2021-2022 HMPS Device Agreement

Dear Parents,

HMPS uses Instructional Technology as one way to enhance our students' academics and follow our mission as a district by providing the highest quality education possible to all students. To the full extent of their individual abilities, students will be provided the opportunity to develop the capability to think logically, independently, and creatively, and to communicate effectively. To help our students develop these skills, *HMPS will have available technology devices to use in the classroom and to take home (if necessary) to maximize their online learning*.

It is important for our students to follow the Student Acceptable Usage Policy at all times. Every student need to have a signed AUP at school before issuing a technology item at school and/or to take home. All students and parents/guardians must adhere to the AUP, Student Handbook, Student Code of Conduct and this agreement.

Students will be responsible for any damaged, lost or stolen devices at school and/or home. Student/Parent will be able to donate so the school is able to replace the device for our students. The prices are as follows:

TECHNOLOGY DEVICE	COST
Chromebook/Computer Desk/Ipads	\$250
Computer Accessories (mouse and keyboard)	\$30
Headphones	\$50
Hotspots	\$75
Charger	\$25
Graphic Calculator	\$100

Our Chromebook/Ipads/Desktops devices are managed by HMPS and can only be accessed with a Google Apps for Education account ending in @hmps.net. This should deter any person outside the district from stealing it, since they won't be able to log in to the device. Upon notification that a HMPS device is lost or stolen, it can be locked to prevent anyone accessing it until returned to HMPS.

HMPS devices are provided so that students have access to digital textbooks, Google Classrooms, Google Docs, Google Slides and eBooks. It is our priority that every student has the necessary tools to communicate and collaborate while being challenged to think creatively and critically.

*Device Agreement terms and conditions are subject to change at any time without notice. Please see your campus website for updates and information.
