

**TOWN OF HORIZON CITY
MEMORANDUM**

Date: March 10, 2026

To: Honorable Mayor and Members of City Council

From: Albert Valle, Public Works Director

SUBJECT: That the City Council approve the Town of Horizon City's Phase II MS4 Annual Report for the 2025 calendar year and authorize the Mayor to sign the report and transmittal letter, all to be submitted to the Texas Commission on Environmental Quality.

The attached report is proposed to be submitted to the Texas Commission on Environmental Quality (TCEQ) in order to satisfy the annual reporting requirements, set by the Commission for those entities operating a municipal separate storm sewer system (MS4) management program.

The City's MS4 program was submitted in December of 2024 and received approval from TCEQ for the renewal of the next 5-year permit. The attached report describes the activities performed in the second year (2025 calendar year) of the pending permit.

After coordinating with TCEQ regarding the pending status of the submitted MS4, staff has determined that the report should be submitted, upon approval from City Council, in an effort to maintain compliance with the Commission's reporting requirements.

Staff recommends that the City Council accept the annual report as submitted and authorize the Mayor to sign the required documents that are to be submitted to TCEQ.
