update removes a reference to a rescinded regulation regarding college and career readiness assessments. It is updated to clarify that a district's assessment policies must be in accordance with current assessment regulations, allowing the policy to be tied to changing assessment rules
