All District traffic and parking regulations and individual school regulations, if any, <b>may be made available</b> to every student and faculty member.</li><li>2. <b>Schools may require students to register</b> with the school all motor vehicles that will be driven or parked on school property. A registration decal</li></ol>

property. A registration decal must be displayed on the vehicle ~~as follows:~~

- ~~Cars — lower right side of front window.~~
- ~~Trucks, rough terrain vehicles (jeeps, etc.) — upper center of windshield.~~
- ~~Motorbikes and motorcycles — rear frame or rear fender.~~

3. Prior to vehicle registration at designated high schools and issuance of the decal, the student must possess the following:
  - A parent or guardian's written permission for the student to bring a vehicle to school.
  - A signed statement by the parent and student that they understand that when any car is on school property, the car may be searched if the school authorities have reasonable cause to suspect that materials that are in violation of the state, county, municipal or school code are stored therein; they further understand that any materials found may be seized and used as evidence in school disciplinary hearings.
4. Students are to park in the designated student parking areas and within parking spaces as directed by painted lines and signs.
5. ~~Faculty and staff parking shall be designated and students are not to park in these areas.~~
