

COMMUNITY ACTION COUNCIL

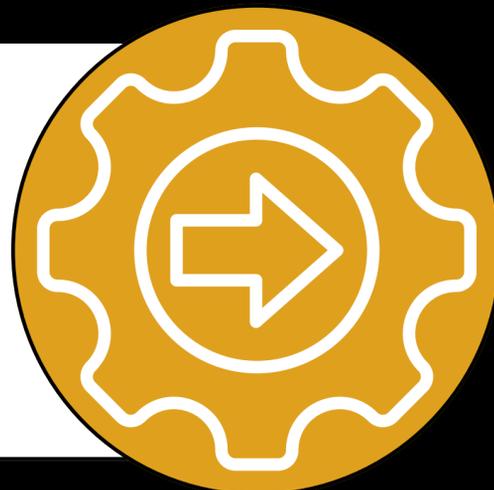

01. LOOKING BACK - MARCH

Learn about how schools are funded, the different buckets of public education funding in Minnesota, and the history of the general fund.

02. LOOKING FORWARD - APRIL

Understanding student enrollment, the general education funding formula, legislative impacts, and 5 year projections for our district.

03. PRESENT SCENARIOS - MAY

Explore options for increasing revenues, decreasing expenditures, and considering possible referendum scenarios. This session will conclude questions about information the group may still need to better understand the options.

04. RESPONSE - JUNE

Answers for the questions brought up in the previous session, brainstorming, considerations, and recommendations.
