Re: Superintendents Board Report

Updates

- We will be opening school like we finished the 2020-21 school year with the exception of online offerings. We will not be offering an online option for our students for the 2021-22 school year. While beneficial for some students we don't have the staff available to again offer in person and online. As we begin the school year we will not be recommending the wearing of masks. Staff and students have the ability to wear a mask but we are not planning on making that a recommendation or a requirement.
- Staff will officially return on August 16th. We will hold our all staff opening meeting on that day and the principals are busy scheduling meetings for that week for staff as well. The first student day is August 23rd.
- Today we completed the final review of the elementary classroom addition with Beniton and Design West. The project is a fantastic addition to the elementary and we're very excited for the new space.
