AUTHORIZED INVESTMENTS	A board may purchase, sell, and invest its funds and funds under its control in investments described below, in compliance with its adopted investment policies and according to the standard of care set out in this policy. Investments may be made directly by a board or by a nonprofit corporation acting on behalf of the board or an investment pool acting on behalf of two or more local governments, state agencies, or a combination of the two. <i>Gov't Code</i> 2256.003(a)
	In the exercise of these powers, a board may contract with an in- vestment management firm registered under the Investment Advis- ers Act of 1940 (15 U.S.C. Section 80b-1 et seq.) or with the State Securities Board to provide for the investment and management of its public funds or other funds under its control. A contract made for such purpose may not be for a term longer than two years. A renewal or extension of the contract must be made by a board by order, ordinance, or resolution. <i>Gov't Code 2256.003(b)</i>
	The following investments are authorized for districts, although the board may specify in its investment policy that any such investment is not suitable, per Government Code 2256.005(j):
	1. Obligations, including letters of credit, of the United States or its agencies and instrumentalities; direct obligations of the state of Texas or its agencies and instrumentalities; collateral- ized mortgage obligations directly issued by a federal agency or instrumentality of the United States, the underlying security for which is guaranteed by an agency or instrumentality of the
