Summary: Authorize the auction of surplus district vehicles, classroom equipment, and building and construction materials.

Background Information: Surplus District Vehicles:
T1 - 2002 Ford Truck, requiring multiple repairs since it broke down on two separate occasions this 24-25 school year. The first time was while the band

was utilizing it to tow the small band trailer to Lago Vista and again when Maintenance was using it to pick up supplies from Home Depot. T1 has over 160,000 miles on it and has been out of service since December 2024. It has several issues, with one of them being diesel fuel found in the coolant.

Yellow School Bus 0802 - 2008 International School Bus, this is one of our school buses not equipped with air conditioning and is in need of a new starter. It has over 135,000 miles on the vehicle. We have started to scrap this unit for available parts.
