

BOARD OF SCHOOL TRUSTEES

KELLER INDEPENDENT SCHOOL DISTRICT

3E. Action

Date: July 24, 2006

SUBJECT: CONTINUED PARTICIPATION IN LOGIC, TEXPOOL, AND TEXSTAR INVESTMENT POOLS

BOARD GOAL: Budget and Finance

FISCAL NOTE: All funds come from state and local revenue sources that have been previously approved by the Board.

Background Information:

- Each year the Board of Trustees approves the participation in the investment pools.
- The investment pool affords the district the ability to invest its funds in liquid accounts at competitive market rates.
- Currently, a minimal amount is kept in LOGIC due to the high use of commercial paper that has been discussed as an undesirable investment by the district.
- Transfers of funds between pools are made to take advantage of higher rates of return.
- Keller ISD currently has funds on deposit with the following investment pools:
 - Local Government Investment Cooperative (LOGIC)
 - Texas Local Government Investment Pool (TexPool)
 - Texas Short Term Asset Reserve Program (TexSTAR)

Administrative Considerations:

- The monthly average yield comparison from July 2004 through June 26, 2006:
