Subject: Extended Contracts: School Counselors, Suicide Awareness Workshop 2021-2022

Description: Matthew Johnson is requesting extended contracts for School Counselors to complete suicide awareness workshop. This course will provide clinicians and practitioners with a strengths-based, wellness-oriented approach to understanding suicide and working with clients who are suicidal. The seven dimension model at the core of this comprehensive approach offers new ways to integrate solution-focused and strengths-based strategies into clinical interactions and treatment planning with children, adolescents, and adults. Personal and professional self-care and emotional preparation techniques to working with suicidal individuals will be emphasized, as will local issues pertaining to suicidality in Indian Country, ethical issues, counselor competencies, and clinically nuanced skill-building.
